Final Reading Given By-law To Raise \$130,000 For Public School

Use of Theatre Given Boy Scouts and Stirling Band At Monday Night Meeting

Final reading was given by Bylaw No. 536 to borrow \$130,000 for construction of the new Public School by Council at its regular monthly meeting on Monday evening. Reeve H. J. Wells presided and all members of Council were present.

J. B. Belshaw, Stirling's representative on the Centre Hastings High School Area Board, presented Council with copies of by-laws to be passed for construction work on schools in Marmora, Madoc and Tweed by the Area Board. The passing of these by-laws commits the Village to payment of a share of the debentures for the construction. After a lengthy discussion it was moved by Councillors Bradshaw and Bailey that action on by-laws be laid over until the November meeting.

An account from the Picton Gazette for advertising in the Hastings County Tourist folder was rejected as Council had not authorized the advertising.

The Stirling Boy Scouts and the Citizens' Band were granted the use of the Stirling Theatre on the evening of October 22nd.

Clark F. R. Mallory reported complaints on noisy persons during the weekly show in the Theatre. Council decided to issue a warning and instruct the Theatre management to exercise its prerogative of depriving offenders of the privilege of attending the show.

The following accounts were passed for payment:

Sam Bowen, \$87.86; McIntosh & Wells, \$23.85; James Elliott, \$225.00; Stirling Lumber Co., \$25.74; Jas. Elliott, pay sheet, \$182.55; Orlis Richardson, \$25.50; Allan Wamamaker, \$7.50; Ken Morrow, \$47.00; Frank Stapley, \$125.00; Bell Telephone, \$8.45; Stirling News-Argus, \$18.00; Nelson Luery, \$13.00; Thos. Spry, \$90.05; J. G. Green, \$20.00; Claude Tucker, \$7.50; C. B. Rollins, \$81.25; Duffin's, \$175.00; Stirling Hydro, \$179.32.

Death Claims

Mrs. Harry Philip

Following a lengthy illness, Mrs. Harry Philip died at her home here on Tuesday night.

Born at Anson, in Rawdon Township, the late Mrs. Philip was a daughter of Mrs. Warren Preston and the late Mr. Preston, and was in her 49th year. She moved to Murray Township with her family and following her marriage resided at Nestleton, Ont., where she was an active worker in the Women's Institute and the various societies in Cadmus United Church. For the past three and a half years she has resided here and was held in high regard by a wide circle of friends. When health permitted she took an active part in the work of River Valley W.I. and St. Paul's United Church, of which she was a member. Fraternally she was a member of the Order of the Eastern Star, No. 55, of Béville.

She leaves to mourn her husband, H. Harry Philip; two sons, Robert and Bryce, at home; her mother, Mrs. Warren Preston, of Stirling, and two sisters, Mrs. Walter T. Elliott, of Stirling, and Mrs. Joseph Walmsley, of Picton.

Apple Day On Saturday

Saturday next, October 7th, will be Apple Day in Stirling for the Wolf Cubs and Boy Scouts. The Scouting year begins on the 1st of November, and the boys have Headquarters Quotas and Registration expenses to meet. In addition new books have to be purchased, along with things that they would like to have. Their funds are small, but not their hearts, so please encourage these boys when you meet them Saturday.

Given Promotion

Harry E. McCutcheon, since 1945 office manager of the Saginaw division of Sunshine Biscuits, Inc., and an employee of the company and its predecessors for 29 years, has been promoted to a post on the general office auditing staff, with headquarters at Long Island City, N.Y. He joined the Schust Co. in Detroit in 1929, transferred to the Saginaw office in 1931 and has held a succession of posts of increasing responsibility.

He is a member and past president of the Exchange Club and has been active in the Masonic fraternity. Mr. McCutcheon is a son of the late Mr. and Mrs. Henry McCutcheon, of Stirling, and received his education in the local schools.

St. Andrew's Ladies' Aid

The September meeting of St. Andrew's Ladies' Aid was held at the home of Mrs. Percy Craighead on Thursday, September 28th, at 2:30 p.m. Mrs. Lewis Rodgers had charge of the meeting. Gena Spry gave a report on the re-decorating of the church basement. Mrs. Walker read the Scripture Lesson, and Mr. Walker led in prayer. Arrangements were made for the anniversary supper.

The meeting was closed with benediction. Mrs. Craighead served a dainty lunch. A hearty vote of thanks was moved to Mrs. Craighead for the use of her home.

McCurdy - Holland Nuptials

Before a setting of evergreens and autumn flowers, at the home of Mr. and Mrs. Ross Holland, Stirling, on Saturday, September 23rd at two o'clock, their only daughter, Iris Beverly, became the bride of Ward Alexander, son of Mrs. Alex McCurdy and the late Mr. McCurdy. Rev. A. E. Baker officiated.

Before the ceremony, Miss Joan McCurdy, sister of the groom, sang, "I'll Walk Beside You," with Miss Eleahore Bush providing the wedding music. Each wore floor-length gowns of yellow and mauve respectively.

The bride was given in marriage by her father. The bride was charming in her floor-length gown of white brocaded nylon over nylon taffeta, featuring a nylon yoke with ruffled bertha collar, molded bodice, gathered skirt and matching mittens. Her fingertip veil was held in place by a seed pearl sequin halo. She carried a bouquet of red roses tied with a white satin ribbon. Her only ornament was a ruby pendant and matching earrings, a gift of the groom.

Her only attendant was Miss Mary Chambers, gowned in pink brocaded taffeta, fashioned with full tiered skirt and molded bodice with short puffed sleeves, round neckline and matching mittens and halo. She carried a fan-shaped nosegay of pink roses and white gladioli flowerlets.

The groom was assisted by Mr. Rayburn Holland, brother of the bride.

The wedding reception was held at the home of the bride's parents. The bride's mother received her guests wearing a dress of navy blue and had a corsage of cream roses. She was assisted by the bridegroom's mother, also wearing a navy dress and a corsage of pink roses.

For travelling to Ottawa and Algonquin Park, the bride chose a navy gabardine suit with navy accessories and had a corsage of white Amazon lilies and fleur d'armour.

"GYPSY ROVER" 3 ACT COMEDY PRESENTED HERE

"Gypsy Rover," a musical comedy in three acts, was presented in the Stirling Theatre last night by the Choir of St. Paul's United Church. Gorgeous costumes, with appropriate lighting effects, and talented artists combined to make it one of the most colorful programmes presented to a Stirling audience for some time. A full house greeted the cast who drew rounds of well-merited applause for their performance. St. Paul's Choir is to be congratulated on furnishing the community with an evening of wholesome pleasure and cultural value. A second performance with practically a complete change of cast will be presented tonight. Time and space does not permit a fuller account in this issue.

A pleasing feature was the presentation of a bouquet of roses to Mrs. Baker, director of the performance, by members of the cast. R. A. Patterson commended Mrs. Baker for her untiring efforts and Miss Janet Ann Good made the presentation.

Tag Day For The Blind Institute Nets \$205.00

The campaign for the Canadian National Institute of the Blind conducted in Stirling last week netted a sum of \$205.00, comprising \$114.50 from a canvas, \$68.33 from tagging and a donation of \$22.17 by Rawdon Junior Farmers.

Hastings County Advisory Board of C.N.I.B. would like to thank the citizens of Stirling and district for their generous response to this campaign, the Rawdon Jr. Farmers for their thoughtful gesture, the girls who helped on Tag Day, and Mr. F. Sprentall and Miss Rosa Spry for their co-operation and the use of the Hydro Office on Saturday. Mrs. Fred Houchin, local member of the Board, would like to add her personal thank you.

America's first newspaper was established in 1704.

Mr. and Mrs. W. Heath, Springbrook Celebrate Fiftieth Anniversary

Honoured Prior To Departure

Mrs. Gordon Bailey entertained the Bridge Club on Thursday evening last in honour of Mrs. W. J. Whitty, prior to her departure to reside in Peterborough. During the evening Mrs. Whitty was presented with an evening bag by the Club members.

On Wednesday evening, Mrs. C. R. Bestedo and Miss Betty McGee entertained at the former's home in honour of Mrs. Whitty. During the evening she was presented with several gifts on behalf of those present.

Local Happenings of Interest About Town

Grant Helliwell spent the weekend with Mr. and Mrs. William Wilkins.

Mrs. N. Heath spent last week at the home of Mr. and Mrs. Morris, Carmel.

Mrs. Hugh Morton spent a few days this week with Mr. and Mrs. John Beatty, of Toronto.

Mr. and Mrs. Carl Bateman and Mr. and Mrs. Grant Potter spent several days this week in Detroit, Mich.

Miss Dora Rodgers is a guest of Miss Frances Winfield, of Madoc, this week.

Rev. H. E. Beare, of Springbrook United Church, of which Mr. and Mrs. Heath are valued members, acted as master of ceremonies and several congratulatory addresses were given by the assembled guests.

Members of the family presented Mr. and Mrs. Heath with a kitchen suite, while many individual gifts were also received. Several cablesgrams and telegrams of congratulations were also received by the honoured couple.

Guests were present from Windsor, Guelph, Kinnar, Peterborough, Whitby, Oshawa, Campbellford, Marmora, Stirling and Montreal.

Mr. and Mrs. Wm. Patterson spent the weekend in Oshawa, guests of the latter's brother, Mr. Roy Scott, and Mrs. Scott.

Mrs. L. B. Winsor, Mrs. N. Heath and Mrs. Louise Anderson were recent dinner guests at the home of Mr. and Mrs. S. Holden.

CAMPBELLFORD DUO WIN DOUBLES COMPETITION

With ideal weather conditions prevailing, Stirling Lawn Bowling Club sponsored a successful Men's Doubles Tournament at the local greens on Saturday afternoon last. Fifteen pairs, including representatives from Belleville, Trenton, Campbellford, Brighton and Stirling Clubs participated in the draw and some exceptionally keen bowling was enjoyed.

High honours for the day went to Jack Linton and Dwight Bennett, of Campbellford, with three wins and a score of 45 plus 4. A local pair, C. A. Wells, and F. R. Mallory won second prize, with three wins and a score of 40 plus one. Gordon Edwards and L. E. MacLean, of Belleville, were the high two-game winners with a score of 45 plus 4, while W. T. Elliott and X. P. Mayhew were high for one game with a score of 38 plus 2.

The ladies served a hot supper in the Club House and President, R. E. Fox made the presentation of prizes for the last scheduled tournament of the year.

Scout Field Day Here Monday

The Stirling Wolf Cubs and Boy Scouts are holding a Field Day on the Thanksgiving holiday at the Fair Grounds, Stirling, with the programme opening at 1:30 p.m. The boys will be trying to pass the tests required for the "Athlete's Badge."

There will be running races, high jump, broad jump, rope climbing, throwing a baseball and many other events. Packs and Troops will be present from Belleville, Frankford, Trenton, Batawa, Campbellford and Trenton Air Port to take part in these events.

Everyone is invited to come along and enjoy themselves at the largest Wolf Cub and Boy Scout gathering ever held in this district. A refreshment booth will be open on the grounds and best of all, there will be no charge for admission.

Mrs. T. McKeown has disposed of her property on Front Street West to Don McIntosh, who has rejoined the staff of McIntosh & Wells Garage.

Arthur Jackson Rotary Speaker

Arthur Jackson, Boy Scout Commissioner, of Trenton, was guest speaker at the weekly dinner meeting of Stirling Rotary Club on Tuesday evening.

Introduced by Rotarian David Dufin, the speaker outlined the activities of the Scout movement and solicited the Rotary Club's support of the local Troop. The speaker was thanked by Rotarian A. J. Anderson.

Communion Service At St. Andrew's

Communion was celebrated last Sunday morning at St. Andrew's Presbyterian Church, when a large number sat down to the Lord's Supper including six new members who were warmly welcomed into the fellowship of the Church by the Minister. A full choir sang an appropriate Anthem, "Thy Face To See," with Mrs. Chas. Fargey and Mrs. Roy Eggleton taking the solo and duet parts.

A basket of autumn flowers and a beautiful Easter Lily, though unseasonable, added to the impressiveness of the service.

Anniversary At West Huntingdon

The Church Service next Sunday will be withdrawn in lieu of the Anniversary Service in St. Andrew's West Huntingdon, when the Rev. Dr. E. A. Thomson, of Toronto, will be the guest Minister at both services, 11 a.m. and 7:30 p.m.

Dr. Thomson was born in Hastings, Ontario, and is Secretary of the Board of Administration and Clerk of the General Assembly of Presbyterian Churches in Canada.

Dr. Thomson is one of the outstanding men in the Presbyterian Church, and a cordial invitation is extended to all to attend the services on Sunday Next.

Advertising is adult education in economics.

Today's bedtime stories often begin "Once upon a time and a half" . . .

The government is now apparently taking steps to keep future management-labor negotiations on the rails . . .

Some safety habits are hard to break. All through the strike we looked both ways and slowed down at each rail crossing. . . .

Country Town: a place where, when you meet a friend crossing the street, you don't have to scurry for the side-walk to complete your chat. . . .

Editor's Heaven: a place where no one says with a knowing leer each time we approach: "Be careful now if you don't want to appear in print." . . .

The first responsibility of any business is to give service to its customers. To do so it must remain solvent. Profits are just as essential as wages. A business which makes no profit employs no one. . . .

School teachers are blaming parents, and parents, teachers. Employers are concerned at the apparent failure of both. We do not know who is at fault, but certainly the spoken and written word of our rising generation is being marred far too frequently by a slovenly disregard of the elementary rules of grammar and spelling. . . .

Sandy McPherson always objected to paying his income taxes until he learned that \$50 million a year was being spent for research in guided missiles. "Any man shoudna object to a government spending money see sensible. The expert who can find a way

o' getting that slice out o' ma golf ball is worth a hundred million to the nation." . . .

The businessman who is proud of the goods and services he offers is proud to have his signature appear regularly in his advertisements. Because consistent advertising of quality goods and services is profitable to both buyer and seller, the advertising businessman is also proud to have his signature appear regularly on his cheques. Advertising is an investment which brings credit as well as custom.

Mr. and Mrs. Frank Bailey Honored On 50th Anniversary

Carmel Jubilee Hall was filled with relatives and friends on Thursday evening, September 28th to honour Mr. and Mrs. Frank Bailey on the occasion of their fiftieth wedding anniversary. Baskets of gladioli, asters and autumn flowers banked the platform with a large gold \$50 hanging above.

Mr. and Mrs. Bailey greeted their guests as they arrived and Mrs. Bailey wore a corsage of baby mums and wee asters, while the groom sported a white aster in his lapel.

The honoured couple were given a nice surprise as they understood they were to enjoy a treat at a Belleville Theatre and found themselves at Jubilee Hall. The bride's sister, Mrs. Frances Whilton of Frankford, and the groom's sister, Mrs. Agnes Jackson of Detroit, and the bride's sister-in-law, Mrs. W. Thompson of Stirling, were all in attendance, along with relatives from Edmonton, Alberta; Big Island and other points in Prince Edward County; Belleville; Frankford; Trent River, Campbellford; Millbrook and other near by points.

The bride's table covered with a lace cloth was centered with a three-

tiered wedding cake made and decorated by Mrs. Archie Bailey. Four vases held dainty gold flowers with matching candleabra. Another table was laden with various gifts from relatives and friends.

Jessie Bell Thompson, daughter of the late Mr. and Mrs. Archibald Thompson, of Rawdon Township, and Frank Bailey, son of the late Mr. and Mrs. Charles Bailey, of Rawdon Township, were married at the home of the bride's parents on September 28th, 1900 by Rev. Wm. Johnston, Pastor of Stirling Circuit. The bride wore a beaded blue frock and they spent their honeymoon at Hastings, Ontario.

The bride's sister, Miss Frances Thompson (now Mrs. Hector Whilton, of Frankford), was bridesmaid and the late Truman Bailey, of Stirling, was groomsman.

Two sons blessed this union, Charles and Archie and there are nine grandchildren.

Rev. A. E. Baker was master of ceremonies and invited the honoured guests to special seats. He spoke of their worthiness in the Carmel community both in church and social activities and paid sincere tribute to them both; also to their sons and their families who all reside in the Carmel community.

Mrs. Arthur Pyear delighted with a piano selection. Mrs. Percy MacMullen, of Mount Pleasant, was heard in three numbers during the program, which were "The Story of a Courtship," "A Dedication to the Bride and Groom of Fifty Years," and "Aunt Polly Visits the Ladies' Aid." Miss Joyce Bailey, a granddaughter, gave a musical selection on the piano. A grandson took various flash pictures of interesting scenes for a happy remembrance in the years to come.

Mr. and Mrs. Clarence Seeney, of Castleton, were given an ovation, as it was their eighteenth wedding anniversary. Mrs. Russell Hubbell contributed a humorous poem, "If I Should

Appointed Assist. Chief Engineer C.P.R.

R. A. Emerson who has been appointed assistant chief engineer of the Canadian Pacific Railway. Mr. Emerson is a third generation C.P.R. employee, his father, mother and grandfather all having served the company in western Canada.

Die Tonight," by Ben King.

Mr. and Mrs. Sylvester Holden, of Stirling, were in attendance as they lived at Carmel many years and they have passed their 55th wedding anniversary. Mrs. Clifford Mitz, of Ivanhoe, a niece of Mrs. Bailey, read a well worded address of appreciation which told of the Christian family home, the high esteem in which the honoured couple are held and the appropriate setting in Carmel Jubilee Hall at the time of Carmel Church 75th Anniversary. She closed with a lovely poem, "Your Beautiful Garden Called Home." A grandson, Mr. Jim Bailey, made the presentation on behalf of the immediate family of a white chenille bedspread with pastel centre.

Mrs. Arthur Pyear on behalf of the community guests read another address and closed with the poem, "Grow Old Along With Me." Messrs. Charles Hoard and Ernest Carlisle made the presentation of a gold wool blanket and reversible comforter in two colours.

Mr. Harry Brown, Clerk of the Session, in another address, conveyed sincere congratulations on behalf of the Carmel Sunday School and Church, and Mr. Everett Grills made the presentation of an electric table lamp.

Both Mr. and Mrs. Bailey thanked everyone for all the kindness extended to them on this happy occasion and it would be a remembrance never to be forgotten.

Rev. A. E. Baker presented Mrs. Bailey with a "Fairy Cross," on behalf of himself, Mrs. Baker and all the other pastors who had been connected through the years with Carmel Church. The story of the cross is that the Fairies who dwell in the Blue Ridge Mountains of Virginia, wept when Jesus was crucified and where their tears fell crosses sprang up.

Mr. and Mrs. Bailey have been noted workers at Carmel and almost regular attendants at Carmel United Church.

Messrs. Ed. Pyear and Arthur Pyear spoke briefly and extended congratulations.

Mr. Ted Reynolds with Mrs. A. E. Baker, accompanist sang, "I'll Walk Beside You." A humorous mock wedding was presented with bride, Mrs. Russell Hubbell; groom, Miss Marion Carlisle; minister, Mrs. Harry Brown; pianist, Mrs. A. E. Baker; bride's mother, Mrs. Joe Grills. At the close the bride presented her garden bouquet to Mrs. Bailey.

The Carmel W.A. members served dainty refreshments and the bride and groom cut the wedding cake which was later served to all by Mrs. Harry Brown and her assistants. The guests departed wishing Mr. and Mrs. Bailey several more happy years of married life.

Mr. and Mrs. Arnold Creaser Honored

A miscellaneous shower was given in honour of Mr. and Mrs. Arnold Creaser on Tuesday evening, in the Ivanhoe Town Hall. This happy event brought friends from the neighbouring charges of Salem, White Lake and Fuller.

Rev. B. Beckel was chairman for the interesting programme as follows:

Round of community singing with Mrs. Reg. Haggerty at the piano; Misses Shirley, Marion and Lois Broadworth sang, "A Marriage Vow," and "Have I Told You Lately That I Love You," with guitar accompaniment.

Mrs. Keith Bray's school staged a mock wedding.

Ivanhoe quartet consisting of Keith Bray, Earl McMaster, Rev. B. Beckel

Presentation Made

An address was read by Mrs. Thomas Clements, of Salem, and the presentation of a lovely chest of silver was made by Mrs. Murney Johnston.

An address of appreciation was also read by Miss Marjorie Prest, on behalf of the Ivanhoe charge.

Mr. and Mrs. Creaser warmly expressed their heartfelt thanks for the many lovely gifts and the many kindnesses shown them and extended an invitation to all to visit them in their new home at Hillside.

Brief speeches were given by Mr. Stanley Prest representing Ivanhoe; Mr. Earl Holland, White Lake; Mr. et al.

(By Rev. A. E. Baker, U.E.)

The opportunity to return thanks in a tangible form will be afforded all members and friends of St. Paul's on Anniversary Sunday. \$2,000 is the amount asked for. To reach it every donor should strive to increase their 1949 gift by at least twenty-five per cent. Let's make it Silver Jubilee Year by exceeding our objective.

All gifts are carefully managed and will enable oil heating installation and church exterior painting to be cared for as well as extra winter upkeep. The committee does not plan any personal canvas. Let it be a free, generous, everybody response. Special Anniversary envelopes will be mailed shortly. Additional envelopes will be available at the church.

Rev. Sidney E. Larman, of Holloway St. Church, Belleville, will speak at St. Paul's at 11 a.m., November 19th.

St. John's Campbellford, and St. Paul's Stirling, will exchange Ministers for their 1951 church anniversaries.

Rev. A. E. Baker will conduct Anniversary Services at Zion (Frankford charge) on October 22nd. Rev. R. MacEachern, of Frankford, will be at St. Paul's in the morning of that day. Mr. Baker will be in charge at Carmel as usual.

Cornerstones are not confined to churches. Many public buildings are adorned by them. The erection of the fine new public school at Stirling might well include a corner stone containing a record of the progress of education down to the present in this historic village, as well as coins, newspapers and other records of the present time. It is not known if the triangular name stone in the present building contains any records of the past.

The Bay of Quinte Conference Young People Union will hold its 22nd annual convention in Cambridge St. United Church, Lindsay, Friday - Sunday, October 20th to 22nd. Young people are invited to make up car-loads to attend. Billets will be arranged. Those attending will be the guests of the citizens of Lindsay.

Sunday, October 8th, Thanksgiving Sunday, has been designated by the Minister of National Defence, "Battle of the Atlantic Sunday." Reference will be made to the gallant contribution made by the men and women of the Royal Canadian Navy.

The mid October focal centre will be the 98th Anniversary Services at St. Paul's. The Rev. Wesley Hunnissett, Director of Fred Victor Missions, will address the Sunday congregations.

Our Minister will conduct both services next Sunday due to the death of Mrs. R. H. Philip, sister of Mrs. Walter T. Elliott, who was to have reported on the General Council meeting. Her report will be heard later.

The sympathy of this congregation is extended to Mrs. J. H. Beatty, bereaved by the death of Arthur A. Sills, of Belleville.

An electric clock was presented and dedicated last Sunday by the family of the late William and Annie Bush in their beloved memory.

A pew Bible was also dedicated in loving memory of Rev. J. H. Andrews by his daughter-in-law, Mrs. Arthur W. Andrews.

Rev. Fred Lane, of Madoc, will address the morning congregation at St. Paul's and the afternoon congregation at Carmel on Sunday, October 29th. Mr. Baker will be guest speaker at the Madoc Anniversary Services that day.

The First Presbyterian Church of Ypsilanti, Mich., has issued the following:

"What is punctuality? Is it that characteristic or habit that leads one to do or to arrive promptly — on time. On time means making allowances for delays, interruptions and human weaknesses. When a man catches his train habitually with his coat-tail flying, grabbing the rail of the last coach, we would not count such a man punctual. The really punctual man has a few minutes to spare and can stop and shake hands with a friend on the way.

We are specially interested in punctuality as it relates to church services and work. Therefore: Bear with me while I say the crime is great

Of those who practice coming in too late.

As if God's service were by far too long,

And none rejoice to praise Him in a song.

A little less indulgence in the bed A little more contrivance in the head, A little more devotion in the mind Would quite prevent your being so behind.

If you complain you have so far to come, Set out a little sooner from your home. But those who live hard by have no excuse.

Except in idleness, or sleep or use.

I grant lest I should seem to be severe There are domestic cases here and there.

Age, illness, service, things quite unforeseen

To censure which I surely do not mean.

But such will not (unless I greatly err) Among the prudent very oft occur. And when do you surely should endeavour,

To come at last; 'tis better late than never.

Punctuality is a habit, therefore it must be acquired. No one is born punctual, though some are more inclined than others, but everyone is without excuse for habitual lack of promptness. Tardiness is only a bad habit and a person can and therefore ought to rid himself of it.

We might add that this not only applies to church meetings of all kinds but to such common matters as paying one's bills, making necessary house repairs, putting washers on leaky taps and the placing of storm windows, etc.

Supervision of

Services For Blind

The Canadian National Institute for the Blind announces Alfred W. Sparks, as Supervisor of Ontario Field Services Department and its district offices.

The new supervisor a former Field Secretary, and blind since early childhood, has always worked with people.

In his early 20's he built up a business in piano tuning and repairing in Montreal, later joining forces with C. W. Lindsay. In 1725 he was made

chief tuner for Lindsay's Ottawa store. "I was registered with C.N.I.B. and getting services, such as books, from the Braille Library," but it was not until 1936 that he met D. B. Lawley, now National Consultant of Field Services, and thought of joining the expanding staff of the Institute.

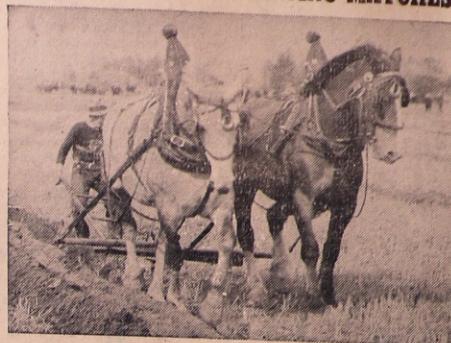

Shortly after, he met Col. E. A. Baker, Managing Director of C.N.I.B., and joined the Ottawa Carlton Advisory Board, as a volunteer, "It was there that I saw the efforts and zeal of the Institute," he recalls, and when he was offered a Field Secretary's position in November 1937, he took it.

His first assignment was Belleville, with the surrounding eight counties. In 1938 he was transferred to Windsor-Essex and a four county district, where seventy-six blind people were receiving C.N.I.B. services. A large new centre now houses the workshop, crafts room, recreational halls and other features that are necessary to the re-adjustment of the blind. More than 250 people benefit.

Mr. Sparks is married. His daughter teaches in Windsor Public School. His son is training as a teacher at O.C. E.

Anniversary Services At Fuller

The Fuller United Church held their annual Anniversary Services on Sunday, October 1st. The new Minister, Rev. Boyd Beckel, conducted both the morning and evening services. His subject for the morning service was, "The Church and its place in the world," and in the evening his subject was, "Christianity meets the need of every one in all ages," basing his remarks from the Text, "I am not ashamed of the Gospel of Jesus Christ for it is the power of God unto salvation to everyone that believeth."

The Frankford United Church Choir were invited to assist in the services and twenty members came, and under the leadership of Mrs. Martin, as pianist took the service of song and praise with special numbers for each service. Those in attendance appreciated very much this service of song.

In the morning service Rev. Beckel baptized the two children of Mr. and Mrs. Kinnear Kellar and Mr. and Mrs. Harris Dean's baby. A large number of the Anniversary visitors were entertained in the homes of the kind folk of Fuller.

Members of the Choir were entertained in the following homes: Mr. Alger Post, Mr. Frank Keller, Mr. Gordon Mitts, Mr. Roy Mitts and Mr. H. R. Burke. Other guests included Mr. and Mrs. Carleton Wright at the home of Mr. and Mrs. Sylvanus Mitts; Mrs. Harry Dafoe, Mrs. Robert Gay, Mr. Ben Brough and Arthur, and Mr. and Mrs. W. J. Fitchett and Marilyn, at home of Mr. H. R. NEWS FOR THE BUSY FARMER

PLANS FOR INTERNATIONAL PLOWING MATCH NEAR COMPLETION

With the big International Plowing Match and Farm Machinery Demonstration only two weeks away, plans for its operation are nearly completed, according to J. A. Carroll, Secretary Manager of the Ontario Plowmen's Association. Just back from the National Plowing Matches and Conservation Days at Urbana, Ohio, Mr. Carroll was full of new ideas for this year's and future matches, but at the same time felt this big Ontario event compared favourably with the American event.

One of the things which impressed Mr. Carroll about the Ohio matches was the degree to which conservation was tied in with the plowing match. He said the conservation leaders seem to feel good plowing is an important part of the good farming which is necessary in conservation program. At this event they hold both their level land plowing and contour plowing matches. Then along with the plowing match there are a considerable number of machinery displays both concerning conservation and the growing of crops. They do not have nearly as many plowing competitions as are held at the International but there are fields for some distance around which have been planted to crops for demonstration purpose. These were similar to potato demonstrations at this year's International, but much more extensive.

Then to enable the visitors to see the demonstrations and to learn the purpose of them there are organized tours on tractor-drawn wagons. When each demonstration is reached, officials are on hand to explain it to the visitors. In all there were 115 tractors hauling rubber tired wagons used for taking people on these tours, so there was every opportunity to see the things which interested the visitor most.

Mr. Carroll went on to say something of this kind is planned for this year's International, though it will probably not be quite so extensive. There will be tractors with wagons on hand at the main parking lots to transport visitors to the headquarters area and possibly to other points of interest.

So far as Contour Plowing is concerned, Mr. Carroll thought the time would come when contour plowing competitions would form part of the program of the International Plowing Match. However, he said it was generally agreed that a man who was a good plowman on level land work would also be a good contour plowman and that the main part of the work for such a competition would fall on the engineers in laying out the fields for contour plowing.

Coming back to this Year's International Plowing Match and Farm Machinery Demonstration, Mr. Carroll had a word for those planning on competing. Competitors who want to have either a tractor or team provided must make their application to the local committee by October 2nd. However, if they wish to bring their own tractor, the local committee will pay expenses at the rate of 50¢ per return mile, up to a maximum of 20. This does not apply to bringing your own team, however. There are plenty of good teams in the area for the use of competitors.

However, any plowman who still wishes to bring his own team will be provided with good stabling and with feed for his animals.

In conclusion, Mr. Carroll states that everything points to an outstanding match this year at the Nottawasaga Valley Farms near Alliston during the four days, October 10th to 13th inclusive, and again urges those desiring overnight accommodation to contact Mr. W. J. Wood, of Alliston, who is chairman of the Billeting Committee.

NEW EXPORT BACON PRICES

Effective Monday, October 2nd, the Meat Board increased the paying price for bacon purchased under the U.K. Canada Agreement by \$1.25 per hundredweight. This increased price will apply on all grades, weights and selections of Wiltshire sides, and will mean a general A grade price of \$33.75 per hundredweight, compared to the previous \$32.50 per hundredweight delivered at seaboard.

Meat Board officials explained that this increase in price will be met out of reserves. Earlier in the year the Board budgeted for a storage program, but owing to light deliveries this expenditure has not been necessary and the price is now being raised for the balance of the present agreement for the purpose of distributing accumulated reserves to hog producers.

Early in 1950, due to strong domestic demand, hog prices advanced well above the export value and have remained so throughout the summer. During the past few weeks there has been a sharp decline in hog prices. In the past four weeks these prices have declined from \$32.00 per hundred pounds to \$21.00 at Winnipeg and from \$33.50 to \$30.00 at Toronto.

Despite normal heavier fall deliveries this new export price will prevent hog prices from dropping below the higher export equivalent.

PASTURE RESEARCH IN CANADA

Down through history green pastures have become the symbol of stability, peace and abundance and the goal of security for mankind in every generation. This is no less true in Canada today where a blade of grass is still the basis of agriculture and thus of human livelihood. Grass means conservation of the soil and future welfare. From a purely dollars and cents standpoint grass has tremendous value and recent figures released by the Canada Department of Agriculture, Ottawa, show that pasture and hay together are valued at \$13 million dollars and comprise about 71 million acres, or more than one-third of the total agricultural land areas in Canada.

Because of its great economic importance, scientists and research workers of the Department of Agriculture are continuously trying to improve and preserve Canadian pastures. Due to the varying soil and climatic conditions prevailing in the different provinces, tests have to be conducted in many widely separated areas.

Co-operating with the Department's Science Service's Chemistry Division, pasture research has long been a major project of the Experimental

Farms Service at the 29 branch farms and stations in all provinces and on many of the 220 sub-stations and Illustration Stations from coast to coast. Since 1932 the Division of Illustration Stations has been carrying on extensive pasture improvement tests under various soil and climatic conditions from Prince Edward Island to British Columbia, with 418 yield record tests being made on 65 farms in 1949. During this same period nearly 1½ million acres of community pastures were operated by the P.F.R.A. in waste areas in Saskatchewan and Manitoba as an aid to cattle producers in these regions.

Production costs of various farm crops have been given careful study at Ottawa and co-operative tests in the Divisions of Animal Husbandry, Chemistry, Field Husbandry and Forage Crops have shown that the cost per acre of producing permanent pasture herbage is low compared with the cost of producing nutrients in other crops. With no cost for tillage and harvesting operations, tests show that permanent pasture herbage can be produced for \$6.30 per ton of dry matter, timothy hay at \$7.60, alfalfa hay at \$6.85, alfalfa silage at \$8.50 and corn silage at \$15.60 per ton.

Experiments conducted by the Department show that while certain crops may be more economical to produce than others, their economy in the final analysis must be measured by the returns they bring for the produce sold when fed to farm animal. Corn silage, for example, when fed for milk production was found to give a lower ratio of returns to cost than did pasture herbage.

Since grass is consumed directly by the grazing animal, with no attempt to cure it or process it in any way, its nutritive value and economy of utilization takes on added significance. In Canada the grazing season is extremely short, usually less than 150 days, and officials of the Department have been studying various methods to make the best possible use of pastures in different parts of the country. Intensive study is being given to increasing the carrying capacity of pastures used for different purposes and in Eastern Canada for example, a gradual increase in carrying capacity is being brought about, approximately four acres per animal unit and a dry matter production of 1,800 pounds now being obtained per acre.

Research has helped toward establishing successful, high producing pastures in some districts, but conditions in Canada vary greatly from one area to another and the Department research workers have found that different areas may require different treatments for best results. Under some soil and climatic conditions some grasses will not stand up under competition and will be crowded out of the mixture. In this way some highly nutritive grasses may be lost for pasture or hay purposes, and some early spring grasses may also be lost for early grazing. In order to provide sufficient herbage throughout the grazing season, tests are now under way at Ottawa and at various experimental stations to see if the strip planting of different grass varieties across a field may not help in solving this problem.

ONTARIO FARMERS ACHIEVE FEED GRAIN OBJECTIVE

Ontario farmers can be truly thankful for a bountiful harvest this year and can face the immediate future with confidence, knowing their overflowing bins will provide ample supplies of feed for their flocks and herds this year. A. H. Martin, Director of the Crops Branch of the Ontario Department of Agriculture, points out

that barring severe frost damage to corn, the 1959 Ontario grain crop is estimated at 208 million bushels. This will be the first time the annual objective of 200 million bushels of grain set first in the early stages of the war, has been reached.

He attributes this achievement to a number of things. High yield competitions; introduction of high yielding and disease resistant varieties; the increase in corn and soybean acreages; and greater attention to fertilization, weed control and soil management have all been major contributing factors. Even so, these same factors in the past have only given a total output ranging from 150 to 185 millions of bushels in recent years.

The other major factor which made this high output possible has been the weather. Few people have had a good word for the weatherman this season because of cool, damp days and a late season. Nevertheless, Mr. Martin says the combination of the lateness, coolness and dampness has given farmers bumper yields in nearly every phase of field crop production and thus has given them something for which they can give thanks.

Why Editor Left Town

(Brooks, Alta., Bulletin)

A South Alberta editor, just about to go to press, "pied" a couple of articles, one concerning an auction sale and the other a write-up of a wedding. He asked the office devil to get the two articles together, and here's how he did it:

"William Smith and Miss Lucy Anderson were disposed of at public auction at my barn one mile east of a beautiful cluster of roses, and two white calves, before a background of farm implements too numerous to mention in the presence of about 70 guests including two milk cows, six miles and a bob sled. Rev. Jackson tied the nuptial knot with 200 feet of hay rope, and the bridal couple left on one John Deere gang plow for an extended trip with terms to suit purchasers."

Retiring Director Honored By Press Club

The high esteem which Canadian newspapermen hold for Walter S. Thompson, retiring Director of Public Relations for the Canadian National Railways System, will be marked this week with the conferring on Mr. Thompson of life membership in the Montreal Men's Press Club.

The only other person to ever receive the same unique honor is Gov-

ernor-General Viscount Alexander.

The presentation will be made on Saturday, October 7th, at a testimonial dinner being held in Montreal in appreciation of Mr. Thompson's untiring work with the nation's press during more than 35 years of handling publicity for the CNR and for many of Canada's most distinguished visitors.

The dinner, which is under the patronage of Prime Minister Louis St. Laurent, is being attended by several hundred colleagues of Mr. Thompson in press, radio, magazine and public relations fields throughout Canada and from the United States and overseas.

Mr. Thompson retired on October 1st.

Taken III In Pulpit

Canon C. R. Spencer, 69, suffered a heart attack Sunday morning in the pulpit of St. James' Anglican Church, Roseneath, after concluding his sermon. He was to have conducted Holy Communion immediately after the sermon, but collapsed after announcing that the service would have to be discontinued.

GHENT — VANDERWATER

On September 23rd, at 3 o'clock, Marsh Hill United Church, Foxboro, was the setting for the interesting wedding of Margaret Aileen, daughter of Colonel and Mrs. Roscoe Vanderwater, to Arthur Warren Ghent, B.Sc., F., son of Mr. and Mrs. Percy Ghent, of Toronto.

Before an altar decorated with baskets of white chrysanthemums, and tall spikes of white gladioli, Rev. F. H. Gilbert officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a gown of white satin

designed by herself. The moulded bodice had a ruffled and shirred portrait neck-line, with long pointed sleeves, and the full skirt was deeply hooped with a long train. A bandage of white button chrysanthemums and ivy strands, held her lace finger-tip veil, and her flowers were Eucharist lilies, gardenias, button poms, and fleur de amour with ivy.

Her sister, Miss Gena Vanderwater, was maid of honor, wearing brocaded yellow satin with a bandage of bronze button poms and ivy, matching her bouquet of bronze chrysanthemums.

Mrs. Basil Kuglin, of Toronto, formerly Alison Vanderwater, and Miss Barbara Giles, Oakville, were bridesmaids, and chose blue brocaded satin

Avoid Accidents Drive Safely

with Bear Wheel Alignment

Most accidents are caused by carelessness — not just carelessness driving, but a failure on the part of motorists to keep their cars in safe driving condition.

Today, tomorrow and everyday the problem of safety confronts the car owner. And the seriousness of the problem calls for immediate attention. Wheel and steering alignment, and wheel balance are of major importance to safety.

Is Your Car Safe To Drive?

If the wheels of your car do not roll straight and true, you are not only wearing away your tires unnecessarily and wasting gas and vital front end parts, but you may also be risking a serious accident. **WHY TAKE A CHANCE?**

Our Scientific Bear Service!

With our modern Bear equipment and skilled operators we are in a position to render an unusual service to the car owner. An inspection will uncover any condition which might lead to the ruination of your tires or a costly repair bill. It will take only a few minutes but —

It May Save Your Life!

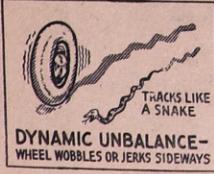

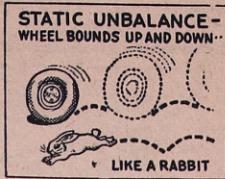

You owe it to yourself and family to have the wheel and steering alignment of your car checked regularly. With wheels in perfect balance and alignment you can drive safely at any speed and enjoy greater driving pleasure.

with bandeaux of yellow poms and ivy, and carried bouquets of yellow chrysanthemums. The gowns were made on princess lines.

Mrs. Earl Gildner, formerly Miss Colleen Maines, of Waterloo, played the wedding music. The latter was of interest, as it consisted of an Impromptu composed by the bride, and an Interlude, composed by Mr. Percy Ghent and arranged by the bride's mother.

Miss Shirley Droke was soloist, immediately preceding the ceremony, her song was a poem, "Hymn of Meditation," by the bride's aunt, Jenny O'Hard Pincock, set to the "London-derry Air." During the signing of the register, Miss Droke sang, "At Dawn-ing."

The groomsman was Mr. John Neilson, of Toronto. Mr. Bazil Kuglin and Mr. John Anderson, also of Toronto, were ushers.

At the reception at home, Mrs. Vanderwater received wearing a beige gown of lace and crepe, with green accessories, and a corsage of Talisman roses. Mrs. Ghent assisted, wearing a gown of grey tissue faille with matching accessories. Her corsage was also of Talisman roses.

The bride and groom left for holiday at their summer home in Sunbridge, the bride wearing a teal blue silk velvet suit, black velvet hat with matching accessories, and a corsage of orchids.

Mr. and Mrs. Ghent will reside in Toronto.

Chatterton W.M.S.

The October meeting of Chatterton W.M.S. was held at the home of Mrs. Fred Kingston on Tuesday afternoon. Eleven members and one visitor were in attendance.

The President, Mrs. Bartindale, was in the chair for the opening and business session. New quilts and used clothing; reports of Secretaries; plans for attending meetings in Foxboro and Belleville; Missionary Monthly and World Friends subscriptions and several items of correspondence were discussed. The Sunday evening Rally in Stirling was reported by Mesdames Lindenfield, A. Finkle, Campbell and B. Finkle. All were much impressed by the address by Mrs. Loveys and their reports were very interesting.

The Worship Service as given in the Monthly was followed with Miss Mae Currie, Mrs. B. R. Searles and Mrs. Fred Campbell assisting the President. Miss Mae Currie was in charge of the programme as follows: Notes on Christian Stewardship by Mrs. Bartindale; brief reference to the books for study; an address on "Kagawa," by Mrs. W. Lindenfield; reading on Stewardship, by Mrs. B. R. Searles; a reading from Miss Jane Scott's column in Globe & Mail; by Mrs. F. Lindenfield.

Entered Into Rest

FREDERICK WALTER THRASHER

Frederick Walter Thrasher, born in Madoc, seventy-seven years ago, died at the home of his son, Charles Thrasher, 17 Sixth Street, Bayview Heights, Belleville, Ont., on Sunday, September 24th, 1950.

The late Mr. Thrasher had been in failing health for the past ten years. Son of the late Cornelius Thrasher and Nancy Wager, he had resided in Wellman's Corners for the past nine years and lived in Oshawa for 21 years previous.

He was a former employee of the General Motors Corporation, Oshawa, and a member of Wellman's Corners United Church.

Surviving are his widow, the former Mary Ethel (Pauley) Mason, two sons, Ernest, of Sudbury, and Charles, of Belleville; one sister, Mrs. Paul Sharp, of Wellman's Corners; two brothers, Roy, of Mount Pleasant, and George, of British Columbia, nine grandchildren and nine great grandchildren.

The funeral was held in Wellman's United Church, Tues. afternoon, September 26th, and was largely attended by relatives and friends including several from Sudbury and Belleville. During the service conducted by his pastor, Rev. H. C. Vacavlik, a duet was rendered by Mr. and Mrs. George Watson. The hymns used were old favorites, "Safe In The Arms of Jesus," and "O Love That Will Not Let Me Go."

The bearers were Messrs. Charles Morton, John Rannie, Robert Wallace, Fred Beckett, Victor Graham and Clarence Dunham.

A large number of floral tributes testified to the high regard in which the deceased was held.

Interment was made in the family plot at Madoc.

St. Andrew's, West Huntingdon, W.M.S.

The September meeting of St. Andrew's Presbyterian Church Woman's Missionary Society of West Huntingdon, met at the home of the President, Mrs. John McIntyre.

The meeting opened by the singing of a hymn, followed by prayer. A paper on the Roll Call was given by Mrs. John Hassall. Mrs. John Wright read a paper on work in the Mission Field. A solo with guitar accompaniment was given by Mrs. Foster Wilson.

The guest speaker for the meeting was Mrs. W. H. V. Walker, who spoke on the subject, "Skill In Taking Things As They Come." Mrs. Walker said "When we put this philosophy into practice we learn to get along with the unexpected circumstances of human existence."

"How do you keep placid when troubles come as Shakespeare once said, 'Not singly but in battalions?'" How do you keep quiet in the midst of storms and confusion? Just have God's peace within us, as St. Peter said, "I have learned in whatsoever state I am, therewith to be content."

The speaker told of a few impressions when visiting New York and Boston last summer. Among them she mentioned a tour to the darkest spot on the American Continent, New York City's Chinatown, where thousands of men from all over the world are fed and clothed and sheltered in the Rescue Mission.

Mrs. Walker also visited Plymouth

Mr. and Mrs. Ernest Gifford
Recipients of Several Beautiful Gifts — Program Held

A large number of neighbours and friends gathered at "Sunset Hill," the home of Mr. and Mrs. Ernest Gifford, River Valley, on Friday evening, September 29th, to honour them on their recent marriage.

Rev. A. J. Anderson, rector of St. John's Church, acted as Master of Ceremonies for a short programme consisting of community singing led by Mrs. Geo. Heasman and Mr. Reg. Coombes; readings by Mrs. Reg. Coombes, Mrs. Don Donohoe and Veva and Sally Coombes, and several short congratulatory addresses. Cards were also enjoyed.

Reginald Coombes read an address on behalf of the charivari gang and Mr. and Mrs. Gifford were presented with an end table, while Jack Bush read an address on behalf of the community and the honoured couple were given a book case and a table lamp.

Dainty refreshments were served and a social hour much enjoyed. Following are the addresses:

Dear Margaret and Ernie:

During recent weeks we have learned of the success of friendly nations fighting for the right under the United Nation's banner. No greater example of good will between nations can be found than the unguarded border across this continent.

Here is another example of international friendship when you, Margaret, crossed the continent to make your home in another country. The Stars and Stripes are respected here as the Union Jack is over there. We hope and expect you will feel very much at home here.

The epidemic which has struck the Valley this summer has claimed many victims even invading the ranks of the Bachelor's Club. While you, Ernie, were pretty high up in the degrees of the Club, we rejoice that you have deserted them to become a happily married man. The question now is, "Who Is Next?"

We are glad, Ernie and Margaret, that you have chosen to remain here and establish a permanent home among us. We ask you to accept the kindly thought represented by these gifts, with the hope that your days may be many and happy in the Valley.

On behalf of the Community

Charivari Gang

Margaret and Ernie:

Since time began mankind has been struggling to find better means of expressing thoughts, ideas and emotions. Whether we consider the theme of a grand opera or the howls of a hungry baby the urge for expression is there.

However, when a bride hears a wild burst of unholly music long after her lord and master is sound asleep, she is supposed to know that shot-guns, cow bells plough shares and horse-fiddles are merely strumming a happy melody, expressing joy that a River Valley lad has taken to himself a mate.

Now this little party is another way of showing the same thing. We ask you to accept this gift as a reminder that we are happy to have another member added to the River Valley Music Makers.

Start Steel Work

The erection of the steel work on the new public school began yesterday, with employees of the Leeds Steel Co., of Montreal, in charge.

Dinner Party

Mrs. C. A. Mullen, of Toronto; Mrs. Jean Wallace, of Wellington; Mr. and Mrs. C. I. Hatton, Mr. Bob Hatton, Mr. and Mrs. A. Fraser, Mr. and Mrs. J. S. Whitehead, and Dr. and Mrs. R. Vandervoort, attended a dinner party at Wetung's Lodge, Buckhorn Lake, on Sunday evening.

High School Squad Lose To Tweed

Stirling High School Rugby squad dropped an 18 to 5 decision to the Tweed High School last week on the latter's campus. The homesters outplayed the locals along the line and took advantage of their scoring opportunities better than the locals.

Official Visit To Local Lodge

Mr. Wor. Bro. A. V. Gaebel, Madoc, District Deputy Grand Master of Prince Edward District, will make his official visit to Stirling Lodge, No. 69, A.F. & A.M., on Thursday evening next, October 19th. A banquet will be served by the ladies of St. John's Anglican Church in the Stirling Community Hall at 7 p.m., following which a regular communication of the craft will take place in the Masonic Temple.

A large attendance of Masons from the surrounding district is anticipated to do honour to the representative of the Grand Master.

Engagement

Mr. and Mrs. Kenneth E. Weaver, announce the engagement of their daughter, Lois Katherine, to Mr. Gordon Lindsay Sills, son of Mrs. J. C. Sills and the late Mr. Sills, of West Huntingdon. The marriage will take place November 4th at Mount Pleasant United Church.

Chest Clinic Here October 31 - Nov. 1

A visit from the Provincial Chest Clinic to Stirling will be held in the Stirling Community Hall on Tuesday, October 31st from 10:30 a.m. until 5 p.m., and on Wednesday, November 1st, from 9:15 until noon.

This Clinic is held as a service to the community for early recognition of diseases of the lungs; for contacts of known cases of tuberculosis; for patients of sanatoria and for a check of all cases of obscure chest conditions.

Anyone wishing to avail himself or herself of the services of the clinic, will make proper appointment through the family physician or the local Medical Officer of Health.

Warden's Banquet To Be In Bancroft

Warden Clarke T. Rollins, of Hastings County, has issued invitations to the annual warden's dinner which this year will be held in the Legion Hall, Bancroft, on October 18th.

DAVID WELLMAN OF BONARLAW KILLED INSTANTLY

David Wellman, 42, of Bonarlaw, was instantly killed Tuesday night when he lost control of his truck on Highway No. 7, three miles east of Havelock. The truck went into the ditch where it plowed up the dirt for several feet, then swung back onto the highway where it overturned on its top and skidded to a standstill.

A veteran of the last World War, Mr. Wellman served five years in prison camp at Hong Kong. He was the son of Mrs. Jennie Wellman and the late David Wellman. He is survived by his mother and three brothers, Clarence, of Havelock, and Charles and Ralph on the homestead at Allan's Mills.

Wellman had been working at the runway extension project at Trenton Air Station and was driving a truck belonging to his brothers at the time of the accident.

Walking is excellent exercise for everyone — it cures cold feet, hot heads, pale faces and bad tempers.

Bailey is leaving soon to make her home in Peterborough.

Following the installation lunch was served and a social hour spent.

Anniversary Services St. Andrew's Church At West Huntingdon

Anniversary Services were held at St. Andrew's Presbyterian Church, West Huntingdon, on Sunday last, at 11 a.m. and 7:30 p.m. Rev. E. A. Thomson, D.D., of Toronto, was the special preacher and gave two outstanding sermons.

Dr. Thomson is Secretary of the Board of Administration and Clerk of the General Assembly of Presbyterian Churches in Canada and one of the Church's outstanding men.

The associate congregation of St. Andrew's Stirling, withdrew their services for the day to permit the congregation to join in the worship. In the evening Beulah United Church cancelled its services expressive of the good will of the congregation and the Minister, Rev. B. J. Beckel, who assisted in the service.

The occasion brought former members from distant points and neighbouring congregations joined in the worship. The weather was ideal and the day was made memorable by the large congregations and the inspiring messages. Baskets of gladiolus, chrysanthemums and autumn flowers which decorated the sanctuary, added to the services.

In the morning Rev. Thomson spoke on the theme "Building On The Solid Rock," and in the evening, "We Are Christ's Ambassadors."

The choir, under the direction of the organist, Miss Bessie Fleming, sang at the morning service, "Now Let Every Tongue Adore Thee," from the Cantata, "Sleepers Awake," by Bach. Miss Joan McCurdy, of Foxboro, and Miss Margaret Haggerty sang a sweet duet, "Hold Thou My Hand." At the evening service the choir sang, "He Will Hold Me Fast," and a solo, "Bless This House," was given by Miss Margaret Haggerty.

Rev. W. H. V. Walker conducted the evening service and Rev. Boyd Beckel, of Ivanhoe, assisted.

CANADA SAVINGS BONDS -- BUY THEM THE EASY WAY

Use the Bank of Montreal Monthly Instalment Plan — Five Per Cent Down-Payment — \$2.50 for \$50.00 Bond, \$5.00 for \$100.00 Bond — Balance in Easy Monthly Instalments Over Year.

These are times when it is especially valuable to have a reserve fund. This is something only steady saving will give you. Besides, with the high cost of living, it is wise not to spend more than you have to, because cautious spending is the best way of keeping prices under control. It's both far-sighted and patriotic to put away as much money as you can.

That's where the Bank of Montreal's instalment plan for buying Canada Savings Bonds comes in. Canada Savings Bonds pay 2% per cent interest every year, and are backed by the resources and the good name of this country. They're certainly a first-class buy.

What's more, you can buy your bond even though you haven't the ready cash . . . down-payment of just five per cent is all that is needed — \$2.50 for a \$50 bond, \$5 for a \$100 bond. The B of M will provide the balance of the money to purchase the bond immediately, and deduct each month from your account a portion of the cost. Thus, at the end of the year you will have an investment of lasting value, bought in a way that suits your budget.

Call in at your local B of M branch tomorrow, and have a word with Mr. A. V. Greenley, the manager. He, or any member of his staff, will be very happy to help you arrange the purchase of your Canada Savings Bond.

Form "H" Permits Raised To \$200 A Year

The Minister of Finance announced today that Form H Permits for travel funds may now be approved by banks and other agents of the Foreign Exchange Control Board for amounts up to \$500 per trip for bona fide business travel and up to a total of \$500 per person during the calendar year for travel for other purposes.

Applications for larger amounts may be referred to the Board and will normally be approved for genuine travel expenditures when the duration of the proposed journeys appear to justify them.

The Form H travel permit must still be obtained and surrendered to customs at the time of leaving Canada if a traveller is taking out of Canada more than \$50 in U.S. funds or more than a total of \$100 in both U.S. and Canadian funds. The Form H is considered a necessary protection against the export of capital sums in the form of currency where such exports would not be permitted through other channels.

Individuals may obtain up to \$50 U.S. in any month for travel in the United States where the applicant will not be taking out of Canada more than \$50 U.S. or more than a total of \$100 in U.S. and Canadian funds combined.

Banks and other agents of the Foreign Exchange Control Board will approve applications up to the equivalent of \$2000 Canadian per year for attendance during a full academic year at a university, college or boarding school in the United States.

The Bible Lesson on Samuel and Eli in the temple was given in a very interesting and instructive manner by Rev. Morley Clarke. The closing hymn was "Can A Little Child Like Me." Lunch was served and supplied by Misses Donna Stapley, Suzanne Gallagher and Gordon Madill. The president moved a vote of thanks to Rev. Clarke, and to the lunch convenors.

Three new members were also welcomed into the Mission Band by the leader, who were Master Gary Phillips, Don Madill and Miss Anna Mae Clarke.

Tweed Couple 60 Years Married

Residents of Tweed since 1925 and of that area since 1910, Mr. and Mrs. Mitchell LeSage celebrated their diamond wedding anniversary on Sunday at their home there. Eighty-five-year-old Mitchell LeSage and his 89-year-old wife, the former Philemon Gomore, were married in 1890, 60 years ago.

Wellman's W.I.

Mrs. Lorne Watson entertained the members of the Wellman's Women's Institute at her home on September 20th for the regular meeting.

The President, Mrs. Chumbley opened the meeting with the opening ode, followed by the Lord's Prayer. The roll call was answered by naming a newspaper and where it is published.

During the business period plans were made to hold an afternoon tea on November 15th and invite other Institutes. This is to celebrate the 45th anniversary of the Wellmans Institute. A motion was carried to donate \$5.00 in aid of the blind.

Miss Lela Linn described a recent visit to Ottawa and tour of the Parliament Buildings. Mrs. Fred Beckett gave a vocal solo. The meeting closed with the Institute Creed and God Save The King.

Lunch was served by the hostess and lunch committee. Mrs. Clifford Clancy thanked Mrs. Watson for her hospitality. The next meeting will be at the home of Mrs. Kenneth Tompkins on October 18th at 2:30 p.m.

THE JUICY ORANGE
(Peterborough Examiner)

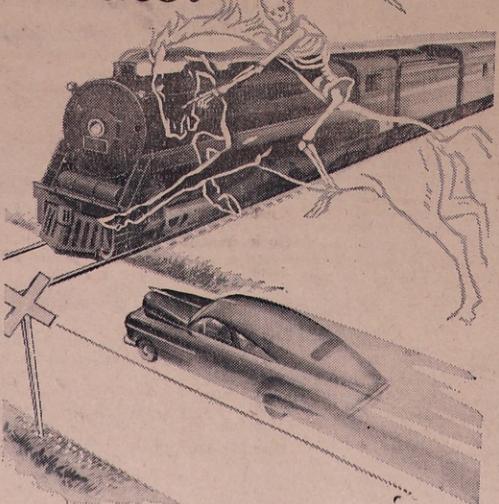

"Jesus Feels So Sorry," was the opening hymn with Miss Donna Stapley as pianist. The Mission Band purpose was repeated in unison and was followed with prayer led by Rev. Clarke. Roll Call was responded to with a Scripture verse by 27 members. Offering amounted to \$1.03. A half hour of singing, led by Rev. Clarke and his guitar was thoroughly enjoyed.

The business portion of the program was taken by Mrs. Harlow. The next meeting, which is to be on Thanksgiving, will be held on Tuesday, October 17th, rather than the customary 3rd Friday.

How delightful it would be if, when Mr. Abbott announced new taxes, we could reply: "Ave, ave, sir; we'll get around to those just as soon as we can." That is the way the Government deals with its promises of economy.

Those who served were Helen Kerby, Mary Kerby, Jane Gay, Jane McAvoy, Eleanor Wannamaker, Ruth Richardson, Shirley Tanner, Jean Martin, Elsie Richardson, Sally Farrell and Dorothy Jones. The rooms were decorated in gladioli in variegated colors, other Fall flowers and pinks and white streamers and bells. The bride's table was centred with three-tiered

In Hymen's Bonds

LACHAPELLE — McAVOY

St. James the Minor Roman Catholic Church, Stirling, Ont., adorned with standard of pink and white Picardy gladioli, was the scene of a pretty wedding on Saturday, September 30th, at 10:30 a.m., when Hanora Marie McAvoy, daughter of Mr. and Mrs. Phillip McAvoy, Ivanhoe, Ont., became the bride of Roy Stanislaus La Chappelle, of Crookston, son of Mr. and Mrs. John LaChappelle. The Rev. Father O'Hearn of Stirling performed the ceremony and Daniel McAvoy and Nicolas Bibby acted as acolytes. Wedding music was played by Mr. Ronald Robinson with the soloist Mr. Gerard Lehay singing before the ceremony "The Rosary" and during the Mass, "Ave Maria."

The bride, given in marriage by her father, wore a floor length white satin and lace gown, with molded lace bodice pointed at the back, buttoned to the collar in the front with a panel of lace down the front and back of skirt which was full and ended in a slight train. The tight-fitting sleeves ended in lily points over the hands. She wore a Dutch style lace headress with fingertip veil of tulle illusion bound with matching satin. Her bouquet was of Pinocchio roses with circular arrangement with floralized streamers.

Miss Agnes McAvoy, sister of the bride, as maid of honor, wore gold corded American taffeta with molded bodice, sweetheart neckline, short cap sleeves, a matching heart-shaped headdress and lily-points mitts. Her flowers were Talisman roses and bronze feathered 'mums of the gardener cluster type.

The bridesmaids, Millie McAvoy and Miss Rita McAvoy, sisters of the bride, were attired in similar gowns of rust corded American taffeta with matching mitts and heart-shaped hats the same as the maid of honour's.

Little Miss Roseanne McAvoy, as flower girl, wore rust corded taffeta with full skirt, sweetheart neckline, puff sleeves, matching wristlets and sash, also a Dutch cap. Her bouquet was a miniature of the bride's with bronze feathered 'mums, Talisman roses and bronze maline.

Mr. Maurice LaChappelle, of Crookston, Ontario, brother of the groom, was best man and the ushers were Mr. Patrick McAvoy, Oshawa, and Mr. Bernard LaChappelle, brother of the groom, Crookston.

A reception followed at the home of the bride's parents, when 129 guests were received by Mrs. McAvoy, wearing a dress of wine crepe, navy accessories and a corsage of Johanna Hill roses. Mrs. LaChappelle assisted, wearing medium blue crepe, navy accessories and corsage of yellow Dream roses.

Those who served were Helen Kerby, Mary Kerby, Jane Gay, Jane McAvoy, Eleanor Wannamaker, Ruth Richardson, Shirley Tanner, Jean Martin, Elsie Richardson, Sally Farrell and Dorothy Jones. The rooms were decorated in gladioli in variegated colors, other Fall flowers and pinks and white streamers and bells. The bride's table was centred with three-tiered

wedding cake.

For a wedding trip to Buffalo the bride chose a powder blue gabardine suit, navy accessories and a corsage of Sweetheart roses.

Out-of-town guests were present from Belleville, Oshawa, Winnipeg, Man.; Smith Falls, Peterborough, Sarnia, Frankford and Lonsdale.

The bride's gift to the groom was Gladstone luggage; to the maid of honor, gold compact; to the bridesmaids, rhinestone necklaces; to the flower girl, birthstone pendant; to the soloist, leather billfold; to the organist, gold tie pin; gifts to the girls who served were cream and sugar sets.

The groom's gift to the bride was a set of luggage; to the groomsmen and ushers, initialled tie pins. Upon their return the bride and groom will reside at 64 West Bridge St., Belleville.

Prior to her wedding the bride was guest of honour at a shower given by the girls of the Bell Telephone staff, when a twilight lamp was presented; also at a linen and towel shower at the home of Misses Helen and Mary Kerby, Ivanhoe.

STIRLING

Items of Interest**From St. Paul's -****Carmel**

(By Rev. A. E. Baker, U.E.)

St. Paul's will welcome many former residents and friends to its Anniversary Services next Sunday. It is expected that "Stirling" hospitality will be graciously extended to all visitors in our homes. It will be a privilege to hear the Rev. Wesley Hunnissett of Fred Victor Mission, "Toronto's Parson to the Poor," who will preach at both services.

The Stewards are asking for a thank-offering of \$2,000. We have been so greatly blessed that if everyone will return thanks by tangible gift the amount will be exceeded. Visits in many parts indicate that this year people are disposed to forsake "giving" that is, they are not just repeating last year's amount. There is a movement to new and higher ground. The officials of the Church are not unmindful of the widow's love gift which our Lord commanded because she gave "all that she had."

Music for Anniversary Sunday will include the Hallelujah Chorus from Handel's Messiah; the "Festive Te Deum," by Dudley Buck, and other special numbers.

The love and sympathy of this Pastoral Charge are extended to the family and loved ones of the late Mrs. R. H. Philip, who was buried from St. Paul's Church last Friday.

Mr. Arthur Morrison has assumed the duties of Sexton at St. Paul's.

International Rotary plans a United Nation's week observance October 16th to 22nd. A service to be attended by the Stirling Rotary Club will be held on Sunday, October 22nd at St. John's Church, Stirling. The Rotarians are to be commended for lending their great strength to the promotion of world peace.

An opportunity will be afforded the citizens of Stirling to hear the Rev. Roy MacEachern, of Frankford, at St. Paul's at 11:00 a.m., on Sunday, Oct. 22nd. This is the first visit of Mr. MacEachern to St. Paul's, and it is hoped he will be welcomed by a large congregation.

The annual congregational memorial service for our war dead and our civilian dead during the past year will be held on Sunday, November 5th at 11:00 a.m. at St. Paul's and at 2:30 p.m. at Carmel.

Our war dead whom we cherish and for whom we hope to erect a permanent bronze tablet in due course are:

World War I — Arthur Harabin, Sidney Sanford, Norman Payne, Alex Conley, Arthur Conley, Fred Dailey, Morley Richardson, Percy Kennedy, Delbert Rodgers.

World War II — Coolidge Ashley, Donald Stapley, Ivan Martin, John Wood, Ralph Stapley, At Carmel — Arden Loshaw and Roy Conley.

Our civilian dead since Remembrance Sunday 1949 are Florence Annie Carr, James Hillyard Beatty, Mary W. Potts, Gail Francis Clendenning, Barbara Cecile Stapley (Carmel), Emma Tanner, Mary Melvina Maynes, Emily Ann Phillips, Mary Catherine Hawkins, Mary Martin, Thomas William Donohoe, Flossie Hulin, Roy B. Duffin, Charles Herbert David, Maude Marguerite Philip.

If there are any errors or omissions in these lists will you please notify the Minister at once. Any person desiring to place flowers or other tributes in the church are invited to notify the flower convenor of the Woman's Association. It is hoped to have "Roses of Memory" for all Silver Cross Mothers and the immediate next of kin of our civilian dead at this service.

Mrs. C. A. Wells is Flower Convenor for October. Persons with garden mums or other flowers suitable for the church on Sundays are invited to make them available.

The Village of Warkworth was in gala dress last Friday to welcome the Premier of Ontario and to mark the centenary of its first fair. Every lamp post on Main Street was decorated with red, white and blue streamers stretched across the road, a huge Union Jack was on the wall of the Town Hall and scores of smaller "Jacks" were in evidence everywhere. The windows of shopkeepers were dressed with antiques. A parade in which the Prime Minister of Ontario participated included Fair Directors, Warkworth Band, Boy Scouts, Girl Guides, Veterans, school children for miles around the village and others. This little village has not forgotten its loyal ancestors. It was a grand parade, a good fair and a big day.

Messrs. Jack Bush and Harold Hagerman took solo and solo parts in the services last Sunday. These promis-

ing voices were a most helpful part of the service.

Reference was made to the "Battle of the Atlantic," appeal of the Hon. Brooke Claxton and the link of Stirling with the R.C.N. through Surgeon Commander Marvin C. Wellman of the Aircraft Carrier H.M.C.S. Magnificent, who was born in Rawdon Township and attended the King George High School in Stirling. The prayer of Admiral Nelson on the morning of the Battle of Trafalgar and of Admiral Sir Francis Drake on entering Cadiz Harbour as well as the Naval Prayer were read at this service.

The Royal Stirling Junior Choir award for September was made to Miss Jeanette Ayrhart for interest and regularity.

The Carmel Sunday School and Church meetings are withdrawn next Sunday to allow everyone to attend St. Paul's Anniversary Services.

St. Paul's Senior Choir will meet for practice every Monday at 7:15 p.m. and every Thursday at 7:30 p.m. until further notice. All who love singing are invited to join in these practices.

The Official Board has approved of the participation of our choirs in Musical Festivals as and when the choirs are agreed in the matter.

The Official Board has appointed a committee to draft plans for a Musical Festival in Stirling to be held in the early summer of 1951.

The Royal Stirling Junior Choir has accepted an invitation to sing at the evening Anniversary Service at Ivanhoe on November 5th.

Mrs. Alex Bush and Mrs. C. Tucker were the attractive hostesses at St. Paul's last Sunday. During August and September all worshippers were graciously welcomed by Mrs. Sid Demorest, Mrs. J. H. Beatty, Mrs. Oliver Stapley, Mrs. R. Christie, Mrs. W. L. Fox, Mrs. J. B. Thompson, Mrs. Geo. Carlisle, Mrs. C. A. Wells and Mrs. J. L. Good.

TO EXTEND TRENTON PLANT

Trenton Cotton Company has announced that it will make extensions to its plant by the construction of a two-story addition with a floor space of 10,000 square feet. 190 employees now work at this industry and with the additional facilities, it is expected increases will be made to the staff.

HALF CANADA'S AUTOMOBILES ONTARIO-OWNED

There is an automobile for every five-and-a-half persons in Ontario, and the province can claim more than half the total number of motor vehicles registered in all Canada.

Highways Minister Doucett said Thursday that to the end of August licenses had been issued for 1,036,409 passenger cars, trucks, buses, dual purpose vehicles and motorcycles. Of this figure \$30,012 are private cars, compared to Ontario's population total of about 4,500,000.

Total vehicle registration for Canada in 1949 was 1,991,478. At that time New Brunswick showed the lowest registration figure, 58,300.

To date Quebec is closest to Ontario in vehicle registration with about 271,000 vehicles. According to officials at Queen's Park this figure compares with registrations in York and the City of Toronto.

By comparison, Toronto City Police Traffic Officers have nearly as many cars to worry about as does the entire Province of Quebec.

In Ontario the number of driving permits issued by the end of August also hit a new high with nearly 1,300,000 persons passing driving tests. Of these 793,712 were operator's permits and 509,223 chauffeur's permits. In the first nine months of the year 180,885 persons obtained instruction permits.

Mr. Doucett said he expected the total number of licensed drivers in Ontario to pass the 1,500,000 mark by the end of the year, as compared to last year's total of 1,225,000. At present the total is 1,484,790.

The minister added that so far this year 108,661 cars had changed hands through new and used car dealers. There are 2,018 used car dealers licensed in Ontario.

CHEVROLET

the Leader

GIVES YOU MORE AND COSTS YOU LESS

✓ **LOW FIRST COST**

Hard facts, not fancy phrases, determine any car's value. Study the market carefully, feature by feature and value by value. Then compare the Chevrolet price tag with that of any comparable car. You'll find beyond doubt that this impressive, powerful, six-passenger automobile is the value-leader by far!

✓ **ECONOMICAL OPERATION**

For all the power you want when you want it, with consistently economical fuel consumption, there's no better engine than the highly-improved Chevrolet valve-in-head, with its ultra-efficient new carburetor. And that's not all! Many thousands of enthusiastic owners will testify that Chevrolet needs less maintenance, less servicing than any comparable car.

✓ **BRILLIANT PERFORMANCE**

Just get behind the wheel of a Chevrolet, and you'll soon know the meaning of brilliant performance. In city traffic, on busy highways, on rough back roads, Chevrolet has the edge on all its rivals. And it stays at the peak of its performance, mile after mile, month after month.

✓ **GREATER ROOMINESS**

There's hip-room, head-room, leg-room and room to spare for six adult passengers in a Chevrolet. The big doors swing wide to let you in and out without undue stooping or crouching. And the bigger, more capacious trunk has ample room for all your luggage — and your passengers', too!

✓ **COMPLETE DEPENDABILITY**

Built for Canadian driving requirements, reflecting its superior craftsmanship in every detail, Chevrolet is further backed by a nationwide organization of skilled service and maintenance specialists. No wonder it is renowned for delivering dependable, trouble-free performance under all conditions!

• It's best in its class for styling, for performance, for comfort and for operating economies — yet it costs far less than any comparable car. That's why Chevrolet is first in value!

Let the record speak for itself! In a recent impartial survey conducted among thousands of motorists, Chevrolet proved to be in greater popular demand than any other car.

No wonder Canadians buy more Chevrolets than any other make of car. They know that Chevrolet, built and proved in Canada for Canadians, is unequalled at its price for comfort, safety, lasting beauty and all-round dependability.

the first nine months of the year 180,885 persons obtained instruction permits.

Mr. Doucett said he expected the total number of licensed drivers in Ontario to pass the 1,500,000 mark by the end of the year, as compared to last year's total of 1,225,000. At present the total is 1,484,790.

The minister added that so far this year 108,661 cars had changed hands through new and used car dealers. There are 2,018 used car dealers licensed in Ontario.

✓ **HIGH REPUTATION**

Here's convincing proof that throughout years, Chevrolet has earned a reputation for unwavering excellence! In a recently conducted coast-to-coast survey, an overwhelming majority of motorists named Reputation as the most compelling reason for Chevrolet's popularity.

✓ **MODERN STYLING**

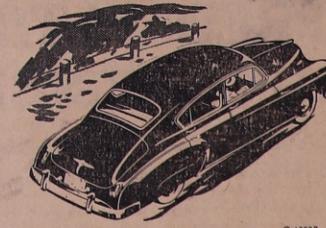

In every detail, the new Chevrolet is in the very forefront of the style parade. Those flowing, graceful lines radiate quality from every angle. And don't forget — its consistently advanced styling is renowned for delivering dependable, trouble-free performance under all conditions!

✓ **GREATER SAFETY**

From the blueprint stage onward, built-in safety factors are an integral component of every Chevrolet. The immensely strong box girder steel frame . . . the exclusive Certi-Safe hydraulic brakes for quick, controlled stopping . . . the ample reserve of power in the valve-in-head engine — all these and many other Chevrolet features are designed for your protection.

✓ **HIGH TRADE-IN-VALUE**

Records prove that used car buyers as well as new car buyers consistently favor Chevrolet over other cars. That's because Chevrolet is first in the low-price field with all the qualities of much higher priced cars, and also because it's renowned for dependable, year-in, year-out performance.

Mount Pleasant

Again it is Thanksgiving and we are
reminded of that poem by Gertrude B.
Webster:

For mornings that the smiling sun has
kissed,

For evenings shot with stars and
draped with mist.

For peaceful pauses that still might
prolong,

We raise to God our glad Thanksgiving
ing song.

Mount Pleasant United Church was
responsible on Thanksgiving Sunday
with bouquets of autumn blooms,
sheaves of corn, golden yellow pump-
kins, sealers of fruit and vegetables,
and a large array of vegetables and
fruits. The Pastor gave the message
and the choir contributed a number.

Mr. and Mrs. Allan Donnell, of
Ottawa, were dinner guests Saturday
at the home of Mr. and Mrs. Percy
MacMullen, enroute to Toronto for
Thanksgiving. Mr. Donnell was a
former editor of the Stirling News-
Argus.

A large number of Mount Pleasant
folk attended the musical comedy,
"The Gypsy Rover," in Stirling last
week. Over a dozen people were in
attendance both Wednesday and
Thursday evenings. The costumes
worn by the cast were beautiful and
well worth the admission price.

The W.M.S. meeting will be held on
October 18th at the home of Mrs. Her-
bert Smith.

Hello Homemakers! The colour of fall fashions should send us spinning and twirling to vie with nature's coloured leaves as they dance into nooks and crannies. Such colours as polka orange, mimet grey and ballet purple seem to make us happy and proud.

While preparing meals we should be pleased with our colourful fall vegetables, too — the orange pumpkin, the grey-green squash and the purple grapes. These and other fall vegetables are economical in price yet high in food value.

CORN AND GREEN PEPPED MOLD

1 cup cooked corn
1-3 cup chopped green pepper
1-3 cup chopped celery
1 tsp. grated onion
1 tbsp. gelatine
1/2 cup cold water
1/2 cup cooked salad dressing
2 cups boiling water

Soak gelatine in cold water. Add boiling water and stir until dissolved. Chill and add mayonnaise and salt. When partially set, add prepared vegetables. Pour into 6 individual greased molds and chill in electric refrigerator. Unmold and garnish with parsley.

SAUTÉ TURNIP

4 cups grated turnip
1/2 cup butter
Salt and pepper

Cut turnip in half, peel and grate. Place grated turnip in shallow pan in which butter has been melted. Add salt and pepper. Stir occasionally and cook, covered, for about 20 mins. No water is needed for fresh turnips using this method.

SCALLOPED ONIONS IN TOMATO

6 large onions, sliced

3 tbsps. butter
3 tbsps. flour
1/2 tsp. salt
1-8 tsp. pepper
2 cups tomato juice

Arrange half of onions in casserole, sprinkle with half the flour, salt and pepper. Dot with butter. Finish all ingredients in second layer. Pour on tomato juice. Bake in electric oven at 400 degrees for 35 to 40 mins. Serves 6.

ORIENTAL MARROW

1 vegetable marrow
2 green peppers
3 tbsps. butter
5 ripe tomatoes
1 can rice
1 tsp. celery salt
1-8 tsp. garlic salt

Prepare marrow by peeling and cutting into cubes. Soak in salt water for 15 mins. Melt in skillet, add green pepper cut into strips (without seeds) and the marrow rolled in flour. Sauté until brown. Add peeled tomatoes, canned rice and seasonings. Cook 10 mins. Yield about 8 servings.

TAKE A TIP

Vegetable Sauce:

1. **Cranberry Sauce** — Combine 1 quart cranberries, 2 cups water, 2 cups white sugar and boil 5 mins. For Beets.

2. **Caper Sauce** — Combine 1/4 cup melted butter, 1/4 cup bacon dripping, juice of 2 lemons, 1 tsp. minced onion, 1 tsp. chopped capers, salt and pepper. For Boiled Potatoes.

3. **Mushroom Sauce** — Melt 1/4 cup butter and blend in 3 tbsps. flour, 3 tbsps. minced onion, 1 cup consomme or thin gravy and 1 cup sauted mushrooms. For Vegetable Marrow.

REQUESTED RECIPES CURRIED VEGETABLE (for Mrs. E. D.)

1 cup diced carrots cooked
1 cup diced string beans, cooked
2 cups cauliflower flowerets, cooked
1 cup cooked rice
3 tbsps. butter
1 small onion, diced
1 to 2 tbsps. curry powder
(as desired)
2 1/2 tbsps. flour
1 tsp. salt
1 1/2 cups tomato juice
1 tsp. Worcestershire sauce
1 cup soft bread crumbs

Arrange all the vegetables and rice in layers in a casserole. Now melt the butter and cook the diced onion until golden brown. Blend in the curry powder, salt and the flour. Add tomato juice and Worcestershire sauce. Cook until thick and pour over the vegetables in the casserole. Cover with buttered crumbs and bake at 400 degrees F. until crumbs are browned. Serves 4 to 6.

BAKED STUFFED TOMATOES (for Mrs. J. C. T.)

6 large tomatoes
1 cup soft bread crumbs
1/4 cup minced ham
2 tbsps. minced onion
1 sweet green pepper, chopped
1/2 tsp. salt
1-8 tsp. pepper
1 egg, well beaten
2 tbsps. melted butter

Using a grapefruit knife, cut centre out of tomatoes. Sprinkle with salt and invert for 1/2 hour. Combine all other ingredients with some of the centre scooped from the tomatoes and then pack it back into the tomatoes. Sprinkle with grated cheese and bake at 400 degrees F. for 25 minutes. Serve with broiled bacon as a lunch or main course. Serves 6.

SALSIFY (For Mr. W. J.)

Wash and peel, cut into 1-inch slices. Plunge into boiling salted water to cover. Cook for 25 minutes. Drain. Serve chopped with salt, pepper and plenty of butter, or serve in large pieces with cream sauce.

St. Paul's W.A.

The regular meeting of St. Paul's Woman's Association was held in the Church Parlours on Tuesday afternoon, October 3rd. Due to the absence of the President, Mrs. W. T. Elliott, Mrs. P. Utman, 1st Vice President, presided over the devotional and business portion of the meeting.

The meeting opened with the singing of the theme song and prayer. The minutes of the last meeting were read by Mrs. Albert Wells; also all communications received during the past month. Eighteen cards and two letters were sent out by the Secretary, and twenty visiting calls during the month of September were made. Mrs. Wm. West and Mrs. G. Bradshaw will act as the visiting committee for the month of October. The Treasurer, Mrs. J. B. Thompson, presented the financial report, showing a bank balance of \$274.64. Mrs. E. G. Bailey presented to the W.A. four dollars for knitting on behalf of the Friendly Workers Group.

The Parsonage Committee reported the electric stove is having some fuse trouble, so this committee was authorized to look into the matter.

Moved by Mrs. A. Armstrong and seconded by Mrs. C. Wright that the W.A. send flowers to Jean Davidson, who is a patient in Sick Children's Hospital, Toronto; also asking each member to send some small remembrance to Jean, to help out some lonely hours while confined to the hospital. Mrs. Albert Wells will be the Convenor of the Flower Committee for October and the hostesses at the church services during the month will be Mrs. H. C. Martin, Mrs. C. Tucker and Mrs. A. Bush. Those wishing Anniversary invitations sent out, will leave their names with Mrs. N. Wescott.

Moved by Mrs. J. B. Thompson, seconded by Mrs. C. Wright, that the W.A. cater for the Junior Farmers dinner on 25th of November, with a guarantee of 55 and price of dinner to be \$1.00 per plate. Further plans were made concerning the Church Anniversary Dinner.

The programme of the afternoon was directed by Mrs. A. Bush, and was appropriately designed on the theme, "Thanksgiving." All thanksgiving hymns were sung during the programme. Mrs. C. Tucker read the Scripture Lesson, and Mrs. C. Wright offered a thanksgiving prayer. Mrs. A. E. Baker delighted the W.A. with a very pleasing piano solo, "Jesus Christ, the Son of God."

The paper for the afternoon was on "Thanksgiving In Old Europe," prepared by Miss Alice Causse and read by Mrs. Harry Vandervoort. Thanksgiving is nowadays pre-eminently a church festival when garden produce, fall flowers and fruits line Church altars. Human nature and the daily bread are much the same in England and in Austria. Wherever men take up their scythes and women their rakes together the fruit of the fields wherever they harness their horses to take the lumbering loads to the barn, they will feel the same festivelation, and the same misgivings. In a very interesting manner, Miss Causse described the different ways of celebrating Thanksgiving in the various countries, and stated it was impossible even to mention all the customs and traditions of Thanksgiving in Europe, though more and more those of one community have grown into those of a wider range. Thanksgiving in times of great poverty and need has grown to be a real holiday — a holy day of serious thankfulness for the blessing of life, growth and health expressed in sacrifice for those whose need is greater than one's own.

This excellent paper proved of real interest to all the ladies present. The meeting closed with the Mizpah Benediction. A very dainty luncheon was served by the committee in charge, and the social hour was enjoyed by all present. Mrs. A. Bush, Mrs. Volney Richardson and Mrs. H. C. Martin, all moved thanks to Miss Causse, Mrs. A. E. Baker and the entire program and luncheon committee.

Prince Edward Champion Tomato Picker

The champion tomato picker of Prince Edward County, Miss Kathleen Channell, of Wellington, appears to have carried off the honors last weekend.

Taking full advantage of the red harvest, she set a record for tomato picking on Friday last that will be hard to beat, picking 70 bushels in 4 1/2 hours and on Saturday, picked 68 bushels in 4 1/2 hours. On Sunday she went well over the 100 bushel mark in a little less than seven hours.

"... AND THAT'S HOW

we built the School"

It's the biggest contract I ever went after, so I lost no time in getting over to my bank manager.

"George," I said, "I'll need some help to handle a job this size."

We went over the whole thing, discussed how much I would need. When I landed the contract he gave me a line of credit and I was able to go right ahead. Now the school's as good as built.

It is an everyday part of your local bank manager's job to provide short-term credit — so that payrolls can be met, material bought, goods produced and marketed.

NEWS FOR THE BUSY FARMER

LARGEST BLACK AND WHITE SHOW YET IN HASTINGS COUNTY

The Hastings County Black and White Day which was held this year for the first time in connection with Madoc Fair brought out 140 head shown by 18 exhibitors making it the largest Black and White Show yet held in the County. The weather was good and there was a ringside on hand. James R. Henderson, of Kingston, judged.

No less than eight exhibitors won at least one first, Max Burnside, Madoc, having six; A. B. McComb & Sons, of Sidney, five firsts; Jack Burnside, of Madoc, having three firsts; Philo Harris, Madoc, two firsts; W. K. Caskey, Madoc, two firsts; James Pitts, Madoc, Carl Thompson, Coryville and Ronald Longwell, of Foxboro, one first each.

Philo Harris showed the Senior and Grand Champion female winning on the top milking Aged Cow Florence Dewdrop Hartog while the Reserve Senior and Reserve Grand award went to Carl Thompson on the top dry two-year-old Houckholt Hartog Fosch Dot. The Junior Heifer Calf class supplied both the Junior and Reserve Champion females, both owned by Max Burnside. The Champion was Pabst R. A. Duchess A. with reserve going to Beauty Pabst Fosch Annie.

A. B. McComb & Sons took the Junior and Grand Championship for bulls. Visitors to Canada are intrigued with

the first prize Senior Bull Calf Ontario Sovereign Amos. Reserve Junior and Reserve Grand went to the second prize winner in this class shown by Max Burnside. Only one senior bull was out, this was Pabst Fosch Phillip, shown by Jack Burnside and he was made Senior Champion.

CANADA'S CHEDDAR "TOPS" IN CHEESE

With the national "Cheese Festival" set for the month of October 16th to November 15th of this year, an effort will be made to direct the attention of consumers to this Canadian product which has already won international acceptance as one of the finest foods ever produced.

Canadian Cheddar is a distinctive cheese, highly prized and the top-ranking favourite in many lands. This is the result of several things, such as tradition, natural advantages of soil and climate, high skill, long experience rigid controls, conscientious production and pride of workmanship.

When cheese was first made in Canada, small groups of farmers built factories, hired cheesemakers and secured a new source of income. Today's advanced methods and equipment still revolve around the basic primitive methods which give Canadian Cheddar its inimitable flavour and texture.

Visitors to Canada are intrigued with

first, when two distinct breeds are crossed the resulting offspring usually are bigger, stronger and more vigorous than either of the parental breeds. This phenomenon is known as "hybrid vigor." Secondly, there is no breed of sheep that possesses all the desirable attributes of the various breeds and by judicious cross-breeding the superior qualities of more than one breed may be exploited. For example it does not appear that superior carcass conformation and top milk production are to be found in any one breed, yet both are essential to a successful fat lamb enterprise. The use of a short legged, thickly fleshed breed of ewes from high producing breeds will give the desired results. A further point from the national standpoint in favor of a crossbreeding programme is that ewe-stock can be raised on relatively cheap areas and then utilized by farmers in more productive farming districts for fat lamb production.

Trials conducted at the Central Experimental Farm, Ottawa, says S. B. Williams, have shown that cross-bred ewes reached market weight and finish 24 days earlier. In both cases the lambs were sired by rams of the same breeding. In addition, the cross-bred ewes fleeces gave 33 per cent more clean wool.

In cross-breeding for market lambs, certain precautions must be observed. The most important of these is that cross-bred animals, after the first cross, should not be retained for breeding or a mongrel stock may result. As well, the normal practices governing the selection of breeding stock must be observed since cross-breeding will not produce superior progeny from inferior parents.

While cross-breeding has many advantages it also has its pitfalls and any breeder wishing to institute such a policy should study and plan in advance in order to avoid the latter and enjoy the full the former.

Practically every grocer sells Canadian Cheddar cheese made by carefully-trained and skilled cheesemakers whose abilities are certified and proven, supervised by government inspectors, nearly always ex-cheesemakers. Canadian Cheddar comes in Stiltons (five to 10 pounds), Daisies (20), Triplets (30), Twins (45) and Large (85 to 90 pounds).

Whether you are a visitor to Canada or a Canadian, if your grocer does not stock Canadian Cheddar, he can get it for you.

WHY CROSS-BREED SHEEP?

Throughout the major sheep raising countries of the world the practice of cross-breeding sheep for the production of market lambs is a general one. The reasons for this are threefold,

firstly, when two distinct breeds are crossed the resulting offspring usually are bigger, stronger and more vigorous than either of the parental breeds. This phenomenon is known as "hybrid vigor." Secondly, there is no breed of sheep that possesses all the desirable attributes of the various breeds and by judicious cross-breeding the superior qualities of more than one breed may be exploited. For example it does not appear that superior carcass conformation and top milk production are to be found in any one breed, yet both are essential to a successful fat lamb enterprise. GLADIOLUS STORAGE

With the approach of the gladiolus digging season, curing and storing of corms are matters of importance. Successful storage depends largely on proper curing. This is especially true in the Pacific coast area where the digging season coincides with rising humidity and descending temperature.

Curing usually consists of an initial period at relatively warm temperatures for a period varying from a few days to about 2 or 3 weeks, after which the bulbs are ready for storage for winter. The essential feature of curing is the removal of surplus moisture from the corms. With the removal of excess moisture suberization — a toughening of the outer fleshy tissue — takes place. This enables the corm to resist storage diseases more effectively. It is essential that curing be thorough and started promptly after the corms are taken from the ground.

Curing can be very effectively done in several ways depending on the actual temperatures used. For example, under certain conditions along the Oregon coast, preference is for a 24 hour period at 95 degrees F. with 200-300 feet per minute air velocity and relative humidity below 80 per cent. Following this the temperature is lowered to 70 degrees for one week.

In British Columbia curing can be done effectively by storing in temperatures of 75-80 degrees F. for a period of 10 days to two weeks with reasonable ventilation for removal of moisture laden air. While best storage temperature following curing is still a matter of conjecture, a range between 38 degrees and 45 degrees F. has proved very satisfactory at the Dominion Experimental Station, Saanichton, B.C., says J. H. Crossley.

Thorough culling of damaged and diseased corms should precede storage. Examination during storage should be periodic as additional culling may sometimes be found to be necessary.

CANADIANS SMOKED ABOUT 17 BILLION CIGARETTES IN 1949

Canadians are smoking more cigarettes than ever before — close to 17 billion in 1949 — according to latest official figures.

A review of tobacco production statistics by the Canadian Division of the American Can Company, a major manufacturer of cigarette and tobacco cans, indicates that Canadian men and women actually puffed their way through the astronomical total of 16,839,653,600 cigarettes last year. The 1948 figure was 15,852,875,000 cigarettes.

The production of metal containers has kept pace with the increased output of tobacco products in recent years, says G. H. McVean, Canco's manager of sales. The most popular cans are the half-pound container for smoking tobacco and the "flat fifty" for cigarettes.

The use of smoking tobacco fell off somewhat last year from the 1948 peak. The respective totals were 27,754,961 pounds in 1949; 28,183,908 pounds the previous year.

Sir Isaac Newton was a poor student as a young boy.

Bright lights at night can cripple and kill — Often as not they kill or maim someone that the offending driver with glaring headlights never knows about. Your headlights blind another driver; he runs over a pedestrian whom he cannot see; who then is the murderer? Many drivers don't even know that their lights do blind others: they press the foot-switch and are satisfied that they have conformed with the regulations. But what is the use of that if the passing beam is adjusted too high to start with? Especially if a load in the back seat or the trunk tilts the beam further upwards? Have this checked before you go on that night-time trip on the highway — For sure.

ANNUAL MEETING

Will Be Held on

WEDNESDAY, OCTOBER 18th, 1950, at 2 p.m.

MARMORA TOWN HALL

For the election of officers, election of delegates to Provincial Convention, and other important general business.

I. A. McCaughey,
PresidentE. E. FOLLWELL,
Secretary

River Valley W.I.

Mrs. Don Donohoe, President of River Valley Women's Institute, was hostess for the October meeting on Thursday afternoon, October 5th, with about twenty-five ladies in attendance.

The programme opened at 2 p.m. with the Ode and Lord's Prayer and the financial statement revealed over fifty dollars on hand. A letter re "Save The Children Fund" was read, and each member is asked to bring one new 27 inch diaper, washed and ready to pack at the next meeting. A letter re "Farm Forum" was read. The first autumn programme is October 30th on the subject, "Can We Farm On Shorter Hours."

Two minutes' silence was observed in memory of a valued member, Mrs. H. Philip, who died on Wednesday.

Plans for the afternoon tea were completed.

Mrs. Hugh Jones presided over the programme which opened with the Roll Call. Several valuable answers were given as a "First Aid Hint."

Guest Speaker

Mrs. Lewis Rodgers, who has been in charge of Girl's Club Work for several years, gave a splendid talk on her work as teacher and explained what the girls do. She displayed several charts, scrap books etc., which gave the audience an idea of what the club girls are taught. The Fall project is, "Cotton Accessories For A Girl's Bed-

room."

The Garden project is a three-year term when girls complete for County honours and Provincial honours. Seven or eight meetings are held prior to Achievement Day.

"The Way of Good Health," gave an idea of the proper food for health, the Canada Food Rules, correct posture and a well balanced meal. Girls are taught that chocolate milk is not good for children's teeth, that shoes with thick soles are recommended, that hoseery should be a half inch longer than the foot, that salt water is good for the teeth, with the admonition, "Don't Read In Bed and Save Your Eyes." The girls are taught the importance of wearing proper clothes for whatever function they are attending. They are also taught the value of the beautiful scenery that abounds in the countryside at home, the many accidents in the home that are preventable and many other items of interest.

Last year a member of the Provincial Police gave a two-hour demonstration on "Traffic Laws," which was invaluable to the girls who drive motor cars. All were invited to attend the special achievement program in the Community Hall.

Mrs. Percy MacMullen contributed a reading, "If They Give A Job To Do, Do It." All enjoyed community singing.

Mrs. Hugh Jones gave a worthwhile paper on "Family Life To-Day." In this day and age as always, the

parents should be responsible for their children, and not neglect their education, nor their spiritual needs. A family should learn to live together in harmony and to have fun together. The high aim is to establish a friendly happy and affectionate bond between parent and child. The children should be given many phases of education, which includes household management, preparation for marriage, nutrition, proper buying and budgeting, a share in all home duties. The family

where all members can voice their ideas in the family council and where all work together for democratic living is the one where life is a harmonious round of work and pleasure.

A vote of thanks was tendered the guest speaker, programme convenor, hostess and refreshment committee. The service closed with the Mary Stewart Collect and refreshments were served.

Entered Into Rest

WM. JOHN LIVINGSTON

Following an illness of seven months' duration, William John Livingston died at his home in Springbrook, on Tuesday, October 10th in his 68th year.

Born on the 9th Concession of Rawdon Township, the late Mr. Livingston was a son of Hugh Livingston and his wife, Eliza Dougherty. He was a farmer and resided at Minto and in Sidney Township before moving to Springbrook seven years ago. He was a member of the Springbrook United Church.

He leaves to mourn his wife, the former Alice Rupert; four daughters, Mrs. Russell (Eliza) Rupert, and Mrs. Wm. (Mildred) Fleming, of Stirling; Mrs. Hubert (Lenora) Thrasher, of Harold, and Mrs. Milton (Jean) Wanamaker, of West Huntingdon, and two sisters, Mrs. Blanche Nerlie, of Toronto, and Mrs. John Runnalls, of Harold. Five grandchildren also survive.

The funeral notice appears elsewhere in this issue.

Women's Groups
At Bonarlaw

Invitations sent out by the Women's Auxiliary of St. Mark's, Bonarlaw, to branches at St. Thomas' Rawdon, St. Paul's Marmora and St. John's Stirling, to the W.M.S. of St. Andrew's Marmora and to the Women's Associations of Springbrook and Rylstone to attend an afternoon tea, programme and a sale of fruit, vegetables and home cooking in St. Mark's Parish Hall on Friday met with a good response, the full attendance numbering over 60.

Rural Dean J. M. Brownlie offered prayer, and as rector of the parish, extended a welcome to the visitors. This was seconded by Mrs. Everett Heath, president of St. Mark's W.A., who announced the numbers on the programme in the following order:

Reading by Mrs. Lindsay Tanner, of Minto; song by Mrs. B. Woodbeck, of Stirling; reading by Mrs. George

Williams, of Springbrook; reading by Mrs. Roy Frost; reading by Mrs. Lillian Anderson; reading of Thanksgiving letters in connection with Dorcas Work by Mrs. E. Kent, Diocesan Dorcas Secretary, and a reading by Mrs. G. D. Young.

The Huntingdon Branch of the Upper Canada Bible Society was held in Beulah United Church, Ivanhoe, on Tuesday evening.

The meeting was in charge of the President, Mrs. Stanley Prest, and opened by the singing of the hymn, "Take My Life and Let It Be." The scripture lesson was read by Bessie M. Fleming and Rev. B. Beckel led in prayer. The offering amounted to \$3.26, and was received by Darwin Benson and Jack Wood. The minutes of the last meeting were read by the Secretary, Mrs. George Wood, showing last year's givings amounted to \$63.50.

The election of officers was conducted by Rev. Egerton Young, of Toronto, representative of the Society. The following officers were elected: President, Mrs. Stanley Prest; Secretary, Mrs. George Wood. It was decided to meet in St. Andrew's Presbyterian Church in 1951.

Mr. Young told of the urgent need of Bibles and said it was the Society's objective to make Bibles available to everyone all over the world, to rebuild the work in China, replace worn out plates, and help the churches get the Bible back in the life of its people so there will be a generation of young who know their Bibles.

Two interesting and instructive sound motion films were shown which were "For Times Like These," and "They Word Giveth Light."

Mr. Beckel expressed thanks to Mr. Young and urged all to get behind this worthwhile work. The Society is asking the Branch for a 50 percent increase in givings.

Springbrook W.A.
Bazaar Successful

On Friday afternoon at 2 p.m. Springbrook Women's Association held an afternoon tea preceded by a programme and bazaar. A few words of welcome were given by the President, Mrs. Meiklejohn. Mrs. Donohoe, of Stirling W.A. conducted the devotional, assisted by Mrs. E. Bailey and Mrs. Bird.

The programme consisted of a reading by Mrs. Colden, of St. Thomas' Anglican Church; solo, by Mrs. Beckett, of Wellman's United Church; reading, by Mrs. Tweedy, of Salem United Church; solo, by Mrs. H. Elliott, of Bethel United Church; greeting from the executive of Belleville Presbytery W.A. by Mrs. G. Dobbs, President; solo, by Mrs. M. D. Davidson, who favoured with an encore. Mrs. Murphy, Treasurer of the W.A. Convention, gave a few remarks; also Mrs. Pyear from Carmel, who is the Secretary of W.A. Convention. The

St. Paul's United Church Observed Ninety-seventh Milestone Sunday

Rev. Wesley A. Hunnissett,
Toronto, Guest Preacher —
Special Music By The Choir

Snowy surprised boy sopranos, followed by the equally attractive girls of the Royal Stirling Junior Choir opened the Anniversary Services at St. Paul's, Stirling with "Crown Him with Many Crowns," and "The Lord My Shepherd," last Sunday.

Rev. Wesley A. Hunnissett, Supt. of Fred Victor Mission, Toronto, was the guest speaker. In the morning he spoke from the text, "As His Custom was he entered the synagogue on the Sabbath Day," and at night from Isaiah, "The Lord shall guide the continually."

The morning message was a forthright appeal to Christians to live up to their objections and privileges. At night Mr. Hunnissett gave a series of word pictures of life in downtown Toronto on "Skid Row," and the "Street of Stately Sin." Intoxicating drink was a principal factor in ninety per cent of the cases coming before him. An empty "bottle" and a pair of trousers were exhibited with "less than nothing before and little more behind." A pair of shoes were grim evidence of what it means to be "down at the heel." The devil's wages were the highest as evidenced by broken homes, suicides, homeless and despairing cursing drunken men and women.

He described the Mission as a dispenser of soup, soap and salvation. He pointedly indicated that Missionary and Maintenance Fund gifts only permitted him a budget of \$8,000, while "Conny" Smythe was spending upwards of \$130,000 for hockey players.

The music of the day included the Royal Choir singing "The Prayer of Thanksgiving," marked by careful shading and sweetness.

Dudley Brick's great "Festival Te Deum," was sung in the morning, with solo parts ably taken by Mrs. Wm. Wilkins (Soprano), Mrs. J. Black (Alto), Douglas Pyear (Tenor), and Bill Reynolds (Bass). This grand anthem was sung with clarity and beauty by a full choir which required for accommodation the recently added royal boxes.

The male duet, "My Faith Looks Up To Thee," was interpreted by the blended voices of Bill and Ted Reynolds. These fine voices caught the spirit of this message in praise and was an inspiration to all worshippers.

At the evening service the anthem, "Make A Joyful Noise," spoke the spirit of Anniversary, while the sweet voices of Misses Verna Brown, Irma Campbell and Helen Stapley were heard in "Come Let Us Join Our Cheerful Songs." The service closed with the "Hallelujah Chorus" from the Messiah, by Handel. Senior members of the Royal Choir augmented the Senior Choir in a creditable interpretation of this great composition. Parts were easily discernible and the balance was timed to rich crescendos and full voice expression with shadings that gave a majestic beauty to this glorious ministry. The congregation observed the tradition of rising at the words "King of Kings and Lord of Lords." Mr. Bill Aylesworth, Miss Aylesworth and Mrs. Walter Warren were choir guests whose fine voices were welcomed by the choir.

The morning offering amounted to \$351.80 and the evening offering to \$302.20. Making a total for the day of \$1654.00. It is expected that the balance of \$345 required to reach the \$2000.00 objective will be reached when outstanding envelopes are returned.

Mr. C. I. Hatton, Chairman of the Stewards, in a neat word at the close of the day expressed appreciation on behalf of the Stewards for the interest and support of the congregation by their presence and gifts, for the

Chas. A. Hutcheson Grand Master I.O.O.F. To Visit Here

Chas. A. Hutcheson, of London, Ont., Grand Master of the Independent Order of Oddfellows in the Province of Ontario, will pay an official visit to Madoc District No. 45, I.O.O.F. on Monday night next, when he will be honoured at a banquet in the Stirling Community Hall at 7 o'clock.

The ladies of Bethel United Church will cater and Bro. Walter Warren, D.D.G.M. of Madoc District, will preside. A large crowd of district Oddfellows is expected to be in attendance.

Accept Positions

Misses Doreen Sleeper and Eva-Ann Bastedo have accepted positions as switchboard operators with the Bell Telephone Co. at Belleville. They began their duties on Monday morning.

"Aunt Jemima" To Visit Bird's Store

"Aunt Jemima" in person will be at Bird's Grocery in Stirling, on Saturday, October 28th, (all day) serving her famous pancakes and silver cake.

Aunt Jemima is no stranger in greeting the public. For the past sixteen years, she has smiled from behind her griddle, to thousands of pancake-eaters. For the past three of these she has been "on the road," travelling from one end of Ontario to the other, with occasional trips to neighbouring provinces.

Be sure and visit Bird's Grocery on Saturday, October 28th, and sample her famous products free.

Warden's Banquet

Among those from this district in attendance at Warden Clark Rollins' banquet at Bancroft last night were Reeve H. J. Wells; ex-Warden, W. J. C. West, of Stirling; Reeve W. Spencer and Deputy Reeve V. Heath, of Rawdon Township; Reeve Ben Bleeker and Deputy Reeve L. Grills, of Sidney Township; ex-Warden Geo. E. Thompson, Springbrook; ex-Reeve J. Morrison, Rawdon; Reeve A. Hagerman, Huntington Township; ex-Warden Thos. Fleming, Ivanhoe, and B. Haggerty, West Huntingdon.

ministry of music, the messages of the speaker and God's gift of a fine day.

Rev. W. H. V. Walker, Minister of St. Andrew's Stirling, pronounced the benediction.

An unplanned feature of the morning service was the recognition of the Silver Jubilee of Rev. and Mrs. Baker with the congregation singing in tribute, "O Perfect Love."

ROY LANCASTER, LOCAL BARBER DIED

Roy Lancaster, local barber, died suddenly at his residence early this (Thursday) morning.

Born at Crookston, Ont., he was a son of the late Mr. and Mrs. Mark Lancaster, and was in his 41st year. He had conducted a barber shop in Stirling for several years and was held in high regard by a wide circle of friends. In religion he was a member of St. Paul's United Church.

He leaves to mourn his wife, the former Gladys Fluke; one daughter, Evelyn; two sisters, Mrs. Geo. Dafoe, Belleville, and Mrs. Albert McKenzie, of Montreal, and one brother, Percy Lancaster, of Plainfield.

The funeral notice appears elsewhere in this issue.

Engagement

Mr. Vincent Farrell wishes to announce the engagement of his sister, Regina Agnes, daughter of the late Mr. and Mrs. Angus Farrell, to Mr. Edward David Turkington, son of Mr. and Mrs. Wm. Turkington, of Marlbank, Ont. Wedding to take place on Saturday, November 4th at 9 a.m. in St. James The Minor Church, Stirling.

In Hospital

Friends of J. L. Donohoe, will regret to learn that he is a patient in Hotel Dieu Hospital, Kingston, where he was taken on Wednesday.

Rotarians To Attend St. John's on Sunday

Members of the Rotary Club of Stirling, will attend St. John's Anglican Church at 11:00 a.m. on Sunday next in commemoration of United Nations Week. They will be addressed by their fellow Rotarian Rev. A. J. Anderson, Rector.

Large Potatoes

Evidence of the exuberance of growth in vegetables in this district was forthcoming this week when two potatoes from the farm of Forde Stanley, Holloway, were put on display at this office. One of the potatoes measured 15 1/2 x 13 1/2 inches and the other 12 1/2 x 16 inches, and the two weighed 5 lbs. 3 ozs.

Premier Leslie Frost, Guest Speaker At St. Paul's Banquet Tuesday

(By Florence MacMullen)

On Tuesday evening St. Paul's United Church, Stirling, held a chicken supper at 7:30 p.m. in commemoration of their ninety-seventh anniversary, which they celebrated on Sunday.

The members of the Woman's As attendance at Warden Clark Rollins' banquet at Bancroft last night were Reeve H. J. Wells; ex-Warden, W. J. C. West, of Stirling; Reeve W. Spencer and Deputy Reeve V. Heath, of Rawdon Township; Reeve Ben Bleeker and Deputy Reeve L. Grills, of Sidney Township; ex-Warden Geo. E. Thompson, Springbrook; ex-Reeve J. Morrison, Rawdon; Reeve A. Hagerman, Huntington Township; ex-Warden Thos. Fleming, Ivanhoe, and B. Haggerty, West Huntingdon.

Directly behind the head table a large union jack was draped and here Hon. Leslie M. Frost, Premier of Ontario and Rev. A. E. Baker, U.E. Pastor of St. Paul's United Church were seated along with other prominent citizens of the province and district.

Members of the Rotary Club of Stirling were seated at the opposite table with their Padre Rev. A. J. Anderson, Rector of St. John's Anglican Church.

At 8:15 p.m. Rev. Baker called for the Toast to the King and the National Anthem, after which greetings were extended from Rev. G. O'Hearn of St.

HONOURED PRIOR TO DEPARTURE

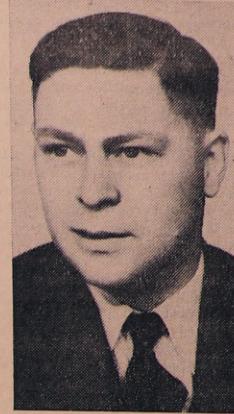

Friends and neighbours gathered at the home of Mr. and Mrs. Earl Dafoe on Friday night to honour them prior to their departure for Batawa, where they will reside in future.

Rev. W. H. V. Walker acted as master of ceremonies and during the evening Mrs. Melville Tanner read an appropriate address and Mr. D. Ackers made the presentation of a floor runner and a tray to Mr. and Mrs. Dafoe and a gift for Brenda.

Dainty refreshments were served and social hour was enjoyed.

Streets Gravelled

Village Streets were given a coating of gravel this week and are now in splendid shape. The work was done by H. J. McFarland Co., of Picton.

Reeve H. J. Wells Addresses St. Andrew's Club

Reeve H. J. Wells was the guest speaker at the opening meeting of St. Andrew's Presbyterian Club held in the newly-decorated Church Parlors, on Monday evening last. Some sixty were in attendance and the program opened with a delicious dinner.

"Municipal Affairs" was the subject chosen by the speaker, who outlined the activities of the local Council and Hastings County Council in a most interesting and instructive manner. The speaker was thanked by Mr. Roy Eggleton.

Several musical numbers were given by Messrs. Ross and Ray Hermiston, with Mrs. Vernon Matthews at the piano.

A Hallowe'en Party is planned for the next club meeting on October 30th. Everyone will be welcome and come in costume if possible.

Chest Clinic

The citizens of Stirling and community are again reminded of a visit of the Provincial Chest Clinic to be held in the Community Hall, Stirling, on Tuesday, October 31st, and Wednesday, November 1st.

Please make appointments through your family physician or through the Medical Officer of Health. This examination is free, so all persons with any disease or suspected disease of the chest should avail themselves of this wonderful opportunity.

Presentation To Young Couple

Friends and neighbours assembled at the home of Mr. Alex McCurdy, of West Huntingdon, on Friday evening to welcome his bride to the community and extend to the young couple best wishes for a happy married life.

Rev. Morley Clarke was chairman for the evening's entertainment, which consisted of a lively community singing led by Mr. Clarke.

Mrs. Don Fargey gave a reading and Donna and Sharon Hammond favored with a duet, followed by a reading by Miss Barbara Fargey.

Mr. Harold Thompson read an appropriate address and the newlyweds were presented with a handsome studio couch and other useful gifts for which they both voiced their appreciation.

Struck By Truck

Two and one half years old, Dorothy Barlow, 157 Byron St., Trenton, daughter of Mr. and Mrs. Percy Barlow, formerly of Stirling, Wednesday afternoon received a fractured left collar bone, a severe bruise on the left side of the forehead and other bruises about the face when struck by a truck driven by Norman Gibson, of Glen Miller.

Local High School Rugbyists Lose

Lose To Both Marmora and
Tweed Squads in Thrilling
Games On Home Campus

After a hard-fought game, Stirling Seniors lost out to Marmora 6 to 5 on Friday afternoon last, after coming from behind to even the score.

Marmora secured an early lead with an unconverted touch-down, due to the efforts of P. Nicholson. After that the game sawed bitterly until the third quarter, when James Faulkner scored an unconverted touch for Stirling.

The tie was broken in the dying moments of the game when Marmora roared with about one minute to go. Despite a desperate effort, Stirling was unable to even things.

The next game with Marmora will be played at Marmora on Friday October 20th.

Junior Game with Tweed Tuesday Afternoon

The first game of the newly formed Junior Rugby Series was played on Tuesday afternoon at Stirling and plainly showed the enthusiasm of the aspiring Juniors.

After a spirited game, Tweed broke away for a fourth period touch-down, and despite all Stirling's effort, the score remained 5-0 for Tweed. On the whole the teams were evenly matched and the score was not indicative of the respective strength of the teams.

For Stirling the work of Ackers, Hermiston and Ingram showed particular promise.

Rally Day At St. Andrew's Su

Special Services marked the rally day at St. Andrew's Presbyterian on Sunday last, when members of Sunday School took part.

Rev. W. H. V. Walker conducted services and a Junior Choir sang the hymns. The program included a recitation by Paul Re-

a vocal duet by Allan Fargey and Ronald Munro; a solo by Carol Rollins and an address by Mr. C. Tunmon, Superintendent of the Sunday School on the theme, "I Will Build My Church."

Baptismal Service

The sacrament of baptism was also administered by Rev. Walker on Be-

erley Anne and Betty Diane, twi-

daughters of Mr. and Mrs. V.

Stapley, of Campbellford, a

Anne, daughter of Mr. and Mrs.

Montgomery, of Batawa.

Annual Meeting Belleville Sectional Rally W.M.S. - United Church of Can.

The twenty-fifth annual meeting of Belleville Section of the Woman's Missionary Society of the United Church of Canada was held in Tabernacle United Church, Belleville, Wednesday, October 10th. Mrs. J. F. Wilson, Vice President, presided at all sessions. Mrs. S. W. Spafford, First Vice President of Conference Branch, led in the opening worship and prayer. Women from Shannonville Auxiliary took charge of the afternoon worship service with Mrs. L. W. Scott singing, "Do Something for Somebody Every Day."

Mrs. W. J. Harrison, President of Tabernacle Afternoon Auxiliary welcomed the many delegates and guests. And the Courtesy Committee sincerely thanked the guest speakers, the Official Board of Tabernacle and the women of that church for the welcome and comfort provided.

Various officers of the Belleville Presbytery introduced their work. Among them was Mrs. F. Bell who displayed a table full of interesting literature for small children, Mission Bands, Mission Circles, C.G.I.T. and Auxiliaries.

Mrs. Geo. Green, of Trenton, on behalf of the C.G.I.T. began with an illustration of her direction of a camp near Brockville last summer and told how the closing day was a great tribute to what the girls had learned at camp. She urged the delegates to secure leaders and train them and sponsor the C.G.I.T.

Mrs. Morley Davidson, Mission Circle Secretary, said the Belleville Presbytery extends from Maynooth on the north, south to Wapoos; Trenton

on the West across to Napanee on the East; and there are but five Circles in that territory. We have such a marvellous thing to offer young women, 18 to 25 years of age. In this day of merchandizing, let us wrap up our Missionary work in such bright attractive parcels that these girls will see that ours is a great and wonderful work. A young woman gains from membership in a Mission Circle a number of things: (1) She has an opportunity for companionship with other girls of high Christian ideals and for a happy social life within the fellowship of the Church; (2) Through reading, worship and service her own life is enriched; (3) She gains knowledge and appreciation of people in other parts of the world; (4) She belongs to a group which can do much in community service; (5) She gains a clearer vision of the needs of Canada and the world and has a chance to share in meeting those needs through her membership in a National organization of Church women; (6) She can play her part in the growth of the Christian Church and the extension of God's Kingdom in Canada and throughout the world.

Mrs. T. F. Townsend, Secretary of Temperance, said "It is my task to bring before you this momentous matter concerning which we must all Pray, Speak and Act. It is difficult to say anything new about the problem of alcohol but perhaps the attitude of the recent General Council might give some guidance. They felt perhaps that we had been trusting too much

in legislation. The Council saw that alcohol was most deeply entrenched in social attitudes and customs and the only strategy for the future was to change social opinion. They had no idea of final defeat for they were too sure of God's will in this matter. Because God is what He is; and alcohol is what it is, its doom is finally certain. If a man does not want to be sober, no law on earth can make him so. There must be a heavenly power to make him sober. This heavenly power, love of God, makes a person love life in such a way that he will refuse to tangle it up with a thing of such power for evil."

Mrs. M. Denton, 224 King St., Trenton, was introduced as the newly appointed Secretary for Christian Stewardship and Finance.

Mrs. Ruth VanOosten gave a report

of the School for Leaders held in August at Whitby Ladies College.

She expressed her thanks to the rally for giving her the opportunity of attending. The first Highlight she said was

the joy of meeting old friends, friends

she had made on previous visits to this annual school. She told about the very beautiful Memorial service arranged by Miss C. Wager, of Peterborough, for the beloved and long pre-

ceding Dean, Mrs. W. L. Smyth, who

died during the year. The daily morning

devotions were taken by Miss M.

Prang from Paul's preaching

the Brotherhood of Christ. In the study

groups, Mrs. Outram stressed the need for Christian workers to go to Mission

fields.

Mrs. C. D. McLellan, of Napanee, Presbytery President, brought the message during the "Quiet Half Hour."

She said "we would not be gathered here today unless we had a message for man and woman. Not just slogans

preached from pulpits but something that will dig deep down in people's lives. Everyone has a deep seeking after the Message for their lives. Our Message comes from Jesus. We turn to Him because He is the complete revelation from God. His life translates the meaning of service and love. With Jesus the aim was a gradual growing into fellowship with God. The Saviour was not aloof from a sinful world but came to share sin and sorrow with men. And that's the Message we have for the world today."

The guest speaker, Miss Annie Bishop, was introduced by Mrs. Ralph Sills who told the assembly that Miss Bishop was Supply Secretary of the Dominion Board and had come back to a former residential city; her father having been minister of Bridge Street Church in previous years.

Miss Bishop came to share some phases of the great work and some messages from the Dominion Board, which met in September in conjunction with the General Council. She said, we came away from that meeting very conscious of the fact that as W.M.S. women we have a great responsibility in the world today."

She asked the delegates to let their minds wander around the world and catch the vision of our great task in today's world.

When Mrs. Hugh Taylor presented to the Board her report she emphasized

the fact that this is not the same

world, even if she had reported last

May she would have found a different

world since then. There is a great

change and we must be adaptable and

alert to meet that great change.

Miss Bishop asked us to remember China in its suffering, its upheaval, its war and always the utter poverty of the millions of peasant folk. But we still

have some workers in China and we

have a great indigenous Church.

Simple folk they may be but they are

earnest Christian people. Let us keep

that Church in our hearts.

In Korea we see suffering. Thousands and thousands of refugees, mothers and children, thronging the hillsides today.

Japan is a country today with its doors wide open for Christianity. Let us remember our Christian Church in Japan as they look to us for greater leadership these days.

One thing I do want to leave upon your hearts — we do need new workers in Africa. A minimum staff should be 25 and we have 17 on the field.

India with her millions. With the drawing of her people to Christianity we lack workers.

Trinidad — In every field we lack workers. All across Canada we lack nurses. Are we offering our young people the greatest future that could ever come to them — the privilege to serve. In every country today, in the midst of war and uncertainty we have a Christian Church. And we are a part of that great on-going Church of Christ throughout the world.

Last year our motto was Advance. Miss Bishop said, "You made sure each one took it home to your local Auxiliaries. You laid your plans and you advanced. You increased your membership and givings. You met your allocation and went over the top and you had the privilege of sharing in the gifts for Building Advance. Unless our Presbyterians do go over their allocation and have some money, for our allocation just maintains our work, if we are going to build and keep up the repairs of our buildings, give our workers a car to help her cover her hundreds of miles, we have to go over the top and have money to give to gifts for Building Advance.

"There is something very very courageous about the enthusiastic woman. Have we in our own hearts the deep conviction of why we are W.M.S. women? Have we in our lives the deep and undying love for Jesus Christ and the realization of what He means to us and the urge to share this message with others?"

In her afternoon address, Miss Bishop dwelt on Supply Work. The largest portion of our supply work is done in our Western Provinces. But we also have a project in Canada sending toys to Halifax where families enter our country. This is in no particular allocation but, she asked for extra toys that children can take away with them when they leave the depot (to save tears).

Other projects are clothing for 900 boys in three church schools in Greece and 900 girls in church orphanages in Germany; clothing and bedding for the families of 200 Protestant pastors in Italy; warm clothing for Korea's need which is very great.

During the day beautiful solos were rendered by Mrs. F. Houston and Mrs. Morley Davidson. Mrs. M. P. Duff presided at the organ for the accompaniment and offertories.

Finally the Tabernacle Mission Band captivated the hearts of every one present with their skit, "The Old, Old Song with a New Meaning," which climaxed the entire day's messages and reports.

Reverend F. R. Hartack pronounced the benediction.

Teachers' Convention Held In Stirling

Improved methods of teaching in the schools in this district, were the principal items of discussion at the Convention of Centre Hastings Teachers held in the United and Presbyterian Churches, Stirling, on Friday, October 6th. Mrs. Eva McGee, President of the group, was in the chair.

At the morning session, the teachers assumed the roles of pupils, to hear lectures by several of their number regarding the best methods of teaching their young charges. The programme included a demonstration by Mrs. McGee, assisted by a number of children, on the best methods of teaching arithmetic. A talk by Miss Loreen Connor, Madoc, on starting pupils in Grade I was well received.

Devices for securing the interest of the children, in which parents played a prominent part, were stressed by Mrs. Manchester, of Marmora. Mrs. Lillian Wallace gave a paper on "Supplementary Reading."

Following the lunch interval, served by the ladies of the W.A., the meeting was reconvened in St. Andrew's Presbyterian Church. Eighty-eight teachers were present for the session.

Mrs. Snider, Pres.

Officers of the convention elected for the ensuing year are as follows: Honorary President, A. W. McGuire; Past President, Mrs. Eva McGee, of Stirling; President, Mrs. June Snider, Marmora; Secretary-Treasurer, S. H. Connor; Executive Committee, William L. Rathwell, Madoc; E. C. Prentice, Marmora; Doris Pollock, Harold; and Hilda Henderson, Deloro.

An interesting talk was then given by Inspector McGuire outlining the subjects which should be on the syllabus of each grade.

A new feature of this convention was a Question-and-Answer period conducted by E. C. Prentice, Principal of Marmora Public School, during which a number of important items were raised. It was agreed that homework was essential in the upper grades, both as means of enabling parents to keep informed as to their child's progress and by placing re-

sponsibility on the child to prepare some work without the teacher's assistance.

A display of visual-aide to teaching rounded out the day-long session. The Township of Rawdon is well equipped in this respect, having projectors in every school and a travelling set of 150 film strips which are exchanged, in groups of ten, between the various schools every three weeks.

Salada Tea Winners At International Plowing Match

On a field swept by winds of almost gale force and intermittent sheets of rain, two Victoria County boys won first prize in the Salada Tea International Plowing Competition, major event on Thursday, October 12th, at the International Plowing Match being held near Alliston. While the weather resulted in a much smaller crowd than the previous record breaking day, all competitors agreed that it made the light loamy soil of six hundred acre Nottawasaga Valley Farms just about perfect for plowing.

Thirteen year old Ivan Bell, of Kirkfield, had the highest number of points though the other member of the Victoria team, his cousin, Gerald Bell, Woodville, was not far behind. The Wentworth County team consisting of Geo. Markle, Albion, and Tom Braithwaite, of Ancaster, won second place. These four boys, with a trip manager to be appointed by the Ontario Plowmen's Association, will make a tour of agricultural and conservation projects in the eastern United States next spring as guests of the Salada Tea Company of Canada, Limited.

Other winners in this event for boys are as follows: Grey County — Beverley Brown of Ayton, and Mac Gamble, of Owen Sound; Haldimand — Harold Nixon, of Hagersville, and Wray Richeld, of Cayuga; Wellington — Archie Crobbie, of Guelph, and Lindsay Love, Guelph; Waterloo — David Taylor, Galt and Calvin Hordrich, of New Hamburg, and Brant County — W. Silversmith and Carmen Porter, of Oshweken.

Your Hydro is growing fast - but

In 10 years your Hydro has increased the power supply to Southern Ontario by 952,940 horsepower, over twice the combined power requirements of the cities of Windsor, London, Hamilton, Peterborough, Kingston and Ottawa . . . and there will be more power within the next few months.

Ontario's growth has been amazing. Since 1947 the population has increased by 323,000, over 70,000 new homes have been constructed, approximately 700 new industries have been established and the value of production has risen an estimated 1 1/2 billion dollars, 88,541 new rural consumers have been supplied with Hydro and the value of agricultural production has increased by some 400 million dollars . . . all of which called for power in greater quantities than at any previous time.

BUT — in addition to this tremendous growth, the recent step-up in industrial activity due to defence rearmament contracts has brought about a sharp increase in the use of electricity. In the past few weeks the maximum primary demand in Southern Ontario has been as much as 400,000 horsepower (298,000 kilowatts) higher than a year ago . . . an increase 5 times greater than the long term average rate of growth. For this reason your Hydro urges everyone to co-operate in the conservation of electricity.

(By Rev. A. E. Baker, U.E.)

Sunday, November 5th will be Memorial Day on this pastoral charge. It is hoped that the services will be in keeping with the high interest that has characterized our Silver Jubilee Year.

All next of kin and their friends are especially invited to attend. A dozen Pew Bibles will be dedicated in memory of the late R. B. Duffin and C. H. David, the gift of St. Paul's Official Board. A Pew Bible will also be dedicated in loving memory of Donald Stapley, son of Mr. and Mrs. Oliver Stapley who was killed in action Jan. 6th, 1944 at Ortona, Italy, the love gift of his parents.

It is hoped in time to replace the present lighting system with memorial lanterns. Members of the congregation contemplating special memorials, are asked to give these consideration. Information regarding other needs will be given on request.

Please remember our Endowment Fund in your will. It is a poor will that leaves out a gift for the Lord's work. One-tenth of your estate is suggested as a basic gift.

The Royal Stirling Junior Choir is rehearsing for its second Annual Candlelight Service.

A special "Lorenz" service has been chosen for this year entitled, "Joyful and Triumphant." It will include music of 18th century, Franz, Schubert, Martin, Luther, Forrest, G. Walter, Ruth Dale and others.

The enlargement of our choir loft by the installation of recessed royal boxes or stalls for our Anniversary services will permit a dozen additional choristers to join our choir and will greatly enhance our Christmas-tide praise.

Fifty-eight boys and girls were present at last Thursday's practice and five employed boys took instruction at noon, making 63 present. The Royal Choir enrolment now numbers 75. It may be necessary to secure a few more gowns. The minister would be pleased to hear from our devoted needle women who will volunteer to help make these.

The Royal Choir is grateful to Messedames (Dr.) Cornett, (Dr.) Vandervoort, C. A. Wells, J. Donohoe, and H. Munro for their great kindness in ironing nearly sixty washed and starched surplices for Anniversary Sunday. Thanks is also extended to Mrs. Hansen for her kind offer. She will be kept in mind when the surplices are laundered for the Easter tide.

It is scarcely possible to believe, and yet there is a Post Office within twenty miles of Stirling that has not a receiving letter box. In Stirling, residents may mail their stamped letters anytime of the day or night, and everyday in the week. Where have the Postal Inspectors been to allow Post Offices without a receiving outside letter box?

A splendid job is being made of the repainting of the Canal Bridge at Frankford. What about the River Bridge? Are Canals in a preferred category?

St. Paul's Marrieds' will hold their next meeting on October 25th. The Official Board of the Church will meet on Monday, October 23rd.

Carmel and St. Paul's will be privileged to hear the Rev. Fred Lane, of Madoc, on October 29th. Mr. Lane was eleven years at Wellington before accepting a call to Madoc last July.

The old time Methodists used to say under the itinerant system "the first year they idolize a minister, the second year they scrutinize him." Our minister will begin his second year with us in November.

Possibly the only rural church woodshed in the world to have an operating manual door bell is to be found at Carmel (Rawdon Township) where a melodious ring is heard when the bell is rung.

There are far too many children who are not attending Sunday School. Parents and guardians are invited to give attention to the consequences of such neglect or oversight. A splendid school is open to your children in convenient church centres. Use it.

The Belleville Presbyterian will sponsor a one-day school of Evangelism, to be held at St. Paul's Church on Tuesday, November 14th. Also, on this day at 2:30 p.m. in the afternoon, St. Paul's W.M.A. will hold its November meeting. Visitor points will be

welcomed as well as local residents. The minister will give an account of his trip to Vimy with the Pilgrimage in 1936.

G. Ashley gave a reading on "Thanks-giving." The Roll Call was answered by each one giving "Something to be Thankful for." The minutes of the last meeting were read and approved.

During the business part of the meeting two "thank you" cards were read and a sympathy card is to be sent to Mrs. Earl Fox, Belleville. It was moved and seconded to hold a supper the first week in November and asking Eggleton to join us. A committee was named being Mrs. G. Cooke, Mrs. A. Wright, Mrs. E. Poste and Mrs. G. Ashley. Mrs. (Rev.) Clarke and Mrs. Grant were appointed programme convenors for same. The programme committee for next meeting are Mrs. A. Wright and Mrs. J. S. Wilson.

Mrs. G. Cooke gave a reading on India and Miss S. Wilson on Temperance. Mrs. G. Ashley favoured on an instrumental and Mrs. Bert Wallace gave a reading on "Thanksgiving." Hymn 221 was sung and Mrs. C. Wright tendered a vote of thanks to the hostess. An interesting part of the meeting was a presentation to Mrs. R. Gay from a few of her friends. Miss S. Wilson read an address and Mrs. A. Wright presented her with a dresser lamp. Mr. Clarke gave an interesting talk on Thanksgiving and closed the meeting with prayer.

St. Paul's Woman's Missionary Society

Mrs. W. Fitchett was hostess to the West Huntingdon W.M.S. and W.A. of the United Church on Thursday afternoon last with seventeen members and two visitors in attendance.

The meeting was opened by the President, Mrs. A. Wright, using the theme "Thankful." Several songs were sung with Mr. Clarke playing his guitar and leading the singing. This was followed by Prayer by Mrs. W. Fitchett, Mrs. H. Cooke and Mrs. J. S. Wilson. Mrs. R. Gay read the Scripture reading taken from the 107th Psalm. Mrs. P. McIlroy gave a reading entitled, "Looking Out The Window," followed by a duet by Mrs. MacSaries and Mrs. Howard Cooks. Mrs.

and business periods. The theme was "Thanksgiving," and the meeting opened with the reading of a poem, followed by prayer.

After the roll call was answered the September minutes were read and approved and the Treasurer's Report heard. A remittance of \$6.00 was made to Presbyteral Treasurer in September, leaving a bank balance of 90 cents. The offering on Sunday evening, October 1st, when the Auxiliary had charge of the meeting amounted to \$15.03.

Miss Caldwell, Cor. Secretary read notes of appreciation for letters of condolence sent to bereaved ones. Mrs. A. E. Good, Community Friendship Secretary reported 10 calls made. Mrs. R. Stapley, Missionary Monthly Secretary, reminded the members that renewal of subscriptions to the magazine, are due this month. Mission Band Superintendent, Mrs. H. Wells, told the gathering that Christmas Cards can be bought from Band members. The president reminded the members to bring to the November meeting their gift packages for the soldiers in hospital. Mrs. George Carlisle, who had been made a life member, was presented with her Life-Membership Certificate at this meeting.

The programme was in charge of Mrs. R. A. Patterson. The General Confession and Psalm 65 were read in unison and following this, an article on Thanksgiving was read by Mrs. Dave Luery; a solo, "Good Is Good," was sung by Mrs. H. West and Mrs. Carlisle read some very lovely verses on "Thanksgiving."

The Second Chapter of the Study

Book, "The United Church Enters Japan by Re-Inforcements," was reviewed, with Mrs. Macklin and Miss Caldwell assisting Mrs. Patterson. The history of our Mission in Japan, the revival of social service work and the facts regarding social conditions in Japan, were briefly surveyed. For over 75 years we in the United Church of Canada have sent Missionaries to Japan. When the pioneer Missionaries went out, the Church in Canada believed that Christianity is a universal religion. Today we know it to be a fact, for in every land, including Japan, there are bands of loyal Christians. Indeed, the history of the last one hundred years has proven that of all the great religions, Christianity alone can ever become the religion of

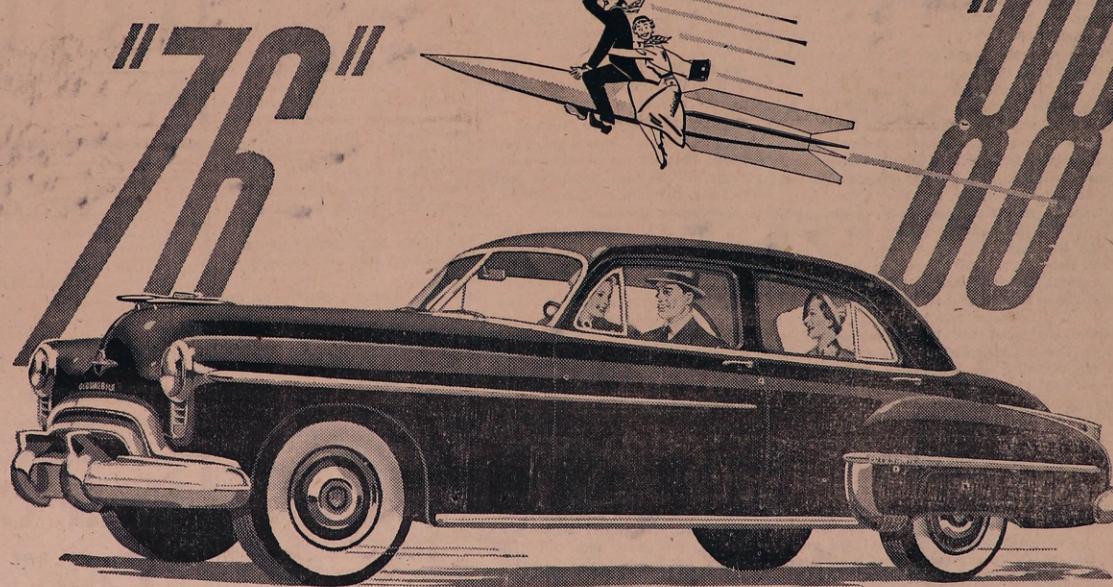

the whole world. From Japan itself come the words of Dr. Kagawa, "Without the Spirit of the Cross, Japan cannot be saved." In this belief, we in our day are sending reinforcements to strengthen the Christian witness in Japan.

The meeting closed with the Mizpah Benediction and a half hour was enjoyed socially when cookies and a cup of tea were served by the lunch committee.

The Chinese fly kites which have strings stretched across openings in the paper, produce the effect of an aerial chorus.

YOU'LL BE YEARS AHEAD WHEN YOU ROCKET AHEAD IN AN OLDSMOBILE

JUST NATURALLY, the car that started first, is the car that's ahead right now in the march of motoring progress! Yes, Oldsmobile brings you the benefits of its extra experience in such revolutionary advancements as Hydra-Matic Drive—the pioneer no-shift drive that's finest because it was *first in the field*, and has been proved and improved through actual billions of miles of driving in the past ten years!

The great new Oldsmobile "Rocket" Engine is another *first* from the continent's most experienced car maker. Pioneered two years ago, it has already started a major automotive trend toward valve-in-head engines of much higher compression—but the "Rocket" is by far the greatest because *it's first*, it's backed

by many more years of research, development and perfecting!

And all through every model of the 1950 Oldsmobile "88" and the "76", powered by its improved "Big Six" Engine, there's example after example of Oldsmobile quality leadership . . . advantages that come to Oldsmobile owners because Oldsmobile, the car that was *first in the field* of all cars made on this continent today, has the good habit of *keeping the lead*!

So, go ahead—*go years ahead*—with an Oldsmobile!

*HYDRA-MATIC DRIVE... The truly automatic drive that outmodes the clutch pedal entirely! Proved by billions of miles of driving since Olds pioneered it more than 10 years ago. So simple, so relaxing . . . such a thrill! Standard equipment on Rocket-Powered Olds "88", optional at extra cost on "76" 6-cylinder models.

Hello Homemakers! Let us talk of the "cabbage and his cousins." The cabbage has numerous relatives which include Brussels sprouts, cauliflower, Chinese cabbage and broccoli. These fresh vegetables can be used to great advantage now. The canned and root vegetables will have their place later on.

The green members of the cabbage family rate highest in food value. The greener a leafy vegetable the more Vitamin A, calcium and iron it is likely to supply.

SUGGESTIONS

- Brussels sprouts are best when the outer leaves are all green and look fresh and firm. One quart of sprouts should serve five or six people.
- To cook sprouts remove any blemished outer leaves and soak 10 minutes in salted water. Drain and cook in boiling salted water for 15 to 20 minutes or just until tender. Never over-cook until sprouts are ugly brown.
- To buy cauliflower select heads that are clean and white, firm and compact, and heavy for their size. If you see cauliflower with brown spots and florets that are separated it may be a poor bargain at any price.
- When cauliflower florets are broken into very small sections, crisped and served in salads do not waste the valuable Vitamin C content. Let it stand in cold salty water if pieces taste "strong."
- As a hot vegetable boil cauliflower only until tender (about 18 mins.); turn into serving dish then sprinkle with cheese or pour cream tomato sauce over it.
- Chinese cabbage is usually regarded as a salad vegetable but is delicious cooked too. Wash thoroughly, slice it crosswise and cook in boiling salted water until tender (about 12 mins.). Drain and add 1 cup cooked tomatoes and half a minced onion and put it back to cook for 8 minutes.
- Shred Chinese cabbage and toss together with equal quantities of grated carrot and grated turnip. Marinate with French dressing.

Sprinkle a teaspoon of brown sugar over a three-cup mixture and add a few chopped nuts, then serve.

8. When buying broccoli look for large heads — at least three inches in diameter, compact and green. The yellow flowers indicate less flavour and food value. Two bunches should serve six people. By the way the stems are very good.

9. To prepare broccoli wash, then slice the stems lengthwise leaving tuft of flowers on each slice. Place pieces in a small amount of boiling water, heads up. Cover and cook 20 mins. Drain. Pour hot butter over pieces in serving dish.

10. Red cabbage should be crisp and well-rounded to be good. Shred a small quantity to mix with white cabbage in salad. Wrap the unused cabbage in aluminum foil.

11. Always cook one or two very tart apples with red cabbage to retain the colour. Or a generous sprinkling of lemon juice at serving time makes a better colour in cooked red cabbage.

THE QUESTION BOX

Miss M. W. asks for a good pickle recipe using green tomatoes?

Answer:

Chow Chow
30 medium green tomatoes (7½ lbs.)
½ cup table (bag) salt or 1 cup coarse salt
½ medium cabbage (3 cups minced)
3 green peppers
2 sweet red peppers
3 medium onions
6½ cups vinegar
2 cups sugar
1 tablespoon celery seed
1 tablespoon mustard seed
½ tablespoon whole cloves

Put tomatoes through food chopper, using coarse blade. Combine with salt and let stand ½ hour. Put into cheese-cloth bag and let drain overnight. Add cabbage, peppers and onions which have been put through food chopper. Mix vegetables together and add vinegar, sugar and spices, tied loosely in a cheesecloth bag. Cook, uncovered, over low heat until vegetables are tender, about 20 minutes. Pour into hot, sterilized jars and seal. Yield: about 12 cups. (May omit cabbage and reduce vinegar and sugar to 3 cups vinegar and 1 ½ cups sugar.)

Mrs C. F. asks why some containers of frozen food split at the seams and if food is safe to use?

Answer: Food must have been packed too tightly or the boxes may have been packed together tightly. The food may be good to use providing it is cooked or brought to a boil for 10 minutes.

Mrs. B. D. asks how to remove orange candle wax from a red rug?

Answer: Sponge the waxed portion lightly with a liquid made up of two parts water and one part of denatured alcohol after scraping off as much wax as you can.

River Valley W.I. Afternoon Tea

The spacious home of Mrs. Percy Utman was festive with lovely autumn flowers for the successful afternoon tea sponsored by the River Valley Women's Institute members on Thursday afternoon, October 12th. Despite the rainy afternoon and all the activities of the Thanksgiving holidays, there was a good attendance and the ladies added a nice sum to their Treasury.

The guests were welcomed by the President, Mrs. Don Donohoe and the hostess. As they entered the living rooms they paid their twenty-five cents to the Financial Treasurer, Mrs. J. L. Donohoe. Here they were entertained during the afternoon with musical selections on the piano contributed by Mrs. Ralph Utman and Mrs. Harold West, while the Misses Helen and Joan Stapley sang three selections which were well received.

The dining room table with its lace cloth, vase of flowers, two silver tea services and plates of varied sandwiches and cookies looked very attractive.

During the first hour, Mrs. Clarence Holmes, of Trent Road, Belleville, who is a W.I. Provincial Officer and Mrs. Roy Bush, President of West Hastings District W.I. poured and the servers were Mrs. Jack Sager, Mrs. Harold Morgan, Mrs. Gerald Richardson and Mrs. Jack Donohoe. At the second hour Mrs. John Kane, District Director and Mrs. Edgar Morrow poured. Mrs. Will Hanna, who has been a continuous member for forty years was an honoured guest of the afternoon.

The tea plates were attractively arranged with white doilies trimmed with gay seals and an assortment of

small sandwiches and dainty cookies with accessories of cheese, carrots, olives and celery. This plate arrangement was a new idea and several visitors thought it was an excellent plan. The plates were arranged in the kitchen with Mrs. Jennie Donohoe in charge of serviettes and doilies, while Mrs. Hugh Jones, Mrs. Roy Irvin, Mrs. Harry Vandervoort, Mrs. Fred McDonnell, Mrs. S. McIntosh and several others assisted with arranging food on the plates. Mrs. Ross Bush was in charge of the tea.

In a side room Mrs. Alex Bush and Mrs. John Kaine sold over twenty-three dollars worth of home-made cooking. There was an abundance of home-made iced layer chocolate and raspberry cakes, cup cakes of all descriptions and a variety of drop cookies, buns and rolls, luscious pies, tarts and tartlets, home-made candy of several varieties, fresh eggs, pint sealers of jam and jars of jelly. This lovely table was a picture of mouth-watering loveliness and practically everything was sold to eager buyers. Several town ladies telephoned their orders so some special item could be laid away and delivered later.

In this same room Mrs. Percy MacMullen and Mrs. Stanley Irvin were in charge of a "Hidden Bargain Table," which netted eleven dollars and fifty cents. The buyers found plenty of mystery as they handled the various parcels and tried to figure out the contents. After they purchased their parcel many were opened in the room and revealed towels, baby clothes, plastic dishes, wall ornaments and a large array of miscellaneous articles including a box of apples.

Several members came early with their cooking but were unable to stay for the afternoon, while other members unable to assist handed in a donation. The total receipts were over forty-nine dollars.

There were seven members of Bay of Quinte W.I., one from Stirling W.I., five from Uniondale W.I. and three from Pinegrove W.I. in attendance.

The River Valley W.I. members are grateful to the hostess and all who assisted in any way to make the afternoon a success.

Essay Competition

Winners

Winners of the "Save The Wild Flowers" Essay Competition sponsored by the Ontario Horticultural Association, was Diane Wilson, of Font Hill, Ontario, according to an announcement by J. A. Carroll, Secretary of the Ontario Horticultural Association. This Competition was sponsored by the Association with the hope of interesting young people in conservation through developing ideas for saving our wild flowers for future generations. It was open to all pupils in Grade 8 (Entrance Class) throughout Ontario.

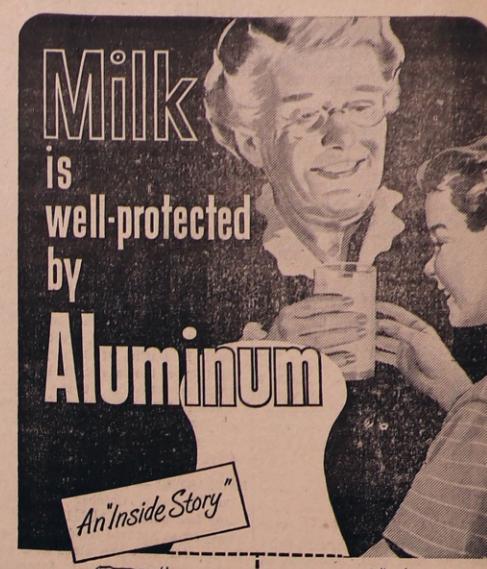

Commenting on the essays this year, John F. Clark, Fieldman for the Association stated the numbers were about the same as in previous years, but the quality of the essays as a whole was higher than has been the case in the past. He added, that the winning essay of Diane Wilson was exceptionally good. Another feature of this year's Competition was the widespread interest right across the Province. Entries were well distributed over the area coming from the Ottawa Valley in the East right through to the Lakehead in the West.

The first prize was "Birds of America," Audubon, donated by the Ontario Horticultural Association. There were nine additional prizes, all donated by Mrs. D. A. Gillies, of Arnprior, a Past President of the Association. These were won by the following students: 2nd, Jim Hood, Guelph; 3rd, Gail Ireland, Smithfield; 4th, Carroll Mallory, Cobourg; 5th, Helen Harmon, Mount Albert; 6th, Linnea Peterson, Hymers; 7th, Shirley Hodgson, Dresden; 8th, Mary Jane Otto, Elmvale; 9th, Vivian Houle, Blind River; and 10th, Grant Morton, Newmarket.

On Thursday evening, October 5th, a large number of friends gathered at the home of Mr. and Mrs. Albert Zufelt in honor of Mr. and Mrs. Donald Spencer, who are moving to their home near Stirling, on the farm formerly owned by Arthur Wilson.

Mr. Royce Hanna acted as chairman for a programme of community singing, readings and contests. Mrs. Geo. Chapman gave a few remarks of well wishes for every success in their new home and Mr. Albert Zufelt presented them with an occasional chair on behalf of the community.

Don thanked all for their gift and good wishes and invited them to visit their new home. A delicious lunch was served by the ladies. —Frankford Advocate.

1. The nourishing glass of milk from Grandma is the happy ending to this story. It started when Nature put aluminum in the earth itself. That is why this important mineral is right in the milk we drink.

2. And Nature gave aluminum qualities that make it ideal in contact with food. Many milk pails . . . many parts of modern milking machines are made of aluminum.

3. From farm to dairy . . . from country to city . . . rich, wholesome Canadian milk is being increasingly carried in aluminum containers to reach you fresh and pure.

4. And to cap it all, many bottles of milk are protection-sealed with shining aluminum foil tops. Aluminum assures cleanliness for this most sensitive of all foods.

No other material is more "food-friendly" than aluminum. Whenever you see aluminum on the outside of a food or a drink, there's an "inside story" of perfectly protected flavour, quality and purity.

Hints to the Housewife!

Some natural minerals in foods and water leave a dark deposit on cooking utensils. These deposits are harmless and are easily removed by standard cleaners or steel wool and soap.

NEWS FOR THE BUSY FARMER

NEW BLIGHT RESISTANT POTATOES

Canso and Keswick, two new blight resistant varieties of potatoes developed as part of the National Potato Breeding Programme at the Experimental Station, Fredericton, N.B., are to be distributed to selected certified seed potato growers from coast to coast, it is announced by the Canada Department of Agriculture, Ottawa.

Bearing geographic place names well known in Nova Scotia and New Brunswick, these two blight resistant varieties are the result of a long term potato breeding programme and more than 30,000 seedlings have been tested for late blight resistance. Tested under a seedling number for some years in different parts of Canada, Canso and Keswick are to be released in areas where they have been proven to be adapted.

HOUSING OF PULLETS

Pullets raised now-a-days have the inherited capacity to lay large numbers of eggs. They will develop into profitable producers if fed and managed properly. Observance of good management practices at the time of housing will do much to ensure high production throughout the laying year.

First to be considered is the matter of cleaning and disinfecting the laying house. This is a must in good poultry husbandry. Cleaning and disinfecting involves the removal of all litter, including that which is caked on the floor, roosts, nests and droppings boards. A very useful tool for cleaning is the garden hoe. After all the litter is removed the interior of the house and all equipment should be thoroughly scrubbed. One pound of lye in forty gallons of water makes a satisfactory solution for scrubbing. After cleaning with this solution the house should be rinsed with clean water before it is whitewashed. A good commercial disinfectant should be added to the whitewash. At the Experimental Farm, Brandon, Man., the whitewash is applied with a pressure sprayer. Small poultry houses can be whitewashed satisfactorily with a brush. When the whitewash has dried and clean litter has been placed in the house it is ready to receive the

pullets.

The environment in which the pullets find themselves during the first few days of confinement has much to do with their continued health. It is essential that they receive plenty of fresh air during the first few days. Draughts, however, must be avoided if colds are to be prevented. The feeding of green feed such as leafy alfalfa or a little feeding fish oil is a good precautionary measure to take at this time.

The rations the birds receive must be balanced for all essential nutrients. Pullets should be so fed that they continue to gain in weight until well into their first laying year. If the birds come into production quickly and lose weight they may go into a partial molt and out of production for a time. Egg production and body weight can best be controlled by feeding varying amounts of whole grain and mash.

PRODUCING GOOD QUALITY MARKET EGGS

The important factors which influence egg quality are breeding, feeding and management.

Most market egg producers buy their laying stock from commercial hatcheries follow a breeding program approved by the Dominion or Provincial Government the purchaser is assured of being able to obtain laying stock which will lay well when properly fed and adequately housed.

Rearing is important. Pullets should have access to good feed and pasture and should be culled before being brought into the laying house. The thrifty, healthy, well grown pullets should be retained.

The feeding program will influence both the grade and quantity of eggs. A well balanced good quality laying mash, together with scratch grain, grit, oyster shell and a constant supply of clean water is essential. This will assure the best returns in number and grade of eggs produced per pound of feed consumed. High grade eggs will not be produced by hens that have free range an access to refuse heaps and manure piles.

The laying flock should be housed in well ventilated, sanitary pens if maximum egg production is to be maintained. When extremes in temperature are experienced the importance of insulation should not be overlooked. The use of community nests

saves time. There will not be as many soiled, stained or broken eggs as when individual nests are used. Nesting material should, of course, be kept clean.

Infertile eggs retain their quality longer than fertile eggs, thus if the flock is not being used for breeding purposes the males should be removed.

Eggs should be collected at least every two hours especially in warm weather. Wire egg baskets are the best containers to use for this purpose as they permit the eggs to cook more quickly. The eggs should be placed in a room that is cool and free from all odours. The ideal holding temperature is 55 degrees F. Ship eggs at least twice a week if possible. Do not market eggs that are abnormal in shape, size or shell texture, use these in the home as they will only lower your grade and cost returns.

Routine is important. A regular schedule of feeding and management will help to maintain steady production.

MADOC CALF CLUB

Fourteen girls and boys exhibited their calves at the Achievement Day of the Madoc Calf Club on October 3rd at Madoc Fair. The top calf in the club was exhibited by Douglas Burnside, while Ted Burnside placed second. These two calves went on to be junior and reserve junior champions in the Black and White Show. Miss Betty Ketcheson followed in very closely with a third prize calf, and Glen Blackburn placed fourth.

The final standing of the club members was added up that day, and with a possible total of one thousand points, Miss Betty Ketcheson, who is a daughter of Allen Ketcheson, one of the former very active juniors in the County, was first, with a total of 929 points. Second was Glen Blackburn with 821; third, Ted Burnside, 908 points; fourth, Ross Moorcroft 908; fifth, Norman Griffin with 899; sixth, Douglas Burnside with 898; seventh, Isabelle Burnside, 891; eighth, Claude Comberford with 886; ninth, Harold Harris with 853; tenth, Floyd Blackburn with 853; eleventh, John Ash with 852; twelfth, Harley Blackburn with 842; thirteenth, Edward Tobin with 823, and fourteenth, Bob Griffin with 789 points.

JUNIOR CLUB CHAMPIONSHIP GROUP SHOW

At the suggestion of the Hastings County Club Leaders, a Group Show was held at Madoc Fair this year for the best group of three calves from any one calf club. The prize winning group was from the Belleville Club, and the owners and exhibitors of the

calves were: Kathleen Homan, John McComb and Griffin Ketcheson. The second prize group was the Madoc Calf Club with the group consisting of the calves of Douglas Burnside, Ted Burnside and Betty Ketcheson; third prize was the Stirling Calf Club with the calves of Merle Moore, Carl Reid and Douglas Morton; fourth, the Marmora group of Donna McComb, Edward Shannon and Leo Hulsman, and fifth, the Hungerford Calf Club with the calves of Ross Bateman, Vera Martin and Pat Langevin.

The exhibitors in each case had the honor of winning and were given ribbons, and in addition each girl and boy in the group received \$3.00, which had been donated on a dollar basis from each of the following: The Madoc Agricultural Society, the Hastings County Cream Producers' Association, and the Hastings County Holstein Breeders' Club.

FAIRS IMPORTANT SAYS COL. KENNEDY

Fall Fairs have been one of the important features in the Agricultural life of Ontario almost since the beginning. This statement was made by Col. the Hon. T. L. Kennedy, Ontario Minister of Agriculture, on Thanksgiving Day when he officially opened the Erin Fall Fair on its 100th Anniversary. He added, this particular Fair has had a history of which the community might well be proud; a history worthy of the commemoration they have planned by constructing a pylon.

Col. Kennedy noted that in the early days the prize lists of Fairs were very limited. They have since broadened to include such activities as Dairy Cattle, Poultry, Sheep, Swine, Boys and Girls Club Work, School Exhibits and Handicrafts of all kinds. All these things have helped make the Fairs of great importance to Agriculture in Ontario. He added, the constant efforts of farmers and technical people to improve the quality of crops and livestock, have done much to win a high place in world markets for Ontario Products. Evidence of these efforts is to be seen at the Fairs, and the very fact these improvements are shown at Fairs have helped them to be accepted by more and more farmers, thus speeding up the improvement which has taken place in Agriculture over the years.

Rawdon Farmer Killed In Crash

One man was killed, three are in critical condition and three others are also hospital patients following a head-on collision Friday on the 8th line of Seymour Township, about seven miles east of Campbellford. Garland Huff, 19, of Rawdon Township, who was driving one of the cars, died in Belleville Hospital of chest injuries Friday evening. Lionel Gray, 19, of Campbellford, a passenger in Huff's car, is reported in a critical condition in Belleville Hospital, with a fractured skull and cuts.

Those in the other car were Samuel Harrington Gifford, of Redan St., London, who suffered a broken collar bone and a broken right wrist; his wife, Neva Gifford, who is reported in critical condition with a depressed fracture of the skull, fractured wrist and cuts.

Blake Gifford, a son, suffered lacerations to the neck and head and a fractured right ankle. Another son, Russell, 108 Kathleen St., Sarnia, who owned the car, and was driving at the time, suffered lacerations to the scalp, face and knees, and is believed to be the least injured of the seven victims. A fifth occupant of the Gifford car, James Hardy, of London, is also in critical condition with severe multiple lacerations of the face and scalp and concussion. Mr. Hardy, 52, is a cousin of Chief Constable George H. Hardy, of Campbellford, and was travelling with the Giffords to visit his mother, who lives in the Morganston area.

On Way To Funeral

The Giffords were travelling to Bonarlaw to attend the funeral of David Wellman, who was killed on Tuesday evening.

The two vehicles met head on, the bumper of the Huff vehicle becoming imbedded tightly into the grill of the other. Neighbours were attracted to the scene by the steady blowing of the horn on one of the cars, but it was several minutes before help arrived.

Lindsay Anderson was believed to be first on the scene, and when he saw the injured people, four of them unconscious, he believed some to be dead. He phoned Campbellford police, who had doctors and an ambulance on the scene within a few minutes.

The Gifford car was travelling towards Bonarlaw and the Huff car, towards Campbellford. At a point opposite the driveway to the farm of Lindsay Anderson, a sharp knoll obscures the vision of vehicles approaching from either direction. Residents of the district have asked on a number of occasions to have the rise flattened out.

GARLAND HUFF

As the result of an accident near Campbellford on Friday afternoon, Mr. and Mrs. Edward Huff and has resided all his life in that community. He was a member of Springbrook United Church and was popular in the work of the church and community.

Surviving are his parents, one brother, Kenneth Huff at home, and one sister, Mrs. Clinton Robbins, of Bonarlaw.

The funeral was held on Monday afternoon at his late residence.

Interment 12th Line Cemetery.

W.M. JOHN LIVINGSTON

The funeral of the late Wm. John Livingston was held at his late residence on Thursday, October 12th at 2 p.m., with service being conducted by Rev. H. E. Beare. During the service Mrs. Beare sang, "In the Garden." Interment was made in Bethel cemetery.

The pallbearers were Messrs. Cecil Chapman, Percy Mumby, Hiram Mumford, Delbert Fleming, Reginald McLean and Geo. Thompson.

Many floral tributes were a sign to the high esteem in which he was held in the community.

E. J. PYEAR

el community in Sidney Town was saddened on Monday by the death of Mrs. E. J. Pyear at her residence, Stirling R.R. No. 3. The late Pyear had been in failing health the past three years and was in her 4th year.

At Frankford the late Mrs. Pyear was the former Mary Iva Potter, daughter of the late Ransom Potter and his wife Abbie Riley. She was well known and held in high regard throughout the community. In religion she was a member of Carmel United Church, and so long as health permitted took an active part in its work. She was a former organist of the church and a past President of the Woman's Association.

Surviving besides her husband, are two daughters, Mrs. Helen Neal, of Stirling, and Mrs. Douglas (Gladys) in, of Thurlow Township, and one son, Gerald Pyear, of Frankford. One

brother, Harry Potter, of Stirling, also survives. There are five grandchildren.

The funeral took place this (Thursday) afternoon from her late residence to Carmel United Church for service at 2:30 o'clock.

Interment in Stirling Cemetery.

Bethel Girl's Club Organized

Some fifteen Bethel girls met at the home of Mrs. Stewart Hoover, on Saturday, October 11th. The meeting was opened with a short worship service. Mrs. Hoover, Miss Rogers and Mrs. Don Heath were appointed leaders.

Plans for organizing were discussed. The following officers were elected:

President, Viola Free; Vice President, Marlene Hadley; Secretary, Shirley Cooney; Treasurer, Eleanor McGee.

The programme committee in charge for the November meeting will be Joyce Reid and Viola Free. The lunch committee will be Joyce Reid, Shirley Cooney, Viola Free and Marlene Hadley.

Mrs. Hoover led in some very interesting games, which were followed by a delicious lunch. The meeting closed with the Lord's Prayer. The next meeting will be held at the home of Mrs. Francis Reid on November 11th. The roll call will be answered by a name for the Club.

Scout News

On Sunday, October 29th at 8:30 p.m. the Stirling Citizens' Band is playing a Band Concert in the Community Hall. A silver collection will be taken to be used for buying tents for the Boy Scouts. Last year the tents had to be borrowed for use of the boys at camp, so this winter they are going to try to raise enough money to buy their own.

Citizens are urged to attend the concert and help the boys. The Wolf Cubs have Christmas Cards to sell, so folks if you need cards get in touch with a Cub and he will get you what you want, or phone 417.

We would like to thank the citizens of Stirling and the community for their support on Apple Day which amounted to \$70.00, and for the men who gave their time on Monday at the Field Day which was a great success.

Skipper, Akela.

County Holstein Breeders' Association Banquet on Nov. 2nd

The annual banquet, sponsored by the Hastings County Holstein Breeders' Association, will be held in the Stirling Community Hall, on Thursday November 2nd, at 7:00 p.m.

The guest speaker will be Mr. A. M. Barr, Associate Director of Extension, Ontario Department of Agriculture, Toronto. Mr. Barr, previous to his present appointment, served as Agricultural Representative, and as a Fieldman for the Holstein-Friesian Association of Canada. He is a graduate of the Kemptville Agricultural School and the Ontario Agricultural College.

Tickets for the banquet may be obtained from the Director of the Hastings County Holstein Association in your area or from the office of the Agricultural Representative in Stirling, at a cost of \$1.25.

M. & M. Rally

The Missionary and Maintenance Committee of the Belleville Presbytery of the United Church of Canada will hold a series of rallies throughout the Presbytery commencing Wednesday, October 25th at Bancroft. A meeting for the area comprising Stirling, Madoc, Springbrook and other places will be held in St. Andrew's United Church, Marmora, on Thursday evening, October 26th, at 8 o'clock.

Rev. J. D. Morris, a very fine speaker and young people's worker will be the guest speaker. All who can be urged to attend this meeting.

On rising to speak, Premier Frost was given an ovation and the speaker held the rapt attention of his audience throughout his address. After complimenting St. Paul's on their ninety-seven years of usefulness; he paid tribute to Hastings County and Haliburton, and said his own Parish consists of four and a half million people.

He noted that Stirling had its beginning with United Empire Loyalists and while these pioneers brought very little of their world's goods, they did bring much of value which included a great spiritual and moral background. "Of all the assets of Ontario none is as great as the spirit of our people, and the most important institution is as great as the church," stated the Premier.

The speaker outlined some of the great challenges and opportunities that we have in this Province of Ontario, and many times throughout his address he stressed the point, "remember you are a Canadian."

Many years ago it was prophesied that the 20th Century was Canada's Century and surely that is true with all the expansion developments that are taking place in this era. He referred to several large industries, including the Bata Shoe Company, at Batavia, which he had visited in the afternoon. How quickly we have moved from "Horse and Buggy Days" to motorized vehicles, cars, tractors and agricultural implements. In 1950 there will be 1,250 million dollars of agricultural products produced. He told of the remarkable strides made in converting waste land into profitable land and stressed the equality of opportunities for our children.

Mr. Frost gave the history of the building of the Ontario Northland Railway in 1906 and the opening up of the Great Clay Belt and the modern mining in the Kirkland Lake and Porcupine Areas. In this year there will be three hundred and fifty million dollars of new wealth. He gave a graphic picture of Iroquois Falls, where everything needed for modern living is available. Surely the railway has had

Turning to the development of

Mr. Frost challenged the many

St. Andrew's Presbyterian Church Observes 94th Anniversary

Rev. A. E. Toombs, Campbellford, Guest Minister
Special Music By The Choir

The congregation of St. Andrew's Presbyterian Church, Stirling, celebrated the 94th Anniversary of the founding of the Church on Sunday last. Rev. A. E. Toombs, of Campbellford, who has spent several years as a Missionary in India, was the guest Minister for the occasion and special music by the choir added greatly to the interesting and helpful messages brought by him.

Large congregations were present at both morning and evening services and it was most gratifying to those in charge of arrangements to have kind friends from all parts of the community join in the celebration of another milestone in the history of St. Andrew's. Rev. Toombs proved to be an outstanding speaker and his stirring messages were well received by those privileged to hear him.

The church was artistically decorated for the occasion with beautiful baskets of Chrysanthemums and products of the bountiful harvest. The collections for the day amounted to approximately one thousand dollars.

At the morning service Rev. Toombs based his remarks on St. Matthew 28: 19-20, emphasizing particularly "Go ye therefore, and teach all nations."

In his opening remarks the speaker pointed out that one of the first essentials as we turn to think of the Church's task was "that we see Jesus." Without that essential all our work would be in vain. "Go ye therefore and teach all nations" is an imperative command from which there is no turning back. Remember that this is Jesus' last will and testament. He always had the intention of saving all people and if we fail to carry his message to the heathen people of the world, their blood will be on our hands, continued the speaker.

"All the trouble the world has had and is having to-day is because we have failed to carry out this command of Jesus," stated Rev. Toombs. What is the need of the world today? The great problem of sin is the main thought of all people, and what impresses one most in India is that the people are more concerned over this problem than we are here in Canada.

Mr. Toombs gave many illustrations of the sacrifices these heathen people make in an endeavour to get rid of sin, and reminded his listeners that all the misery and horror and loss of lives in the past two World Wars was the price that we have paid for failure to carry out Jesus' dying command.

Evening Service

In the evening Rev. Toombs spoke on the prophecy of Nahum and the wicked city of Nineveh, wherein lies, robberies, witchcraft and filth prevailed.

There was a proverb in India, stated the speaker, "If you tell the truth you starve, but if you lie you get food." This proverb had its counterpart in this country where many believed that "if you lie, you will make progress and if you tell the truth you fail." Because God is spoken of as a God of Love many people believed that they could sin as they pleased and all would be well. But according to the prophet God is jealous and the Lord revenges. The Lord will take vengeance on his adversaries and he reserves wrath for his enemies. "The wisest thing is to retain our friendship with God," concluded the speaker.

Special Music

The musical contribution made to these splendid services by the choir in the morning included a solo by William Reynolds, "How Lovely Are Thy Dwellings" — Samuel Liddle; a solo, "Perfect Prayer" — Oley Speaks, by Miss Marilyn Eggleton, and an An-

RUGBY DANCE AT HIGH SCHOOL

Wednesday evening, a social evening and dance was held in the High School Gym, to raise funds to help pay the current rugby expenses.

The various forms each put on a short skit as part of the programme, which lasted about one hour and a half. Music for dancing was provided by Marilyn Eggleton, Garner Thain, Jack Rose and Dick McLachlan. Dancing continued until 11.45 p.m.

The dance proved to be very successful and the programme provided by the forms was enjoyed by all. It appears that the newly elected Student's Council has a very successful year ahead.

Night Classes At High School

Night Classes in Shop Work and Basic English will again be held in Stirling High School during the Fall and Winter months, according to an announcement made by Principal J. L. Good. Registration will be on Monday, October 30th, at 8 p.m., and all interested are asked to be present on this date.

Grand Master Chas. A. Hutcheson Honoured By District Oddfellows

Banquet Served By Ladies of Bethel United Church — Splendid Program Enjoyed

Over one hundred and fifty Oddfellows were in attendance at the testimonial banquet in honour of Chas. A. Hutcheson, of London, Grand Master of the Independent Order of Oddfellows, in Stirling Community Hall on Monday night, on the occasion of his official visit to Madoc District No. 45. The Grand Master was welcomed by Bro. Walter Warren, D.D.G.M., and Mrs. Warren made the presentation of a beautiful corsage to Mrs. Hutcheson.

Following the serving of delicious banquet by the ladies of Bethel United Church, the toast to "The King" was honoured after which community singing was led by R. A. Patterson, with Mrs. Ray Shortt at the piano.

Bro. Wm. Woods, of Tweed, P.D.D.G.M., proposed the toast to Grand Lodge, which was replied to by the Grand Master, Chas. A. Hutcheson, in a very instructive address on the work being carried on by Oddfellows, including the Cancer, Polio and Tuberculosis Fund.

Mrs. Walter Warren favoured with a solo, accompanied by Mrs. R. Shortt.

Bro. Earl Fox, P.D.D.G.M., proposed the toast to the ladies and Mrs. H. C. Vaclavik gave the response.

Presentation of Beatty Shield

A feature of the programme was the presentation of the Dr. S. R. Beatty Shield to Madoc Lodge, No. 179, for initiating the most new members during the year, by Rev. A. L. Sisco, of Tweed, Grand Chaplain of the Grand Lodge of Ontario. This is the twelfth presentation of the shield and Madoc has won the award seven times.

Short addresses were given by the Noble Grands of the visiting lodges and Mrs. H. Mumby, Noble Grand of Laurel Rebekah Lodge, No. 211, Stirling, as a postlude.

Turkey Dinner

On Monday evening the ladies of the congregation served a Turkey Dinner in the Sunday School rooms to over five hundred persons. The tables were laden with all the good things to eat and were well arranged. The large crowd was served promptly and with a minimum of confusion. The ladies of St. Andrew's have long been noted for their good cooking and judging from the many fine compliments received on Monday's dinner their reputation is further enhanced.

F. BATEMAN D.G.M. BANQUET SPEAKER

Fred Bateman, of this Village, Deputy Grand Master of the Orange Order for Ontario East, attended the annual turkey dinner of the Lennox and Addington County Orange Lodge held at Tamworth on Friday evening last. He was accompanied by Mrs. Bateman and Mr. and Mrs. Chris Bateman of Springbrook.

H. A. Graham, of Kingston, Grand Organizer of Ontario East, also attended. Following the dinner Bros. Graham, Bateman and County Master, Bro. Freeman, of Yarker, delivered short addresses.

Euchre Party

A successful euchre party was held in the Legion Hall on Friday evening under the auspices of St. James the Minor Church, Stirling, with nine tables in play.

The following were the prize winners: Ladies, Mrs. Arnold Forestell; men's Mr. J. E. Fellion; consolation ladies, Mrs. J. Legrow; consolation men's, Mr. J. E. O'Donnell; lone hand prize, Mr. Arnold Forestell.

Refreshments of sandwiches, cake and tarts were served at the close.

Local Girls Defeat Madoc

Stirling High School girls' Volley Ball Team overwhelmed Madoc to the tune of 95 to 24 in the final game of the schedule played on Tuesday.

The local girls have gone through the schedule without a defeat and have high hopes of taking the championship in the play-off series which gets underway the week of November 6th.

Milk Report

The following was received from the Ontario Department of Health on the milk from Stirling Dairy for the month of October: B. Coli Count, 3; Standard Plate Count, 1,000; Per Cent Butter Fat, 3.2; Result of Phosphatase Test, "A."

Scout News

Well folks, on Sunday night, the Stirling Citizens' Band are going to play a concert in the Community Hall, at 8.30 p.m. and a silver collection will be taken, which will be given to the Scouts to buy tents for camping next summer.

The Batavia Troop, under Scoutmaster Victor Babby, will have a camp fire sing-song. Mr. Art Jackson, of Trenton, will have a few words to say.

Miss Helen Grant, of Belleville, who has played with the Belleville Band will render several numbers on the Cub Meeting.

Wednesday night the Cubs met in the High School and "Nickey" Bibby and Denton Shortt received their first star. A few games were played and a camp fire on the School Grounds with weiners and coke. There are 28 members in the pack.

Over One Hundred Guests Gathered At Home of Mr. and Mrs. Everett Cooke

On Wednesday evening, October 18th, Mr. and Mrs. Hiram Rodgers were entertained at the home of Mr. and Mrs. Everett Cooke, Ridge Road, near Stirling, on the occasion of their forty-fifth wedding anniversary. The rooms were decorated with cut flowers and baskets of mauve and white mums. Mr. Rodgers was born in the home now occupied by Mr. and Mrs. Cooke and family.

Mr. and Mrs. Rodgers were married in St. John's Anglican Church, Stirling, forty-five years ago by Rev. B. F. Byers. They have one daughter, Mrs. Frank McGee. A son, Aubrey, was killed in World War II.

During the evening about a hundred guests gathered to extend greetings to the bride and groom. The parlour was beautifully decorated with blue and white streamers with a white bell in the centre and a three-tiered wedding cake, with blue and white candles, adorned the table.

Rev. A. J. Anderson, of St. John's Church, Stirling, was master of ceremonies and opened the programme with community singing led by Mrs. Don Rose, of Holloway, with Mrs. Earl White, of Belleville, at the piano. Mrs. Louis Rodgers read an appropriate address and Mrs. Everett Cooke presented Mr. and Mrs. Rodgers with a purse of money. They also received a lovely electric tea kettle from Mr. Rodgers' sister, Mrs. Emma Rose and family, of Holloway.

Mr. and Mrs. Rodgers made suitable replies, thanking all their relatives and friends for their lovely gifts.

A very delicious lunch was served and all dispersed wishing the bride and groom many more years of happiness.

The following is a copy of the address read to Mr. and Mrs. Rodgers:

Dear Pearl and Hiram:

Forty-five years ago to-day
You launched your bark for life,
Upon the matrimonial sea
As husband and as wife.

In sunshine and in storm you've sailed
ed

That sea, like sailors true,
With just enough of shadows gray
To make your sky more blue.

You've shared each other's burdens,
Wise helpmates you have proved,
This world's a pleasant place to live
When hearts by love are moved.

You sympathize with those who mourn
You are staunch friends in need,
In times of sickness never near
To help by word or deed.

True friendship is a sacred thing
Not to be bought or sold,
And to possess good friends like you

The Estate of Arthur Clarke Frost
Offer For Sale By Tender**

The Valuable Real Estate located on Herchimer Ave., and Dundas Street, East, in the Township of Thurlow, adjoining the City of Belleville, formerly owned by the late Arthur Clarke Frost.

To facilitate the sale of the property, it has been divided into three parcels (according to a plan which may be inspected at 160 Front St., Belleville) as follows:

Parcel (1) — On the West side of Herchimer Ave. (south of Bridge St.) Frontage 115, Depth 288'. On this property stands a solid brick slate roofed, 8-rooomed dwelling which will be open for inspection from 1 to 5 p.m., on Saturday, October 21 and 28.

Parcel (2) — A vacant plot 112' x 221' running in a southerly direction from the rear of Parcel (1), and being in the rear of the Stapleton and McCoy properties on Herchimer Ave.

Parcel (3) — The North-Westerly corner of Dundas St. East, and Herchimer Ave.

Frontages — Dundas St. E., 290'.
Herchimer Ave., 279'.

This parcel containing nearly two acres and adjoining Parcel (2) is located on No. 2 Highway. It would be an ideal site for a service station, large garage, transport terminal, motel, super-market, or for light manufacturing or other commercial enterprise.

Tenders will be received at our office for any or all parcels until November 4th, 1950.

The highest or any tender will not necessarily be accepted.

Successful tenderers will be notified by registered mail that their tenders have been accepted, but the notice of acceptance shall not constitute a contract for sale. The successful tenderers will be required to execute an Offer to Purchase, in standard form, and to pay 10% of the tender price in cash as a deposit and the balance in cash on delivery of the deed.

Deputy Minister.

Mr. Pleasant W.M.S.

The regular meeting of Mount Pleasant Woman's Missionary Society was held one week later at the home of Mrs. Herbert Smith on Wednesday, October 18th. There were twelve members, five visitors and six children in attendance.

The President, Mrs. Roy Thrasher, presided and led in the Prayer of General Thanksgiving. Mrs. Ross Hoard played quiet music and all sang a hymn of thankfulness. The minutes were read and approved and Roll Call answered. Mrs. Percy MacMullen read this excerpt from a personal letter she had received from Mrs. James Loughland, Guelph, President of Dominion Board as her Roll Call. "Have you ever stood by the ocean watching the waves pressing relentlessly forward? Little waves, big waves, all tumbling and hurrying to reach the shore? If so, then you have an idea of what happens when women from all sides unite in a common cause to reach a common goal."

The Treasurers report was read and the amount to date is one hundred and seventy-four dollars. The day's offering of almost ten dollars; also seven dollars and fifty cents more Thankoffering was received by Mrs. Marguerite McMullen and dedicated.

Mrs. F. Smith read an invitation to visit Salem W.A. and Bazaar on November 8th with Mount Pleasant to give the devotional and this was accepted.

The regular November meeting will be held one week later. Each member is to invite her husband and take lunch for this gathering with Rev. and Mrs. H. C. Vaclavik. Mrs. Jeffs and Mrs. Thrasher extended thanks for sympathy letters received. Mrs. John Holmes, who is ill sent her greetings and the President asked all to remember Mrs. Holmes during her illness.

Mrs. Frank Jeffs read a letter of thanks from Mrs. Sherman, of Morris, Alberta, for the parcel of four quilts and a blanket, which had been received and given to needy people in that area. Several ladies renewed their subscriptions to the Missionary Monthly and to World Friends, and Mrs. McConnell hopes to send the order soon.

Mrs. Will Potts gave a reading on the subject, "Stewardship of your spare time." The only wealth worth having is found in human hearts.

There are many phases of stewardship and all should be practised. One Missionary has said, "Let me die working and giving."

Thanksgiving Message

Mrs. Milford Wrightman read a message written by Dr. U. T. Mooney, Treasurer of the United Church, which said Thanksgiving is an essential Christian Grace. Let this season of Harvest Thanksgiving incite in us the art of being thankful for all the mercies and blessings which we receive daily.

Mrs. Frank Smith read the 130th Psalm, "Bless the Lord O My Soul." Mrs. Percy MacMullen gave a full report of the afternoon session of the recent Rally held at Tabernacle United Church, Belleville, and she also read a report of the morning session which had been prepared by Mrs. Blake Sharpe. A vote of thanks was tendered for the reports of Mesdames Jeffs and Hoard. At a later date some way is to be planned to make money for supply work. Mrs. Marguerite McMullen sang, "The Morning Light Is Breaking."

Mrs. John Mulheron gave a splendid paper on "Thankfulness." She said being thankful makes life worth while. It takes two people, the giver and the receiver to carry out this idea and she outlined a fund of experiences of people who had been notably thankful for mercies received.

Mrs. Frank Jeffs outlined the Study Chapter, "The Empire Is No More."

For a Country that was not invaded by land, Japan suffered terrific damage and over 250,000 people perished because of air attacks, while some 2,500,000 buildings were burned. As though these were not enough, fire, flood and earthquake have ravaged the land since the end of the war. Christianity emerged from the war with many Churches and Mission Buildings destroyed. Japan has free religious teaching now and Christianity has its supreme and possibly last chance to win this nation for Christ.

Mrs. Will Hubble gave two violin selections, "The Lost Chord," and "Sweet Genevieve." She was given piano accompaniment by Mrs. John Mulheron.

Thanks was extended to the programme committee and hostess and all who gave of their talents to carry out the interesting items. The hostess served home made candy and all enjoyed a social half hour.

Springbrook W.A.

The regular meeting of Springbrook W.A. was held at the home of Mrs. P. Bateman with an attendance of 33.

The President opened the meeting using the hymn, "Wonderful Love," followed by the Theme Song and W.A. Prayer. Psalm 95 was read responsively led by Mrs. B. Bateman. Mrs. E. Johnson read the lesson thoughts and closed with the Lord's Prayer. The devotional period closed using "Now Thank We All Our God."

Following the reading of the September minutes and the Roll Call, the visiting committee reported 40 calls made and 52 cards sent during the previous month. An invitation to an afternoon tea at Bonarlaw was read and accepted. Rev. Beare reported progress made at decorating the parsonage kitchen. The Treasurer reported net receipts from dinner at Stirling Fair and bazaar.

The Thanksgiving topic was very ably given by Mrs. Geo. Thompson. The last Chapter in the Study Book was presented by Rev. Beare.

A reading "A Good Thanksgiving" was given by Mrs. A. D. Rennalls and Mrs. D. Fleming read "The Grace of Forgiveness." Mrs. Geo. Williams conducted a Thanksgiving dinner menu contest.

St. Paul's -- Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

One of the amazing news items of the past few days was the provision in the Will of the late Col. J. B. MacLean for the endowment of the little Presbyterian Church at Crieff, Ontario.

This church has only 65 members and there is not a store or Post Office where it is located. The community would probably compare with our Carmel. Now, not only the Church but the Public Schools in the district will receive very large annual gifts from this Endowment bequest. This minister's son (Col. MacLean) has chosen a most excellent way to observe the fifth Commandment.

Members of St. Paul's and Carmel are invited to include in their Wills at least one-tenth of their estates for the Endowment Fund of their respective Churches.

A Pew Bible was dedicated Anniversary Sunday evening in loving memory of Roy Welbourn, of Bethel, the gift of his widow and daughters, Vivian and Ruth.

To our Memorial Roll must now be added the names of Mary Iva Pyear (Mrs. Edward), and Roy Lancaster. Mrs. Pyear was buried from the Carmel Church last Thursday. The large congregation which overflowed into the Jubilee Hall was tangible evidence of the esteem in which she was held. Mr. Lancaster was widely known in the Village and community. All stores were closed for the hour of his burial last Saturday which was attended by many former customers. This pastoral charge extends its sincere sympathy to all sorrowing loved ones.

We are glad to have good reports respecting Mrs. Sid Williams, Mrs. Arthur Andrews and Mrs. Ray Keating, all undergoing treatment in Belleville Hospital.

The Prime Minister of Ontario, the Hon. Leslie E. Frost, has written to express his gratitude for the hospitality extended to him and Mrs. Frost by St. Paul's congregation and the many representative visitors at the Anniversary Dinner.

Rev. Wesley Hunnissett, our Anniversary Sunday speaker has returned our honorarium cheque saying that he did not charge or accept anything for such services. St. Paul's will likely consider a gift to his Christmas Cheer Fund later in the year. In the meantime, clothing and shoes, etc., may be left at the Church or Parsonage to be sent to the Mission after Remembrance Day.

The S.R.O. (Standing Room Only) and very little of that was the experience of late comers to the presentation of the "Gypsy Rover" at Frankford last Friday. The Rev. Roy MacEachern and his Young People deserve thanks for their arrangements and the tasty refreshments served in the Church Hall after the programme.

Skinnymen, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Body limbs fill out, ugly hollows fill up; body loses its sickly, "bone-ache" look. Thousands praise Ostrex, weight-building tonic. Strengthens heart, tones up digestion, so food gives you more pep, nourishment, energy, more bone. Don't fear getting too fat. Stop when you feel you've had enough. For every size only 60¢. Try Ostrex Tonic Tablets for new pounds.

A friend in Belleville has sent us the following: We note in the "Free Will Echo," that Mrs. Prayer Meeting is dead. We print the following death notice: Mrs. Prayer Meeting died recently at the First Neglected Church on Worldly Avenue. Born many years ago in the midst of great revivals, she was a strong healthy child fed largely on testimony and Bible study.

For several years she has been in failing health and at last was a shadow of her former self. Experts including Dr. Works, Dr. Reform and Dr. Joiner disagreed as to the cause of her fatal illness. Large doses of organization, socials, contests and drives were of no avail. A postmortem showed deficiency of spiritual food, lack of faith and general nourishment. Only a few were present at her death, sobbing over memories of her past beauty and power. In honor of her going the church doors will be closed on Wednesday nights, save the third Wednesday of each month when the Ladies Pink Lemonade Society will serve refreshments to the Men's Handball Team.

While this is "writ sarcastic," it calls attention to the absence in many churches of the mid-week service. Perhaps the time is near when many will tire of the over emphasis upon the social and seek the quiet comfort and nourishment which can be found in the mid-week service. It must be remembered however, that many prayer meetings are still regularly held. The need is as great as ever and the devotional life of our people should be nourished not only in the church but especially in the home and to some degree in the school.

Royal Junior Choir extra rehearsals for the Advent Services including the great candlelight choral service on Christmas Eve will be held every Monday and Wednesday from 12:30 to 1 p.m. in the Sunday School Hall. Members of the choir living out of town will come to the regular rehearsals after school on Thursdays as usual. It is not expected that members attending rural schools will be able to attend the noon day practices.

The Rev. Fred Lane, of Madoc, who will be with us next Sunday will present the work of the Ontario Temperance Federation. Mr. Baker will conduct the Anniversary Services at Madoc.

It is good to see the Union Jack flying on our Community Hall. Long may it wave!

St. Paul's Choir were royally entertained at the home of Mr. John Wickens after the Anniversary Service at Zion last Sunday night. Miss Irma Campbell and Mr. Ted Reynolds sang solo numbers, "The Living God," and the "Blind Pianist," respectively. Both were glorious in song. Mr. Harold Hagerman sang with fine feeling the anthem solo, while the large turnout of the choir excelled itself in the Anthems, "Therefore with Joy," and "Thou Crownest the Pear."

The Rev. Roy MacEachern was exchange preacher at St. Paul's. We were glad to welcome him and to receive his inspiring message.

What Others Say!

ARE YOU A HANDYMAN?

(Almonte Gazette)

The upward trend in artisans' wages puts the householder who has no mechanical aptitude in a bad spot. There was a day when it didn't cost much to call a plumber, tinsmith, painter or carpenter to do small jobs, but things have changed. Apropos of this, technical education in our schools should be encouraged if only because it might make him capable of being a handyman around his own house.

WHY MR. BEE STINGS

(Smiths Falls Record-News)

It is claimed by bee experts that if a queen bee has a bad-tempered mate all their offspring will be bad-tempered and will go around stinging people for no reason at all. According to the experts a bee-keeper in England solved this problem by importing male bees from Italy. It seems being born in a sunny place makes a bee good tempered. That may apply to bees, but from our observation human beings born in sunny places are no more good-natured than those born in cold climates.

TEN EGGS TO A DOZEN FOR FORTY-HOUR WORKERS

Labour and farmers seem to be drawing farther and farther apart, and this in spite of efforts of the C.C.F. to woo both.

The catch phrases, mentioned above, no not seem to impress the farmers. Here is part of an item sent to the Dundalk Herald by its Beaverdale reporter:

In regard to the constant complaints from urban residents about the high cost of living, there is the brilliant idea abroad that since industrial workers are demanding a 40-hour week with the same take-home pay, why not a

10-egg dozen with no rise in the price? Or instead of an increase in the price of butter, consider 12 ounces to a quart and leave the price as is. Three quarts of milk to the gallon would do away with an increase in the price of milk, and so on. — Fergus News-Record.

Mrs. Carman Reid and children, of Carrying Place, are spending a couple of weeks at Mount Pleasant.

Mr. Wilfred Sine and his niece, Miss Doris Sine spent a recent Sunday with Mr. and Mrs. Ezra Thompson, Toronto, and Mrs. W. Sine accompanied them home.

Mrs. Percy McMullen attended a Wear-Ever Brush Party at the home of Mrs. Allan McDonnell on Thursday afternoon from 4 to 5 p.m.

Mrs. Frank Spencer quietly celebrated the eighty-sixth anniversary of her natal day on Monday, October 23rd. Friends extend birthday felicitations.

Mrs. Blake Sharp received word on Wednesday, October 18th of the death of her sister, Mrs. Richard Reid, of Ivanhoe, who was seventy-two years of age. The funeral was held Friday afternoon at Belhau United Church.

The McFarland Construction Co., who have been busy on the nine mile stretch of road from the townline at Hoards to Stirling, completed their work for this season on Saturday, October 21st. Just recently the road was given a coating of chloride to keep

down the dust. Folks who live along the way are enjoying a fairly good road but hope it will be paved some day. Strangers sometimes have to stop and enquire if they are on the right road to Campbellford.

Rev. T. F. Townsend, of Deseronto, called on friends at Mount Pleasant on Saturday. He was a supper guest at the home of Mr. and Mrs. Roy Thrasher and stayed Saturday evening with the Spencer family. Rev. Townsend conducted services at Queensboro, Hazzards and Cooper on Sunday, while Rev. MacKenzie took special services at Deseronto.

Mr. and Mrs. Herbert Smith and children attended Bethel Anniversary and were guests of Mr. and Mrs. Will Heath.

Mr. and Mrs. Bob Merrick attended Bethel Anniversary and were guests of Mr. and Mrs. John Morrison.

Several Mount Pleasant folk attended St. Andrew's Presbyterian Church, Stirling, Turkey Dinner on Monday evening. The tables were laden with vegetables, salads and jellies.

Rylstone

Given Shower

On Monday evening about 40 ladies met at the home of Mrs. Clarence Thomson in honor of the approaching marriage of Marie Melklejohn, and tendered her a cup and saucer and linen shower.

The following is the programme: community singing, led by the hostess; piano solo, "A Dream of Love," by Margaret Spencer; contest, "A Romantic Story," by Jean Morton; reading, "The Buckwheat Straw Plan," by Mrs. Murray Melklejohn; contest, "Musical Romance," by Mrs. Ellis Jones; reading, "Aunties Doleful," by Miss Ruth Morton; contest, "A Musical Courtship," by Dorothy Thomson; reading, "Christened," by Winnie Jones; solo, "Forever and Ever," by Mrs. Don Stewart, with Mrs. Ellis Jones at the piano; reading, "Kitchenitus," by Mrs. Lindsay Finch; balloon contest, won by Mrs. Carl Reid; reading, "Backwoods Bathroom," by Vera Reid.

Marie was called to her specially decorated chair and an address was read by Dorothy Thomson, to which Marie made a very suitable and gracious reply, inviting all to visit her in her new home near Hastings. Marie was then presented with a table full of gifts under pink and white streamers and white bells. The other girls assisted her in unwrapping the gifts and a recipe book, made by the hostess, was passed around for the favorite recipes of the guests. Lunch was served and a social hour spent. The good wishes of a host of friends go with Marie in her coming marriage.

Hugh Humphries, of Calgary, has been visiting his uncle, James Gibson and other relatives around Rylstone.

Reeve, Wilfred Spencer attended the Warden's Banquet in Bancroft on Wednesday evening.

Mr. and Mrs. Robert Price St. and Mrs. Robt. Price Jr., all of Timmins, and daughter Jean and husband, J. Kelly, of Bourlamaque, visited Mr. Price's sister, Mrs. Wilfred Spencer a few days last week.

Hello Homemakers! Fortunately the practice of Hallowe'en pranks is becoming outmoded and everyone goes to a Masquerade Dance in the Community, if you think someone may be up to the old trick of using soap on the window or door you might be well advised to brush on some petroleum jelly.

Then, in case you wish to entertain a family or two in the neighborhood here are a few suggestions:

(1) Supply each guest with pipe cleaners, a ten-inch piece of orange crepe paper, and one of black, some string, and a dixie cup, with which to make Hallowe'en figures. They may also have the loan of glue, crayon, and scissors. These could be used as the centrepiece for a buffet lunch or supper.

(2) "Shooting the Turkey" is a game played with arrows. Make these by sticking a long straight pin through a cork, allowing the pointed end to protrude; a quill is stuck in the other end of the cork to make a dart. Tack a huge turkey cut-out to a cardboard carton and the game is set for the guests to try their skill at shooting the bird. Each part of the turkey has a specified count and the player with the highest score, wins.

(3) Doughnut contest: String doughnuts across the room. Players must keep their hands behind their backs and try to eat the doughnuts — it's not at all easy.

Hallowe'en Refreshments

On a plain plate —

1. Brown bread sandwiches filled with peanut butter.
2. An Orange Face: Slice off top of each orange; scoop out the inside, put cubes of orange back into shell and top with a marshmallow.
3. Trim the plate with potato chips or cheese bites.
4. Frosted ginerbread cup cakes with orange icing.
5. Fill each cup with sweet cider or grape juice.

Gingerbread Cakes

$\frac{1}{2}$ cup shortening
1 cup sugar
1 egg
 $\frac{1}{2}$ cup dark molasses
1 1/2 cups flour
1 tsp. baking soda
 $\frac{1}{2}$ tsp. cinnamon
 $\frac{1}{2}$ tsp. cloves
1 tsp. ginger
 $\frac{1}{2}$ tsp. salt
 $\frac{1}{2}$ cup milk

Cream together shortening and sugar. Add egg; beat well. Add molasses. Sift together flour, baking soda, spices and salt; add alternately with milk to creamed mixture. Pour into paper cups placed in muffin pans. Bake in electric oven at 375 degrees for 30 mins.

Peanut Butter Squares

3 1/2 cups sifted flour
1 tbsp. baking powder
 $\frac{1}{2}$ tsp. salt
1 cup lard
2 cups brown sugar
2 eggs, beaten
1 tsp. vanilla
1 cup peanut butter
1 1/2 cup honey
 $\frac{1}{2}$ tsp. salt

Sift flour with baking powder and $\frac{1}{2}$ tsp. salt. Cream lard; add sugar gradually. Add eggs and vanilla and beat. Mix in the sifted, dry ingredients. Divide the dough and press half of it into a greased pan about 9 by 14 inches. Mix peanut butter, honey and salt and spread over dough. Press other half of dough on top. Bake in electric oven for 20 mins. Cut in about 1 1/2 inch squares. Yield 4 dozen.

Orange Sherbet

20 marshmallows
1 1/2 cups orange juice
2 tbsp. lemon juice
2 tbsp. sugar
1-8 tsp. salt
2 egg whites, beaten.

Combine marshmallows and orange juice in top of double boiler and heat

until marshmallows are melted. Cool. Add lemon juice and pour into freezing tray. Freeze to a mush.

Combine sugar, salt and beaten egg whites. Stir the partly frozen sherbet into this mixture, return to freezing tray and stir once more when frozen to a mush. Continue freezing until it hardens. Yields: 6 servings.

THE QUESTION BOX

Mrs. W. R. asks for a recipe for chicken with pineapple.

Answer:

Chicken Hawaiian

4 lb. chicken
1 can sliced pineapple
1 medium onion
4 tbsp. salad oil
1-3 cup flour
1 tsp. salt
1 tsp. pepper
2 slices sauted ham
4 cups cooked rice
2 ears

Wash chicken; dry disjoint. Drain pineapple, reserving syrup. Mince onion; cook in 3 tbsp. oil. Mix flour, salt and pepper and dredge chicken. Brown chicken with onion. Measure pineapple juice and add water to make 2 cups, then pour this over chicken

Cover and cook slowly 1 1/2 hours. Dice ham. Toss with rice. Sauté pineapple and pear halves in remaining oil.

Place rice in centre of platter and arrange chicken and fruit around it. Thicken gravy and pour on top. Serves 5.

Mrs. T. K. asks for an apricot sauce recipe.

Answer:

Snowgold Sauce

1/2 cup sugar
3/4 cup water
1/2 cup finely chopped apricots
6 tbsp. coconut

Combine sugar and water; bring to boiling point. Add apricots and simmer 5 mins. Cool; add coconut. Serve on ice cream or chocolate pudding. Makes 1 1/2 cups.

Oakville Won Championship

Oakville Oaks nosed out Batawa Shoemen, 4-2 at Oshawa Monday afternoon in the third OBA Intermediate "A" semi-final series for the right to meet Strathroy Royals for the Provincial title.

Veteran Al Yarnell and Gordie Muffett battled long at 1-1 in a sizzling right-handed duel until Batawa broke in front in the bottom of the sixth. But with two out in the eighth and two strikes on him, second baseman Bill Gillam looped one into short centre, scoring two Oaks.

Wright, who relieved at this point allowed another run in the ninth when he hit a batter, threw widely trying to pick the runner of first and then made another wild throw on Yarnell's sacrifice bunt.

Mrs. Richard Reid Dies At Ivanhoe

Mrs. Richard Reid, 72, of the sixth concession of Huntingdon Township, died at her home Wednesday morning, October 18th, after an illness lasting ten years. Mrs. Reid was born in Huntingdon, Beatrice Susan Poste, the daughter of the late Mr. and Mrs. James Poste.

Mrs. Reid was a member of the Beulah United Church, and when able was an active member of the Women's Institute and Women's Missionary Society of the church.

Surviving are her husband, one daughter, Mrs. Charles (Edna) Keeble, at home; two sons, Milton Reid, of Stirling and Frank Reid at home; two sisters, Mrs. Blake (Alvina) Sharpe, Stirling, and Mrs. Ernest (Erla) Moore, of Madoc; four brothers, Percy Poste, of Selkirk, Man., Richard Poste, of Belleville, Algern Poste, of Ivanhoe, and Albert Poste, of California.

Funeral services were held in Beulah United Church on Friday afternoon. The services were conducted by Rev. E. Beckel, of Ivanhoe, assisted by Rev. Fred Lane. The church was filled to capacity with friends and there were many floral tributes. The choir sang "In the Garden," and two of Mrs. Reid's favorite hymns.

The bearers were Samuel Twiddy, Arthur Hagerman, Earl Benson, Goldie McInroy, John Wallace and Burton Heagie.

Rawdon Council

Rawdon Township Council met on Monday, October 2nd with all members present.

The minutes of the last regular meeting were read and approved on motion of Sarles and Ray.

Sarles and Ray that the Reeve and Deputy Reeve be a committee to make the necessary arrangements for the Armistice Day Service to be held on November 11th.

J. Fleming, assessment be lowered \$150.00.

Heath and Ray that Township appoint Ross Hoard, Frank Bailey and Charles Johnston as fence viewers re-new Fanning line fence.

McKeown and Heath that no action be taken on passing By Laws for the building of additions to the High Schools in the Centre Hastings High School Area.

Ray and McKeown that Assessors each be paid \$3.00 for attending Court of Revision.

Sarles and Heath that the Clerk be authorized to correct all errors and omissions.

Ray and McKeown that Lindsay Pollock, the Tax Collector, be paid \$100.00 plus \$7.79 for registration, being the balance on his year's work.

Heath and Sarles that S. Spry be paid \$25.00 for sheep killed on completion of affidavit; also the Valuator's fee of \$2.00 be paid.

McKeown and Heath that the road inspection be paid.

Sarles and Ray that the Committee pay of \$30.00 each be paid.

McKeown and Heath that the Council as a whole go into a committee on By Laws.

By Law No. 721 was passed appointing Lindsay Pollock as Tax Collector for the year 1950-51.

By Law No. 722 was passed making wages of Road Superintendent \$6.00 per day starting October 1st, 1950.

Ray and Heath that Council revert to general business.

McKeown and Heath that the Township of Rawdon purchase a snow plow and the equipment from Truck & Farm Supply Co. to fit the new International truck and to be paid for at the January 1951 meeting.

Ray and Sarles that Council adjourn to meet Monday, November 6th at 1.30 p.m.

Madoc Section W.M.S. Regional Rally

Inclement weather attended the holding of the 18th annual rally of the Madoc section of the Women's Missionary Society of the Belleville Presbyterian held in St. Andrew's United Church Marmora, on Thursday, October 12th, lowering attendance somewhat from what had been anticipated. Nevertheless the morning and afternoon sessions were marked with an attendance of about 70 ladies to whom the missionary endeavours of their society are of vital importance.

Deep regret was felt at the inability

of Mrs. R. N. Broad, of Hazzard's Corners, vice president, to take the chair and at the noon recess co-workers secured a devotional book to be sent to her in her period of illness.

Presiding ably in her stead, was Mrs. Albert Empsey, of Eldorado, past President of the W.M.S. of the Belleville Presbyterians.

The rally opened with the theme hymn "Fairest Lord Jesus," the Lord's Prayer and the National Anthem. Greetings to visiting auxiliaries were given by Mrs. H. C. Barlow, president of St. Andrew's W.M.S. to which on their behalf, Miss Annie Richards, of Queensboro, responded.

Mrs. Geo. Wood, Ivanhoe, conducted the Worship Service with members of her Auxiliary. Mrs. George Young introduced the guest speaker, Miss Annie Bishop, of Toronto. Roll call showed the following Auxiliaries represented: Cooper and Remington, Eldorado and Union, Hazzard's Corners, Marmora, Madoc, Tweed. An affiliate Society, Queensboro W.A. and W.M.S. was also represented.

Mrs. Lincoln Elliott, Tweed, spoke on the importance of filling in the annual reports so that all branches of the work should receive due credit. At this point Mrs. A. F. Fraser, of Marmora, gave a delightful organ solo. Mrs. Bell, Literature Secretary, told of the news books now available and urged members to take advantage of this service. Mrs. Gordon Jarvis, of Marmora, reported for Associate Members in the Madoc section and Mrs. M. Fox of Madoc, also reported for this department.

Madoc Auxiliary conducted a very impressive Memorial Service for deceased members. Those who had entered into higher service during the past year were: Mrs. Fred Irwin and Mrs. Hark Rollins, Cooper; Mrs. Nathan Montgomery, Mrs. Annie Carpenter, Mrs. Wm. Elliott, Mrs. Mary

NEWS FOR THE BUSY FARMER

DOUGLAS MORTON WINS FIRST PRIZE IN STIRLING CALF CLUB ACHIEVEMENT DAY

The Ontario Department of Agriculture at Stirling has released the final results of the Stirling Calf Club. It has been reported that the members have completed their most successful year in club work, and each member is to be congratulated on doing a fine job. Mr. Carl E. Bateman, Club Leader, who has assisted the Department of Agriculture, is also to be given a great deal of credit for doing more work than ever this year with the club. Prize money was donated by the local Agricultural Society, the Ontario Live Stock Branch, and the Dominion Production Service.

There was a possible score of 1,000 points, and this score was broken down into the following parts: award for calf at Achievement Day, 400 points; for judging competition, 100; for answers to questions, 100 points; showmanship, 100; care and feeding methods on the farm, 100; monthly reports, 100; and attendance at meetings, 100 points.

The results, in order of standing, were as follows: Douglas Morton, 946; Merle Moore, 941; Glen Wilson, 897; Carl Reid, 895; George Cooke, 879; Aljen Wallace, 878; Glenn Brooks, 869; Basil Moore, 868; Gerald Bailey, 857; Geo. Allan Donnan, 856; Glenn Clarke, 836; Ralph Parks, 803; Carl Holden, 736; George Wilson, 696; and Murray Martin, 638.

A new feature this year was the showing of a group of three calves from each club. Belleville Calf Club was the first prize group; Madoc, second; Stirling, third; Marmora, 4th; and Hungerford, fifth. The Mohawk Calf Club did not have an entry.

The high two members of each club are entitled to a bus trip to Ottawa, sponsored by the County Council (Junior Grant) and Belleville Kiwanis Club. Where one of these members has already been on this trip in previous years, they are not eligible a second time.

CLAY SOILS RESPOND TO PHOSPHORUS

Grains when grown as a nurse crop for alfalfa on the heavy textured clay soils of Essex County should be fertilized with a 2-16-6. The rate of fertilization should be three hundred to four hundred pounds per acre.

Tests conducted by the Dominion Experimental Station, Harrow, in 1949 and 1950 showed that alfalfa gave higher yields where the preceding grain crop was fertilized with 2-16-6 than where any other fertilizer in the test was used. All fertilizers containing fairly high percentages of phosphorus gave better crops of alfalfa than those having lower levels of this element. The grain crop responded as well to a 2-12-10 as it did to the 2-16-6 indicating that in addition to phosphorus, nitrogen and potash are necessary for grain. These results as a whole show that grain seeded alone can be fertilized satisfactorily with a 2-12-10 or possibly a 2-12-6 but when alfalfa is being seeded in the grain, the 2-16-6 fertilizer should be used.

These results refer to the Brookston clay soils which comprises almost two thirds of Essex County as well as a good portion of other counties in southwestern Ontario. Certain other crops do not show the same response to phosphatic fertilizer, for example corn appears to respond more to nitrogen than to phosphate.

FLAX SHIVE FOR DOMESTIC HEATING

Flax shive, the woody waste material produced during the extraction of fibre from flax straw has good heating value and most flax mills use the material for supplying heat. But even so, there is generally a considerable surplus and some effort has been made from time to time to market it as fuel for domestic heating. Unfortunately, the bulk of the material and the dust associated with it, has made its use impractical for home heating.

Experiments have shown, says Dr. Chubb of the Pilot Flax Mill, Portage La Prairie, Man., that some of the difficulty can be overcome by compressing the shive into a dense solid material. But the machines at present available for this process turn the material into the form of small logs, which only have a restricted use in domestic heating, and can only compete with wood on favourable markets.

Experiments are now being carried on, says Dr. Chubb, with the hope of processing flax shive into briquettes which might be of general use for domestic heating.

TOMATO CROP 50% BELOW NORMAL

Despite the fact that killing frosts of late September destroyed much tomatoes and corn in the Bay of Quinte area, most of the canning factories in Prince Edward County are still operating on a reduced scale.

In Hastings the tomato harvest ended with only 50 per cent of the crop harvested. In Prince Edward the loss also was heavy but in areas close to the water and on high areas crops escaped damage and are still being sold on the domestic market an also to canning factories.

The tomato crop was two weeks behind normal in development and as a result caught many farmers with a relatively small yield per acre harvested.

The weekly crop report of the Ontario Department of Agriculture states that about 40 per cent of the silo filling was completed in Hastings by October 1st while in Prince Edward many farmers were still seeding fall wheat and rye.

LOCAL HOLSTEINS WIN AT REGIONAL SHOW

Holsteins from this district were prominent at the ninth annual East-Central Ontario Championship Holstein Show held October 18th in Peterboro. O. Parks & Sons, Bloomfield, showed the Reserve Senior and Reserve Grand Champion bull, taking this honor on their winning two-year-old Park Acres Rag Apple Historian.

H. J. McFarland, Picton, carried off the Reserve Championship on the winning Junior Heifer Calf, Far Land Molle.

J. J. Hay, Picton, showed the fourth prize aged cow and the fifth prize two-year-old heifer. Max Burnside, Madoc, had the fifth prize Junior Heifer Calf. Prince Edward stood fifth in the County Herd Class.

This was the ninth renewal of this annual show, with 180 head shown by 64 exhibitors from the ten counties of York, Ontario, Victoria, Durham, Northumberland, Peterboro, Prince Edward, Lennox and Addington, Hastings and Simcoe. For the second consecutive year Elmcroft Farms, of Oshawa, was Premier Exhibitor. Elmcroft also showed both Grand Champions, the male winner being the imported \$9,000 three-year-old, Ravenhill Hartog Truine and the female winner Elmcroft Dewdrop M. who last year was Reserve All-Canadian Aged Cow. Reserve Grand Champion and winner of the Wm. J. Murphy trophy for Best Uddered Female was Maryell Buttercup, owned by Bertram Hoskin, Cobourg; Glenkindie Rag Apply Sally, shown by E. L. Anderson, of Campbellford, was Junior Champion

TO UNVEIL TABLET

Prime Minister St. Laurent will unveil a tablet erected to the memory of Sir Mackenzie Bowell, a former Prime Minister of Canada, and native of Tweed, at a public ceremony in Belleville on Saturday, October 28th.

Female and Far Land Molle, owned by H. J. McFarland, Picton, Reserve Junior Champion. O Parks & Sons, of Bloomfield, had the Reserve Grand Champion bull, H. C. McCloskey, of Queensville, the Junior Champion bull and N. Craig Nelson, Campbellford, the Reserve Junior. Ontario County won the County Herd class for the fifth straight year, with Northumberland second and York third. J. D. Innes, of Woodstock, Ontario, judged.

A NEW PUBLICATION ON CULLING HENS

Keep the best and sell the rest is the keynote to a new publication on culling the poultry flock just published by the federal Department of Agriculture. And a new approach has been adopted in explaining what to sell and what to keep. With the aid of colour photographs and a minimum of text the leaflet shows exactly what to look for in normal healthy birds — the birds to retain for egg production.

In addition to colour photographs illustrating the good and the poor White Leghorn, Plymouth Rock and New Hampshire, additional photographs show other characteristics of the good and poor layer.

The leaflet may be obtained free on request to Information Service, Department of Agriculture, Ottawa. Ask for Publication 842, Guide to Culling Hens.

Facts About Cheese

Even the cheese experts are baffled when asked to explain why many people feel that coloured cheese is superior to the so-called "white" or natural cheese. Natural cheese, to which no colouring has been added, may range in colour from a pale cream to a deep amber because cheese produced from summer milk has a deeper shade than that produced from winter milk. Colouring is added for eye appeal only, for the public preference, and has absolutely no effect on the flavour, the cheese manufacturers say that it is difficult to age coloured cheddar to the same degree as natural cheddar without getting a mottled product, so the cheese connoisseur who likes his cheese aged to develop the maximum flavour, mellowness and zip, prefers the natural product. Very choice natural cheddar is available in quantity at most food stores — mild, medium and well-aged, to suit all tastes. A taste for cheese grows with the tasting and the National Cheese Festival, October 16th to November 16th, will tempt Canadians to try many of the varieties that are available, thus developing a keener appreciation for our fine Canadian cheeses.

Marmora Defeats Stirling 20 To 5

Marmora High School rugby team defeated Stirling on the Deloro grounds on Friday afternoon 20-5. In the first quarter, Jones of Marmora, ran to the two yard line allowing P. Nicholson to get in good position for a touchdown which Killian converted.

In the second quarter Drummond got a second touchdown which Killian again converted. Drummond for the home team received an injury in a tackle but his retirement from the game was only temporary.

Stirling staged a comeback and scored a touchdown which was not converted. Half time score, Marmora 12, Stirling 5.

In the third quarter P. Nicholson broke through again for another touchdown. Killian added the extra point and Nicholson kicked another.

In the fourth quarter, Nicolson kicked the final point. The quarter was unfortunately marked with an accident to Killian, who sustained concussion through diving for a loose ball.

Sidney School Pupils To Study Topographic Maps

The Sidney Area Board at its regular monthly meeting, made arrangements to supply each school with a Topographic map of Sidney Township and a booklet entitled, "By Map and Compass," in order to aid the teachers in teaching map reading, which has been introduced into the Public School Social Studies Course by the Department of Education.

It is unfortunate that Sidney Township is situated in such a location that maps of four districts : Belleville, Trenton, Tweed and Campbellford, are necessary to get a complete map of the whole Township. These maps are of great interest to the pupils as they show the details of their own community. A few minutes will be spent at the next Teachers' Meeting in a discussion of the work to be done in this course.

Circulating Or Travelling Libraries

As was done last year the teachers were given the choice of enrolling in the Township Circulating Library from Belleville or in the Travelling Library from the Department of Education, Toronto. A box of books per month may be gotten from the circulating library, while one every two months is about the limit for the Travelling Library, although there are more books. The Supervising Principal was to check to see which one each teacher preferred.

Public School Trustees' Association

The Secretary was authorized to inform the Public School Trustees' Association that some members of the Board expect to attend the Friday session of their annual meeting to be held in Toronto on Friday, October 27th.

Public Speaking Contests

The Supervising Principal explained that the Hastings Educational Association was asking the co-operation of the Councils and School Boards in conducting the annual Public Speaking Contests to be held in Belleville. The

Board promised to donate whatever was necessary so that, along with what was donated by the Council for prizes, there would be sufficient to give each of the other contestants a silver dollar. The Township Contest is scheduled for eight o'clock, Thursday evening, November 2nd in the Wallbridge Orange Hall. Pupils in the various schools are already preparing for it.

New Room At Avondale

The Supervising Principal also reported that the new classroom at Avondale had been opened on October 2nd with Miss M. Maitland in charge of Grades 1, 2 and 3 and Mrs. G. Carson in charge of the seniors in the school. Five Belcrest pupils living nearest Avondale had been transferred to Avondale.

Summer Repairs Being Completed

An extensive programme of repairs has been carried out by the Board in line with their original plan to bring all schools up to a standard as soon as possible. A few minor repairs are still to be done this Fall. Laurence Slingerland was engaged to redecorate Turner's, River Valley and Eggleton Schools, which included the painting of the ceiling at Glen Ross and to repair and paint the roof at Mapleville. Cecil Hubble's tender was accepted for the Bayside roof and ceiling, the Centenary roof and the Johnstown eave troughs. Besides this he made repairs to the roof and doors of the Bayside barn and eave troughs on the house occupied at present by Lloyd Reddom. Several softball backstops were put up. Riverside School was wired by Herbie's Electric, Stirling. Jos. Large, Belleville, redecorated Bayside School where smoke from the faulty furnace had darkened the walls. New furnaces were installed at Bayside and Johnstown, and a jacket put on the lower part of the Belcrest furnace to prevent basement dust from coming up into the classroom. New pipes were installed in the Hogie toilet systems and a new roof put on the shed.
